North Korea Through The Looking Glass:

North Korea through the Looking Glass Kongdan Oh, Ralph C. Hassig, 2004-05-13 Fifty five years after its founding at the dawn of the cold war North Korea remains a land of illusions Isolated and anachronistic the country and its culture seem to be dominated exclusively by the official ideology of Juche which emphasizes national self reliance independence and worship of the supreme leader General Kim Jong Il Yet this socialist utopian ideal is pursued with the calculations of international power politics Kim has transformed North Korea into a militarized state whose nuclear weapons ballistic missiles and continued threat to South Korea have raised alarm worldwide This paradoxical combination of cultural isolation and military first policy has left the North Korean people woefully deprived of the opportunity to advance socially and politically The socialist economy guided by political principles and bereft of international support has collapsed Thousands perhaps millions have died of starvation Foreign trade has declined and the country s gross domestic product has recorded negative growth every year for a decade Yet rather than initiate the sort of market reforms that were implemented by other communist governments North Korean leaders have reverted to the economic policies of the 1950s mass mobilization concentration on heavy industry and increased ideological indoctrination Although members of the political elite in Pyongyang are acutely aware of their nation s domestic and foreign problems they are plagued by fear and policy paralysis

North Korea Through the Looking Glass Kong Dan Oh, Ralph C. Hassig, 2000 Exploiting domestic and international news broadcasts and international news broadcasts and defector testimony this book explores what the leadership and masses believe about their current predicament and why they refuse to adopt more pragmatic responses to the post Cold War environment

The Hidden People of North Korea Ralph Hassig, Kongdan Oh, 2015-04-16 This unique book now fully updated provides a comprehensive overview of all aspects of life in North Korea today Drawing on decades of experience noted experts Ralph Hassig and Kongdan Oh explore a world few outsiders can imagine In vivid detail the authors describe how the secretive and authoritarian government of Kim Jong un shapes every aspect of its citizens lives how the command socialist economy has utterly failed and how ordinary individuals struggle to survive through small scale capitalism Weighing the very limited individual rights allowed the authors illustrate how the political class system and the legal system serve solely as tools of the regime The key to understanding how the North Korean people live the authors argue is to realize that their only allowed role is to support Kim Jong un whose grandfather founded the country in the late 1940s Still a cypher Kim Jong un as did his father before him controls his people by keeping them isolated and banning most foreigners North Koreans remain hungry

and oppressed yet the outside world is slowly filtering in and the book concludes by urging the United States to flood North Korea with information so that its people can make decisions based on truth rather than their dictator's ubiquitous propaganda

North Korea Paul French, 2007-07-15 This reissue of Paul French's acclaimed introduction to North Korea provides an up to the minute overview of the politics economics and history of the DPRK with added chapters dealing with recent events A new foreword examines why North Korea remains an issue in world politics and argues that an understanding of the country is more important now than ever A new in depth postscript offers analysis of recent years why Pyongyang felt compelled to test a bomb and revert to blatant nuclear diplomacy and how the crisis can be resolved peacefully

Origins of North Korea's Juche Chae-jöng Sö, 2013 For over five decades North Korea has outlived many forecasts of collapse despite defects in its system Origins of North Korea's Juche Colonialism War and Development edited by Jae Jung Suh argues that it has survived because of Juche a unique political institution built on the simple notion of self determination whose meanings and limits have been shaped by Koreans experiences with colonialism war and development amidst surrounding superpowers that have complicated their aspirations and plans The authors in this volume collectively provide an historical institutionalist account of North Korean politics organized around the concept of Juche commonly translated as self reliance but best understood as subjecthood or being a master of one's own fate focusing on its role as a response to North Korea's experiences with colonialism the Korean War and economic development The contributors further discuss how Juche circumscribes the evolutionary path that North Koreans can take as they negotiate contemporary challenges North Korea as it is now is best understood in terms of Juche which embodies the cumulative effect of its historical experiences and responses and its future potential and trajectory as enabled and constrained by its conception of Juche This collection provides fascinating insights into the politics and history of one of the world's most mysterious nations

North Korea in Transition Kyung-Ae Park, Scott Snyder, 2013 Following the death of Kim Jong Il North Korea has entered a period of profound transformation laden with uncertainty This authoritative book brings together the world's leading North Korea experts to analyze both the challenges and prospects the country is facing Drawing on the contributors expertise across a range of disciplines the book examines North Korea's political economic social and foreign policy concerns Considering the implications for Pyongyang's transition it focuses especially on the transformation of ideology the Worker's Party of Korea the military effects of the Arab Spring the emerging merchant class cultural infiltration from the South Western aid and global economic integration The contributors also assess the impact of North Korea's new policies on China South Korea the United States and the rest of the world Comprehensive and deeply knowledgeable their analysis is especially crucial given the power consolidation efforts of the new leadership underway in Pyongyang and the implications for both domestic and international politics Contributions by Nicholas Anderson Charles Armstrong Bradley Babson Victor Cha Bruce Cumings Nicholas Eberstadt Ken Gause David Kang Andrei Lankov Woo Young Lee Liu Ming Haksoon Paik Kyung Ae Park

Terence Roehrig Jungmin Seo and Scott Snyder **North Korea/South Korea** John Feffer, 2011-01-04 The Korean peninsula divided for more than fifty years is stuck in a time warp Millions of troops face one another along the Demilitarized Zone separating communist North Korea and capitalist South Korea In the early 1990s and again in 2002 2003 the United States and its allies have gone to the brink of war with North Korea Misinterpretations and misunderstandings are fueling the crisis There is no country of comparable significance concerning which so many people are ignorant American anthropologist Cornelius Osgood said of Korea some time ago This ignorance may soon have fatal consequences North Korea South Korea is a short accessible book about the history and political complexities of the Korean peninsula one that explores practical alternatives to the current US policy alternatives that build on the remarkable and historic path of reconciliation that North and South embarked on in the 1990s and that point the way to eventual reunification **A Region of Regimes** T. J. Pempel, 2021-09-15 A Region of Regimes traces the relationship between politics and economics power and prosperity in the Asia Pacific in the decades since the Second World War This book complicates familiar and incomplete narratives of the Asian economic miracle to show radically different paths leading to high growth for many but abject failure for some T J Pempel analyzes policies and data from ten East Asian countries categorizing them into three distinct regime types each historically contingent and the product of specific configurations of domestic institutions socio economic resources and external support Pempel identifies Japan Korea and Taiwan as developmental regimes showing how each then diverged due to domestic and international forces North Korea Myanmar and the Philippines under Marcos comprise rapacious regimes in this analysis while Malaysia Indonesia and Thailand form ersatz developmental regimes Uniquely China emerges as an evolving hybrid of all three regime types A Region of Regimes concludes by showing how the shifting interactions of these regimes have profoundly shaped the Asia Pacific region and the globe across the postwar era *North Korea* Michael J. Seth, 2018-02-22 In this key textbook Michael J Seth offers an excellent synthesis of existing scholarship including a thorough examination of contemporary sources Seth masterfully traces how North Korea gradually transformed itself from a Soviet style socialist state to an ultra nationalist dynastic one illuminating this journey with an engaging understanding of the political ideological economic and social forces at play Throughout Seth adds a rich dimension by placing North Korean history into broader global perspective and considering the implications for the future of the country With a helpful glossary and an exhaustive bibliography this clear and accessible overview is an ideal text for students of North Korean history and for anyone with an interest in the evolution of this uncommon nation [The Collapse of North Korea](#) Tara O, 2016-07-25 This book highlights the increasing risk of North Korea's collapse and considers the necessary actions that would enable the neighboring powers to prepare for such an event North Korea's deteriorating economic conditions its reliance on external assistance and the degree of information penetration all provide hints of its collapse Whether the chance is high or low the collapse of North Korea and subsequent Korean unification would drastically alter the geostrategic landscape and profoundly

affect the national interests of the regional powers South Korea China the United States Japan and Russia The most desirable scenario for a post unification Korean Peninsula is a successfully developed and integrated non nuclear Korea acting as a responsible regional and world stakeholder This work considers the major challenges expected after a North Korean collapse including the control of nuclear weapons disorder in the immediate aftermath of collapse and economic and social integration The author then outlines how regional powers need to prepare to handle these challenges in order to minimize suffering and to set the foundation for long term development and regional stability

Narcissism and Politics Jerrold M. Post, 2015 This book analyzes narcissism and politics and systematically explores the psychology of narcissism the entitlement the grandiosity and arrogance overlying insecurity the sensitivity to criticism and the hunger for acclaim illustrating different narcissistic personality features through a spectrum of international and national politicians

The Korean Peace Process and the Four Powers Tae-Hwan Kwak, 2018-12-20 This title was first published in 2003 After the inter Korean Summit in 2000 the Korean peace process gained a new momentum and the two Koreas increased mutual contacts and exchanges However in 2001 the peace process stalled and was further hindered by Bush's hard line policy towards Pyongyang and North Korea's inflexible attitudes towards Seoul Interest in the Korean peninsula by the US Russia Japan and China for geo strategic and geo economic reasons means that peace and unification will inevitably become an international problem Against this backdrop this original volume deals with the problems and prospects of the inter Korean peace process and the interests attitudes and policies of these major powers

Re-Imagining North Korea in International Politics Shine Choi, 2014-11-20 The global consensus in academic specialist and public realms is that North Korea is a problem its nuclear ambitions pose a threat to international security its levels of poverty indicate a humanitarian crisis and its political repression signals a failed state This book examines the cultural dimensions of the international problem of North Korea through contemporary South Korean and Western popular imagination's engagement with North Korea Building on works by feminist postcolonial thinkers in particular Trinh Minh ha Rey Chow and Gayatri Spivak it examines novels films photography and memoirs for how they engage with issues of security human rights humanitarianism and political agency from an intercultural perspective By doing so the author challenges the key assumptions that underpin the prevailing realist and liberal approaches to North Korea This research attends not only to alternative framings narratives and images of North Korea but also to alternative modes of knowing loving and responding and will be of interest to students of critical international relations Korean studies cultural studies and Asian studies

North Korea and the Global Nuclear Order Edward Howell, 2023 For a state that has gained a global reputation as a violator of international norms North Korea's determination to become a nuclear armed state is puzzling

North Korea and the Geopolitics of Development Kevin Gray, Jong-Woon Lee, 2021-04-15 Gray and Lee focus on three geopolitical moments that have been crucial to the shaping of the North Korean system colonialism the Cold War and the rise of China to examine how the emergence and subsequent

development of the North Korean political economy was fundamentally shaped by broader processes of geopolitical contestation

Economic Sanctions Against a Nuclear North Korea Suk Hi Kim, Semoon Chang, 2015-05-12 United States economic sanctions against North Korea began on June 28 1950 three days after the outbreak of the Korean War Since then the United States its allies and the United Nations have increasingly imposed economic sanctions against North Korea in an attempt to destabilize and manipulate the North Korean regime This book first provides a thorough historical overview of U S and U N sanctions against North Korea since 1950 Then several essays propose ways to make such sanctions more politically effective while limiting their harmful humanitarian consequences Finally the book discusses the impact of the newest six nation agreement signed in February 2007 which would shut down North Korea's nuclear facility in return for economic aid and a security guarantee Several appendices provide brief guides to the history of North Korea and the country's nuclear weapons program

North Korea at a Crossroads Suk Hi Kim, 2010-06-28 Some fifty years after war the Korean peninsula remains divided at the 38th parallel The end of the Cold War in 1989 brought changes to many communist states but North Korea remains embroiled in international crises Looking forward North Korea seemingly faces four choices collapse further war peaceful reunification with the south or status quo This historical and political analysis covers the period from the division of the peninsula in 1948 to the future of North Korea beyond 2003 Topics include the Korean War Kim Il Sung famine the economic collapse of the 1990s Kim Jong Il South Korea's sunshine policy nuclear ambitions rogue state status George W Bush's axis of evil remark made during his 2002 State of the Union address and the current state of diplomatic relations The final chapter considers the case for reconciliation Appendix A is a chronology of the Korean Peninsula from 2333 BCE to 2003 CE Appendix B is a directory of Korean Studies institutes and think tanks Tables and statistics are integrated throughout the text Reader aids accompany each chapter including lists of further reading key terms and questions

North Korea: The Politics of Regime Survival Young Whan Kihl, Hong Nack Kim, 2014-12-18 Featuring contributions by some of the leading experts in Korean studies this book examines the political content of Kim Jong Il's regime maintenance including both the domestic strategy for regime survival and North Korea's foreign relations with South Korea Russia China Japan and the United States It considers how and why the Democratic People's Republic of Korea DPRK became a hermit kingdom in the name of Juche self reliance ideology and the potential for the barriers of isolationism to endure This up to date analysis of the DPRK's domestic and external policy linkages also includes a discussion of the ongoing North Korean nuclear standoff in the region

North Korea, Nuclear Risk-Taking, and the United States Jihwan Hwang, 2023-11-13 Jihwan Hwang analyzes Pyongyang's nuclear policy changes over the last three decades under Kim Il Sung Kim Jong Il and Kim Jong Un Why did a weaker North Korea take the risk of standing up against the much stronger U S with its nuclear weapons program even escalating the crisis to the point of a war Later why did North Korea change its course of action amid the crisis even though the security environment remained essentially the same Hwang draws on the

main tenets of prospect theory in international relations and argues that Pyongyang becomes either risk acceptant or risk averse toward the U S depending on the situation it faces When Pyongyang perceived the status quo to be deteriorating it framed its situation as a loss and chose a risk acceptant of confrontation to restore the status quo Equally when Pyongyang perceived the situation to be improving it chose a risk averse engagement in the domain of gain In contrast when Pyongyang perceived an extreme loss such as military confrontation against the United States it would rather choose a risk averse policy to avoid the catastrophic outcome of war The issues of risk are central to an understanding of Pyongyang s nuclear policy decision making

North Korea Robert Willoughby, 2014-07-22 The essential book for visitors making short guided visits to North Korea or living there for longer periods

The Enthralling World of Kindle Books: A Thorough Guide Unveiling the Benefits of E-book Books: A Realm of Convenience and Flexibility E-book books, with their inherent mobility and ease of access, have freed readers from the limitations of physical books. Gone are the days of lugging cumbersome novels or carefully searching for specific titles in shops. Kindle devices, sleek and lightweight, seamlessly store an extensive library of books, allowing readers to indulge in their preferred reads anytime, anywhere. Whether commuting on a busy train, relaxing on a sun-kissed beach, or just cozying up in bed, Kindle books provide an unparalleled level of convenience. A Literary Universe Unfolded: Discovering the Vast Array of Kindle North Korea Through The Looking Glass North Korea Through The Looking Glass The Kindle Store, a virtual treasure trove of literary gems, boasts an extensive collection of books spanning diverse genres, catering to every reader's taste and choice. From gripping fiction and mind-stimulating non-fiction to classic classics and contemporary bestsellers, the E-book Shop offers an exceptional abundance of titles to explore. North Korea Through The Looking Glass Introduction

In today's digital age, the availability of North Korea Through The Looking Glass books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of North Korea Through The Looking Glass books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of North Korea

Through The Looking Glass books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing North Korea Through The Looking Glass versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, North Korea Through The Looking Glass books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing North Korea Through The Looking Glass books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for North Korea Through The Looking Glass books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, North Korea Through The Looking Glass books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of North Korea Through The Looking Glass books and manuals for download and embark on

your journey of knowledge?

FAQs About North Korea Through The Looking Glass Books

What is a North Korea Through The Looking Glass PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a North Korea Through The Looking Glass PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a North Korea Through The Looking Glass PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a North Korea Through The Looking Glass PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a North Korea Through The Looking Glass PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
