Mota Land Kese Hota Hai:

Big, Hot, Cheap, and Right Erica Grieder, 2014-04-22 Erica Grieder's Texas is a state that is not only an outlier but an exaggeration of some of America's most striking virtues and flaws. *Big Hot Cheap and Right* is a witty enlightening inquiry into how Texas works and why in the future the rest of America may look a lot like Texas. Is Luck Big or Karma in the Scheme of the Law? / ??? ? ???? ? ???? ? ? ???? S. Prakash / ?? . ?????, 2024-08-14 In the scheme of law is fate bigger or karma. Is fate predetermined by the bondage of karma of debts of past lives. Can fate be changed by karma of Vastu and other remedies. The author has tried to explain this through mythological stories. Cause and effect shows how different events depend on each other with the help of the universe so everything in your life happens for some reason which means that the universe has already planned a law for you which we also call Moh Maya and by getting stuck in it you are always bound or compelled to do your karma. This book is an attempt to explain fate vs karma through stories and legends of the Puranas which tells that the karma and curses of past lives manifest in the present life in the form of destiny which keeps us bound in the cycle of karmic bondage and to break it we try to do any modern remedy like Vastu changing name chanting mantras or any other kind. What do we learn from mythological stories as far as remedies like Vastu name changing etc are concerned whether they work or not in changing our destiny and how can we understand the purpose of our birth. The author has tried to explain this concept through the spiritual aspect of the stories of Ramayana Mahabharata and Puranas. This book is for all age groups as it is not an astrology book. Through the stories the author has put forth his thoughts on karma and destiny. The author's effort through this book is to make all of you make your lives meaningful. The author's aim is not to force anyone to follow the author's research nor does the author's aim to hurt anyone's personal feelings. Readers are requested to analyse their lives from all possible angles so please do not reach any conclusion by reading a statement instead use your inner guidance and intuition and follow what you feel is right for you.
