Oecd Economic Surveys Japan 2015 Edition 2015 Volume 2015:

OECD Economic Outlook, Volume 2015 Issue 1 OECD,2015-06-19 The OECD Economic Outlook is the OECD's twice yearly analysis of the major economic trends and prospects for the next two years **OECD Economic Surveys: Japan 2017** OECD,2017-04-13 This 2017 OECD Economic Survey of Japan examines recent economic developments policies and prospects The special chapters cover productivity for inclusive growth and fiscal sustainability *OECD Economic Outlook, Volume 2015 Issue 2* OECD,2015-12-02 This OECD Economic Outlook analyses the current economic situation and examines the economic policies required to foster a sustained recovery in member countries The present issue covers the outlook to end 2017 for both OECD countries and selected non OECD economies **OECD Economic Surveys: Luxembourg 2015** OECD,2015-03-27 This OECD Economic Survey of Luxembourg examines recent economic developments policies and prospects Special chapters cover of the financial sector and diversification of the economy *OECD Economic Surveys: Japan 2019* OECD,2019-04-15 Japan's current economic expansion is its longest of the post war era with per capita output growth nearly matching the OECD area since 2012 However the expansion has peaked and global uncertainties weigh on the outlook Growth is projected to continue at a moderate rate supported by expansionary monetary policies and fiscal measures to offset the 2019 consumption tax rate hike **OECD Economic Surveys: Korea 2016** OECD,2016-05-16 This 2016 OECD Economic Survey of the Korea examines recent economic developments policies and prospects The special chapters cover Raising productivity and Labour market reform *OECD Territorial Reviews: Japan 2016* OECD,2016-04-11 Japan is embarked on a demographic transition without precedent in human history the population is both declining and ageing rapidly This raises important questions about the country's future economic geography as public policies will need both to respond to these shifts and also to shape them *OECD Economic Surveys: Netherlands 2016* OECD,2016-03-03 This 2016 OECD Economic Survey of the Netherlands examines recent economic developments policies and prospects The special chapters cover Enhancing private investment and Boosting skills for all OECD Economic Surveys: Canada 2016 OECD,2016-06-13 This 2016 OECD Economic Survey of the Canada examines recent economic developments policies and prospects The special chapters cover Network sector competition Small business dynamism *OECD Economic Surveys: Germany 2016* OECD,2016-04-05 This 2016 OECD Economic Survey of the Germany examines recent economic developments policies and prospects The special chapters cover Boosting investment performance and Raising well being in Germany's aging society **OECD Economic Surveys: Italy 2017** OECD,2017-02-15 This 2017 OECD Economic Survey of Italy examines recent economic developments policies and prospects The special chapters cover raising business investment and enhancing skills The Rise and Return of the Indo-Pacific Timothy Doyle,Dennis Rumley,2019-12-13 In the 21st century the Indo Pacific region has become the new centre of the world The concept of the Indo Pacific though still under construction is a potentially pivotal site where various institutions and intellectuals of statecraft are seeking common ground

on which to anchor new regional coalitions alliances and allies to better serve their respective national agendas This book explores the Indo Pacific as an ambiguous and hotly contested regional security construction It critically examines the major drivers behind the revival of classical geopolitical concepts and their deployment through different national lenses The book also analyses the presence of India and the U S in the Indo Pacific and the manner in which China has reacted to their positions in the Indo Pacific to date It suggests that national constructions of the Indo Pacific region are more informed by domestic political realities anti Chinese bigotries distinctive properties of 21st century U S hegemony and narrow nation statist sentiments rather than genuine pan regional aspirations The Rise and Return of the Indo Pacific argues that the spouting of contested depictions of the Indo Pacific region depend on the fixed geo strategic lenses of nation states but what is also important is the re emergence of older ideas a classical conceptual revival based on early to mid 20th century geopolitical ideas in many of these countries The book deliberately raises the issue of the sea and constructions of nature as these symbols are indispensable parts of many of these Indo Pacific regional narratives Despite the existence of diverse nation statist pan and sub regional discourses the narratives of the most powerful states still dominate 21st century Indo Pacific statecraft The term Indo Pacific has the potential of unsettling various existing bilateral and multilateral geopolitical equations within the Indian Ocean region Despite substantial heterogeneity in Indo Pacific regional imaginations the most dominant stories and maps are crafted and disseminated by the most dominant nation in this case the U S as it grapples with new ways of retaining its hegemony into the 21st century

Secured Transactions Law in Asia Louise Gullifer,Dora Neo,2021-03-25 This collection of essays offers a unique insight and overview of the secured transactions law in many of the most important countries in Asia as well as reflections on the need for benefits of and challenges for reform in this area of the law The book provides a mixture of general reflections on the history successes and challenges of secured transaction law reform and critical discussion of the law in a number of Asian countries In some of the countries the law has already been reformed or reform is under way and here the reforms are considered critically with recommendations for future work In other countries the law is not yet reformed and the existing law is analysed so as to determine what reform is desirable and whether it is likely to take place First this book will enable those engaging with the law in Asia to understand better the contours of the law in both civil and common law jurisdictions Second it provides analytical insights into why secured transactions law reform happens or does not happen the different methods by which

reform takes place the benefits of reform and the difficulties that need to be overcome for successful reform Third it discusses the need for reform where none has yet taken place and critically assesses the reforms which have already been enacted or are being considered In addition to providing a forum for discussion in relation to the countries in question this book is also a timely contribution to the wider debate on secured transactions law reform which is taking place around the world

OECD Economic Surveys: Japan 2024 OECD,2024-01-11 Japan has navigated the dual shock of the pandemic and the energy crisis well However significant headwinds from weak global growth geopolitical tensions and high inflation highlight the importance of enhancing the Japanese economy's resilience to shocks In a context of inflation which has risen above target and pressures from divergent monetary policy from peers adjustments to monetary policy settings have commenced Given high public debt fiscal consolidation to rebuild fiscal buffers underpinned by a credible medium term fiscal framework to put the debt to GDP ratio on a clear downward path is key Longer term sustainability also requires reducing greenhouse gas emissions in line with government targets calling for green investment innovation and carbon pricing Reforms to improve the innovation framework and incentives for start ups are key to boost productivity and address ageing pressures Removing obstacles to the employment of women and older persons and making greater use of foreign workers are also essential to counter demographic headwinds Strengthening the financial position of young people and policies to support families and children such as improved parental leave would help to reverse the downward trend in the fertility rate
