Of Reynaert The Fox Of Reynaert The Fox:

Of Reynaert the Fox A. Th Bouwman, Bart Besamusca, 2009 An entertaining reworking of the most popular branch of the Old French tale of Reynard the Fox the mid thirteenth century Dutch epic Van den vos Reynaerde is one of the earliest long literary works in the Dutch vernacular Sly Reynaert and a cast of other comical woodland characters find themselves again and again caught up in escapades that often provide a satirical commentary on human society This charmingly volume is the first bilingual edition of the tale featuring facing pages with an English translation by Thea Summerfield making the undisputed masterpiece of medieval Dutch literature accessible to a wide international audience Accompanying the critical text and parallel translation are an introduction interpretative notes an index of names a complete glossary and a short introduction to Middle Dutch

Introducing the Medieval Fox Paul Wackers, 2023-02-15 This book is an entertaining informative and enchanting introduction to its subject just as those medieval banes of the farmyard the Fox and the Vixen were enchanting in escapades from fables and funny tales from beastly epic poems and bestiaries and from medieval material culture in Danish wall paintings and Dutch manuscript illustrations and statues stained glass and Italian mosaics There exist books on medieval fox stories and on the animal s iconography which are important themes in this study but this book is the first holistic approach to all types of manifestations of foxes in medieval culture from medical recipes and fur trade to Bible commentaries and hunting manuals

Top Ten Fictional Narratives in Early Modern Europe Rita Schlusemann, Helwi Blom, Anna Katharina Richter, Krystyna Wierzbicka-Trwoga, 2023-10-24 This volume examines the ten most popular fictional narratives in early modern Europe between 1470 and 1800 Each of these narratives was marketed in numerous European languages and circulated throughout several centuries Combining literary studies and book history this work offers for the first time a transnational perspective on a selected text corpus of this genre It explores the spatio temporal transmission of the texts in different languages and the materiality of the editions the narratives were bought sold read translated and adapted across European borders from the south of Spain to Iceland and from Great Britain to Poland Thus the study analyses the multi faceted processes of cultural circulation translation and adaptation of the texts In their diverse forms of mediality such as romance drama ballad and penny prints they also make a significant contribution to a European identity in the early modern period The narrative texts examined here include Apollonius Septem sapientum Amadis de Gaula Fortunatus Pierre de Provence et la belle Maguelonne Melusine Griseldis Aesopus Life and Fables Reynaert de vos and Till Ulenspiegel

Reynard the Fox Kenneth Varty, 2003-11 There are many stories featuring the villainous hero Reynard the Fox in many languages told over many centuries going back as far as the early 12th century All these stories are comic and much of the humour depends on parody and satire resulting in mockery sometimes the subversion of certain kinds of serious literature of political and religious institutions and practices of scholarly argument and moralizing and of popular beliefs and customs The contributors to this volume all of them experts in one or more of the Reynard stories and their backgrounds

focus on the transformation of these tales through various media and to what extent they reflect differences in the cultural class and generational background of their tellers

Medieval English and Dutch Literatures Larissa Tracy, Geert H. M. Claassens, 2022 This collection honours the scholarship of Professor David F Johnson exploring the wider view of medieval England and its cultural contracts with the Low Countries and highlighting common texts motifs and themes across the textual traditions of Old English and later medieval romances in both English and Middle Dutch Few scholars have contributed as much to the wider view of medieval England and its cultural contacts with the Low Countries than Professor David F Johnson His wide ranging scholarship embraces both the textual traditions of Old English especially in manuscript production and later medieval romances in both English and Middle Dutch highlighting their common texts motifs and themes Taking Johnson s work as its starting point and model the essays collected here investigate early English manuscript production and preservation illuminating the complexities of reinterpreting Old English poetry particularly Beowulf and then go on to pursue those nuances through later English and Middle Dutch Arthurian romances and drama including Sir Gawain and the Green Knight The Canterbury Tales and the Roman van Walewein They explore a plethora of material including early medieval textual traditions and stone sculpture and draw on a range of approaches such as Body and Disability Theories Overall the aim is to bring multiple disciplines into dialogue with each other in order to present a richer and more nuanced view of the medieval literary past and cross cultural contact between England and the Low Countries from the pre Conquest period to the late Middle Ages thus forming a most appropriate tribute to Professor Johnson s pioneering work Dutch Arthurian romances and drama including Sir Gawain and the Green Knight The Canterbury Tales and the Roman van Walewein They explore a plethora of material including early medieval textual traditions and stone sculpture and draw on a range of approaches such as Body and Disability Theories Overall the aim is to bring multiple disciplines into dialogue with each other in order to present a richer and more nuanced view of the medieval literary past and cross cultural contact between England and the Low Countries from the pre Conquest period to the late Middle Ages thus forming a most appropriate tribute to Professor Johnson s pioneering work Dutch Arthurian romances and drama including Sir Gawain and the Green Knight The Canterbury Tales and the Roman van Walewein They explore a plethora of material including early medieval textual traditions and stone sculpture and draw on a range of approaches such as Body and Disability Theories Overall the aim is to bring multiple disciplines into dialogue with

each other in order to present a richer and more nuanced view of the medieval literary past and cross cultural contact between England and the Low Countries from the pre Conquest period to the late Middle Ages thus forming a most appropriate tribute to Professor Johnson s pioneering work

Between Saint James and Erasmus: Studies in Late-Medieval Religious Life - Devotion and Pilgrimage in the Netherlands Jan van Herwaarden, 2021-10-25 This volume is divided into four sections late medieval devotion in the Netherlands medieval Christian pilgrimage the medieval cult of St James the Great and Erasmiana Variety and coherence sound the keynote in the title and the contents of the book Religious concepts and expressions of religious faith such as pilgrimages and indulgences are representative of late medieval Christianity In this book they refer specifically to the medieval cult of St James the Great while for Erasmus they were an object of his critical consideration The whole book can be read in the light of the debate about the tension between an appreciation for outward signs of faith and the inward experience of religious belief which Erasmus considered an absolute necessity

Early Printed Narrative Literature in Western Europe Bart Besamusca, Elisabeth de Bruijn, Frank Willaert, 2019-11-05 The essays in this volume are concerned with early printed narrative texts in Western Europe The aim of this book is to consider to what extent the shift from hand written to printed books left its mark on narrative literature in a number of vernacular languages Did the advent of printing bring about changes in the corpus of narrative texts when compared with the corpus extant in manuscript copies Did narrative texts that already existed in manuscript form undergo significant modifications when they began to be printed How did this crucial media development affect the nature of these narratives Which strategies did early printers develop to make their texts commercially attractive Which social classes were the target audiences for their editions Around half of the articles focus on developments in the history of early printed narrative texts others discuss publication strategies This book provides an impetus for cross linguistic research It invites scholars from various disciplines to get involved in an international conversation about fifteenth and sixteenth century narrative literature

Night Train A. L. Snijders, 2021-10-05 Brevity is the soul of beauty in these tiny masterworks of short short fiction Gorgeously translated by Lydia Davis the miniature stories of A L Snijders might concern a lost shoe a visit with a bat fears of travel a dream of a man who has lost a glass eye uniting them is their concision and their vivacity Lydia Davis in her introduction delves into her fascination with the pleasures and challenges of translating from a language relatively new to her She also extols Snijders s straightforward approach to storytelling his modesty and his thoughtfulness Selected from many hundreds in the original Dutch the stories gathered here humorous or bizarre or comfortingly homely are something like daybook entries novels in brief philosophical meditations or events recreated from life but inhabiting the borderland between fiction and reality might best be described as

autobiographical mini fables This morning at 11 30 in the full sun I go up into the hayloft where I haven t been for years I climb over boxes and shelving and open the door A frightened owl flies straight at me dead quiet as quiet as a shadow can fly I look into his eyes he s a large owl it s not strange that I m frightened too we frighten each other I myself thought that owls never move in the daytime What the owl thinks about me I don t know

Dutch and Flemish Literature as World Literature Theo D'haen, 2019-07-25 The recent return of world literature to the centre of literary studies has entailed an increased attention to non European literatures but in turn has also further marginalized Europe s smaller literatures Dutch and Flemish Literature as World Literature shows how Dutch language literature from its very beginnings in the Middle Ages to the present has not only always taken its cue from the major literary traditions of Europe and beyond but has also actively contributed to and influenced these traditions The contributors to this book focus on key works and authors providing a concise yet highly readable history of Dutch language literature and demonstrating how this literature is anchored in world literature

Sumerologica, 1987 **Storyworlds of Robin Hood** Lesley Coote, 2020-04-13 Robin Hood is one of the most enduring and well known figures of English folklore Yet who was he really In this intriguing book Lesley Coote reexamines the early tales about Robin in light of the stories both English and French that have grown up around them stories with which they shared many elements of form and meaning In the process she returns to questions such as where did Robin come from and what did these stories mean The Robin who reveals himself is as spiritual as he is secular and as much an insider as he is an outlaw And in the context of current debates about national identity and Britain's relationship with the wider world Robin emerges to be as European as he is English or perhaps as Coote suggests that is precisely the quality which made him fundamentally English all along Studies in Seventeenth-Century English Literature, History and Bibliography, 2021-11-01
