

Me & My Community

Living in Community Unit
Grades 3-5

Lesson Plan 4: Family Relationships

Family and friendships are both very important parts of life. In this lesson students will focus on the importance of family relationships, discuss what they appreciate about their family, and learn how family relationships differ from friendships.

Purpose	To teach students the difference between friends and family and the importance of family relationships.		
Learning Outcomes	It is expected that students will: <ul style="list-style-type: none">• Recognize that not all families look the same.• Identify the differences between people we call family and people we call friends.• Demonstrate an understanding of the importance of having people in our lives that we call family.
