Captain Jack Crawford Darlis A. Miller, 2012-03-15 Jack Crawford 1847 1917 entertained a generation of Americans and introduced them to their frontier heritage A master storyteller who presented the West as he experienced it he was one of America's most popular performers in the late nineteenth century Dressed in buckskin with a wide brimmed sombrero covering his flowing locks Crawford delivered a frontier monologue and medley that as one New York City journalist reported held his audience spell bound for two hours by a simple narration of his life In this biography Darlis Miller re-creates his experiences as a scout rancher miner reformer husband and father and poet and entertainer to reinterpret the American Dream and the lure of getting rich pursued by many during the Gilded Age

Current Opinion Frank Crane, Edward Jewitt Wheeler, 1923 **The National Union Catalogs, 1963- , 1964** **Sound, Sin, and Conversion in Victorian England**

Julia Grella O'Connell, 2018-04-19 The plight of the fallen woman is one of the salient themes of nineteenth century art and literature indeed the ubiquity of the trope galvanized the Victorian conscience and acted as a spur to social reform In some notable examples Julia Grella O'Connell argues the iconography of the Victorian fallen woman was associated with music reviving an ancient tradition conflating the practice of music with sin and the abandonment of music with holiness The prominence of music symbolism in the socially committed quasi religious paintings of the Pre Raphaelites and their circle and

in the Catholic Wagnerian novels of George Moore gives evidence of the survival of a pictorial language linking music with sin and conversion and shows even more remarkably that this language translated fairly easily into the cultural lexicon of Victorian Britain Drawing upon music iconography art history patristic theology and sensory theory Grella O Connell investigates female fallenness and its implications against the backdrop of the social and religious turbulence of the mid nineteenth century

Confronting Contagion Melvin Santer,2014-09-02 Throughout history humankind's working theories regarding the cause of infectious disease have shifted drastically as cultures developed their philosophic religious and scientific beliefs Plagues that were originally attributed to the wrath of the gods were later described as having nothing to do with the gods though the cause continued to be a mystery As centuries passed medical and religious theorists proposed reasons such as poor air quality or the configuration of the planets as causes for the spread of disease In every instance in order to understand the origin of a disease theory during a specific period of history one must understand that culture's metaphysical beliefs In Confronting Contagion Melvin Santer traces a history of disease theory all the way from Classical antiquity to our modern understanding of viruses Chapters focus on people and places like the Pre Socratic Philosophers Galen and the emergence of Christianity in Rome the Black Death in fourteenth century Europe cholera and puerperal sepsis in the nineteenth century and other periods during which our understanding of the cause of disease was transformed The cause of contagious disease was demonstrated to be a general biological phenomenon there are contagious diseases of plants animals and bacteria with causes identical to causes of human diseases These issues are uniquely included in this book In each case Santer identifies the key thinkers who helped form the working disease theories of the time The book features many excerpts from primary sources from the Hippocratic Corpus to the writings of twentieth century virologists creating an authentic synthesis of the Western world's intellectual and religious attitude toward disease throughout history

A Companion to the Aeneid in Translation: Volume 1 Christopher Tanfield,2025-01-23 With this three volume companion students can access the literary and historical significance of the Aeneid in English through an accessible yet authoritative introduction and line by line commentary Written by a teacher who has taught the Aeneid in both English and Latin for more than twenty years this guide unpicks Virgil's literary techniques structures and historical resonances Volume 1 gives you a broad introduction to the historical and philosophical background of the epic to Virgil's life and works to the central human and divine characters met in the poem to how the epic reflects Roman society and its values to Virgil's literary allusions and stylistic techniques and to the reception and translation of the epic in later periods This book also features maps and a family tree so you can trace the travels and lineage of the characters and grasp the geography of the Aeneid's Italy Plus the general index to the companion is a valuable reference tool It can be used with any edition of the Aeneid in Latin or English as entries

are pegged to line numbers Volumes 2 and 3 present a line by line commentary on the poem with tables and box features illustrating key narrative arcs and structural patterns **Under the Banner of Heaven** Jon Krakauer, 2004-06-08
NATIONAL BESTSELLER From the author of *Into the Wild* and *Into Thin Air* this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities Now an acclaimed FX limited series streaming on HULU Fantastic Right up there with *In Cold Blood* and *The Executioner's Song* San Francisco Chronicle
Defying both civil authorities and the Mormon establishment in Salt Lake City the renegade leaders of these Taliban like theocracies are zealots who answer only to God some 40 000 people still practice polygamy in these communities At the core of Krakauer's book are brothers Ron and Dan Lafferty who insist they received a commandment from God to kill a blameless woman and her baby girl Beginning with a meticulously researched account of this appalling double murder Krakauer constructs a multi layered bone chilling narrative of messianic delusion polygamy savage violence and unyielding faith Along the way he uncovers a shadowy offshoot of America's fastest growing religion and raises provocative questions about the nature of religious belief The United States Catalog ,1904 **Books in Series** ,1985 Vols for 1980 issued in three parts
