author Jack Ketchum *Ladies' Night* Jack Ketchum,2016-06-22 Ladies Night is a non stop rollercoaster ride of sheer nerve
rattling terror previously deemed too violent for mass market publication In this modern tale of the ages old battle of the
sexes carried to the extreme Jack Ketchum again provides readers with an excursion into horror as relentless as a John Woo
film Tom Braun and his wife Susan aren t exactly a picturesque couple Thus it comes as no surprise that Tom continually
spends late evenings in bars and cheats on his wife Unfortunately their son Andy is caught in the middle of his parent s
childish banter and family chaos One life altering evening turns this family s along with most of New York s perceptions on
the nuclear family and male female relationships upside down When a tanker truck with Ladies Inc emblazoned on the side
crashes in a quiet area in New York an area it doesn t have authorization to be in it liberally spills its contents all over the
road and into the surrounding atmosphere The local authorities deem the contents of the spill to be safe based merely on the
assumption that products coming from a women s label are more than likely benign Moreover the smell emanating from the
spill is one of sweet cherry similar to lollipops which must of course be harmless if not favorable This aforementioned
assumption proves fatally incorrect The chemical load the truck was hauling procures a discomfiting bestial effect in women

forcing them to savagely attack males in their vicinity Be they former friend or foe Tom while at a local bar absorbs the evening s strange turn of events with traumatizing clarity as he witnesses first hand the metamorphosis of surrounding women into gruesomely instinctual brutes and mantis like predators He must get home to his son Andy who is currently alone with his wife Susan Hopefully before it is too late *Dark Bites Volume 1* Rick Hipson,2021-07-30 Considered an instant collectable *Dark Bites Volume 1* is a horror lover s guide to your next favorite dark indulgence This book transports you into the minds of the creators we crave who share the finer points of their craft along with intriguing stories behind the worlds they ve built The collection also includes a bevy of in depth film and book reviews covering the work of Gregory Lamberson JOHNNY GRUESOME With Interview F Paul Wilson The Last Christmas A Repairman Jack Novel With interview Thomas F Monteleone Night Train With Interview Jeff Strand Cold Dead Hands Richard Christian Matheson Brothers In Arms With Interview And so much More Rick Hipson is that rare talent who conducts his interviews with sheer professionalism His questions are penetrating original and sometimes surprising His reviews reveal a person who clearly cares about his duty to write with clarity perceptivity and a deep understanding of his subject s place in genre history His ability to recognize such subtleties as style and influences marks him as more than a cut above the usual reviewer Thomas F Monteleone 5 time winner of the Bram Stoker Award *Dark Bites* is a book full of reviews and interviews swimming in the horror culture If you d like to discover a new movie book or find out the thoughts and secrets behind them this is for you Full disclosure I m in it Twice And I m the least interesting person in there LOL Rick has a way of asking questions that dig deeper than other interviewers He does his homework he looks into past projects and makes sure you find out what s coming next This is a collection of reviews and interviews that have appeared in other locations such as the *Dark Bites* website and others but you will also find some new work in here as well Personally after reading one of the reviews I went to find the short film right away Rick is honest and I know immediately if that work he s talking about is for me or not Covering a range of topics if you re into horror and looking for anything ranging from schlocky to serious zombies or psychological Rick Hipson won t steer you wrong Dean Italiano author of *Pain Machine* *The Starving Queen* If you love horror in any capacity I highly recommend this book of interviews and articles that has been lovingly and painstakingly put together by Rick Hipson It s not often that I am asked to review non fiction material but his was well worth my time Full of amazing in depth reviews of books and movies along with interviews with so many well known authors producers actors and directors that I cannot name them all here Candace Nola Uncomfortably Dark **Fear the Fever** Jeff Gelb,Michael Garrett,2011-11-09 *Fear the Fever* the seventh of the provocative *Hot Blood* anthology series is the hottest yet Your blood will boil as you peruse P J Cacek s Bram Stoker award winning story Metalica and Graham Masterton s Stoker nominated story The Secret Shih Tan Emmy and Nebula Award winning writer Alan Brennert brings Fantasies to the *Hot Blood* series while Jack Ketchum and Edward Lee join forces for the unforgettable *Love Letters from the Rain Forest* Lucy Taylor and Bruce Jones are among the other contributors 17
