Counsel With Confidence Joel James,2018-10-01 When you were learning to ride a bicycle the hardest part was the first few pedal strokes those wobbly seconds before you built up enough momentum to maintain your balance A generous push from your dad was just what you needed to avoid ending up in a heap of elbows knees handlebars and spokes Counseling is similar Sometimes you need something to give you some momentum something to give you the confidence that you re on the right track If you ve ever felt like that this book is for you *Counsel With Confidence* is a book to guide counselors and church leaders in being well informed and to help them bring about heart based change in the lives of the people they counsel through the right application of Scripture

Evangelical Purity Culture and Its Discontents Kathryn House,Sara Moslener,2025-05-09 This volume is a collection of cutting edge interdisciplinary and creative essays

that establishes a new approach to the study of evangelical purity culture. It is a critical starting point for anyone seeking to understand this movement or begin their own research. The book brings together the work of the Purity Culture Research Collective, an independent and unaffiliated organization of scholars, mental health professionals, artists, and advocates dedicated to studying the origins and impact of evangelical purity culture. The study of purity culture is an interdisciplinary project using a variety of theories and methods, including those from psychology, religious studies, sociology, ethics, biblical theological studies, queer studies, feminist studies, historical studies, and critical race studies. Chapters in this volume employ various methods of inquiry, with some framing their work in traditional academic prose and others making use of self-reflexive analysis to acknowledge their own experiences as informing their arguments and conclusions. This collection of essays reflects emerging scholarship both within and beyond the academy and stands as an example of how traditional academic analysis can be released from the confines of disembodied scholarship and is enriched by a diversity of approaches. This book was originally published as a special issue of *Theology and Sexuality*.

Guilt-Free Motherhood Julianna Slattery, 2004. A refreshing new blueprint for motherhood based on the wisdom of Scripture combined with the expertise of a psychologist and mother of three. No mother has experienced the joys of parenting without also feeling the nagging doubt that she is inadequate for the task of raising her children. With every imperfection and every small failure, guilt is her accuser. Dr. Slattery argues that this guilt is the natural product of a mother's God-given influence over her children, a blessed reminder of her stewardship. While this is a tremendous responsibility, God would not let mothers face it alone. Using the wisdom of the Bible and her own experience as a psychologist and mother, Slattery shows how this guilt can be turned to positive parenting. Mothers are shown how to create a personal blueprint for motherhood. This is both a broad understanding of their own personal approaches and beliefs and a daily action plan for dealing with common obstacles, from being too busy to saying the wrong thing to helping children through the inevitable rough patches in their lives.

Confessions of a Good Christian Guy Thomas J. Davis, Tammy Maltby, Tom Davis, 2008-01-01. Dealing with the secret pain in the lives of many good Christian men. In a continuation of *Confessions of a Good Christian Girl*, Tammy Maltby is back with coauthor Tom Davis to get specific about the brokenness and pain in the lives of good Christian men. This isn't a lurid expose but an honest and courageous look at the secrets most often lurking behind victorious Christian facades. Chapters include: "I've got a dirty mind," "I'm a self-made man," "I want more stuff," "I need my dad," "I love booze," "I don't like to feel," "I'm so ticked off," "I want to give up." In addition to the transparent stories and insight from Davis and Maltby, each chapter concludes with reflections for those who care and practical insight for individuals walking beside a man struggling with these issues.
