**Grief and Loss Across the Lifespan, Second Edition** Carolyn Ambler Walter, Judith L. M. McCoyd, 2015-09-11 Praise for the First Edition This book represents a significant advance because it looks at the issues from a bio psychosocial perspective To a social worker who has worked mainly in a medical and nursing environment this is a great step forward Bereavement Care Offers valued sensitivities knowledge and insights and most importantly age appropriate interventions for a range of significant losses Counselors will want to keep this indispensable work close at hand

Kenneth J Doka PhD Author Counseling Individuals With Life Threatening Illness This unique text for undergraduate and master s level social work and counseling courses on loss grief and bereavement is distinguished by its biopsychosocial perspective and developmental framework The book addresses grieving patterns and intervention strategies according to the life trajectory and provides clinical intervention tools and strategies for coping according to the developmental stage of an individual It incorporates losses beyond death loss with special focus on losses related to maturational development The second edition reflects new research that has clarified and underscored the value of theories examined in the first edition particularly in the areas of continued bonds disenfranchised grief and ambiguous grief It describes how grieving is influenced by biological responses to stress psychological responses to loss and social norms and support networks The second edition includes significant new information on trauma and resilience and addresses the use of mindfulness practices with grief and loss It focuses on the changing role of technology including expressions of grief and loss in social media and public forums Updated information is provided regarding hospice and palliative care along with housing issues in aging A completely new chapter examines grief and loss counseling with emerging adults and changes in the DSM 5 are covered as well Additional new features include chapter objectives discussion questions an instructor s manual PowerPoint slides and updated resources

New to the Second Edition New information on trauma and resilience Using mindfulness practices with grief and loss Updated theory and empirical findings The changing role of technology in grief Expressions of grief and loss in social media and public forums Transitions due to economic and health changes Changes in the DSM 5 New chapter on emerging adults ages 18 25 Instructor s manual and PowerPoint slides New information on hospice palliative care and aging Housing issues in aging disability New information on issues facing young and older US veterans and families Updated resources Chapter objectives and discussion questions

**Key Features** Uses a developmental framework for grief and loss Incorporates notions of loss beyond death including unique maturational losses Integrates new grief theories with empirical findings and intervention techniques Utilizes neurobiological and biological information within a counseling text Focuses on non pathologizing approaches to sadness loss and grief

**Matricentric Feminism: Theory, Activism, Practice. The 2nd Edition** Andrea O'Reilly, 2021-04-04 The 2nd edition includes a new preface that considers how matricentric feminism in

positioning mothering as a verb affords a gender neutral understanding of motherwork and allows for an appreciation of how motherwork is deeply gendered and how this may be challenged and changed through empowered mothering The book argues that the category of mother is distinct from the category of woman and that many of the problems mothers face are specific to women's role and identity as mothers Indeed mothers are oppressed under patriarchy as women and as mothers Consequently mothers need a feminism of their own one that positions mothers concerns as the starting point for a theory and politic of empowerment O'Reilly terms this new mode of feminism matricentric feminism and the book explores how it is represented and experienced in theory activism and practice *A Road Too Short for the Long Journey* Quentin P.

Kinnison, 2019-02-04 The inevitability of death in our broken world means that grief and mourning are a normal part of the human experience Too often though this normal journey of grief is cut short by a culture intent on pretending bad things don't really happen In *A Road Too Short for the Long Journey* readers are invited to consider how we might travel this road of mourning with those who grieve and how we might join them as partners in a reorientation of the world experienced through loss

**Motherless Daughters (20th Anniversary Edition)** Hope Edelman, 2014-04-08 The classic New York Times bestseller that has helped millions of women cope with and heal from the grief of losing their mothers Although a mother's mortality is inevitable no book has discussed the profound lasting and far reaching effects of this loss until *Motherless Daughters* which became an instant classic More than twenty years later it is still the go to book that women of all ages look to for comfort help and understanding when their mother dies Building on interviews with hundreds of mother loss survivors Edelman's personal story of losing her mother and recent research in grief and psychology *Motherless Daughters* reveals the shared experiences and core identity issues of motherless women Why the absence of a nurturing hand shapes a woman's identity throughout her lifespan How present day relationships are defined by past losses How a woman can resolve past conflicts and move toward acceptance and healing Why grief really is not a linear passage but an ongoing cyclical journey How the legacy of mother loss shifts with the passage of time **Encyclopedia of Motherhood** Andrea O'Reilly, 2010-04-06

In the last decade the topic of motherhood has emerged as a distinct and established field of scholarly inquiry A cursory review of motherhood research reveals that hundreds of scholarly articles have been published on almost every motherhood theme imaginable The *Encyclopedia of Motherhood* is a collection of approximately 700 articles in a three volume A to Z set exploring major topics related to motherhood from geographical historical and cultural entries to anthropological and psychological contributions In human society few institutions are as important as motherhood and this unique encyclopedia captures the interdisciplinary foundation of the subject in one convenient reference The *Encyclopedia* is a comprehensive resource designed to provide an understanding of the complexities of motherhood for academic and public libraries and is written by academics and institutional experts in the social and behavioural sciences **Ink-stained Amazons and**

Black Womanist Leadership Toni C. King, S. Alease Ferguson, 2011-06-01 Featuring the stories of fourteen Black women scholars Black Womanist Leadership Tracing the Motherline offers a culturally based model of Black women's leadership practices and examines the mother daughter transmission of these skills The personal narratives fit into a storytelling tradition that reveals the ways Black mothers and women of the community the Motherline teach girls the ways women lead The essays present a range of different practical and theoretical issues of leadership and development including mother nurture emulation of and divergence from core values internalized oppression self determination representation of the physical self guardianship governance of the body cooperative economics activism contentiousness with or differentiation from the mother and negotiation of leadership across public and private spheres Together they make a compelling argument for the necessity of continuing to teach the cultural and gender specific resistance to oppression that has been passed along the Motherline and to adapt this Motherline tradition to the lives and needs of women and girls in the 21st century

On My Own Florence Falk, 2008-03-25 At some point over the course of the average American woman's life she will find herself alone whether she is divorced widowed single or in a loveless isolating relationship And when that time comes it is likely that she will be at a loss as to how to handle it As a society we have an unspoken but omnipresent belief that a woman alone is an outcast inherently flawed in some way In this invigorating

supportive book psychotherapist Florence Falk aims to take the fear doubt confusion and helplessness out of being a woman alone Falk invites all women to find their own paths toward an authentic selfhood to discover the pleasures and riches of solitude and to reconnect with others through a newfound sense of self confidence Like so many women before her Florence Falk found herself divorced alone and unsure of herself Soon she realized that by embracing her solitude for what it was a potentially enriching and life altering experience she could turn what once would have felt like loneliness into a far more positive and empowered aloneness Falk notes that each of us has two opposing drives one causes us to yearn to make close connections with others and the other pulls us back into ourselves into the need for selfhood and certainty that can only be shaped through solitude In order to be whole she says we must heed both of those impulses But in our modern culture the former is stressed while the latter is neglected even vilified On My Own boldly shifts that paradigm With inspiring intimate stories of women from all backgrounds Falk illuminates the essential role that being alone plays in women s lives Whether she is in a stable relationship or on her own every woman must learn to be by herself for if she can be fully free unfettered by society s stigmas about being alone life and all its possibilities will open up for her And as Falk demonstrates once a woman has discovered the richness of solitude she is not likely to give it up so easily **Celebrating the Wounded Healer**

**Psychotherapist** Sharon Klayman Farber,2016-10-04 Why would someone decide to become a psychotherapist It is well known within the field that psychoanalysts and psychotherapists are often drawn to their future professions as a result of early traumatic experiences and being helped by their own psychoanalytic treatment While dedicating their lives to relieving emotional suffering without being judgmental they fear compromising their reputations if they publicly acknowledge such suffering in themselves This phenomenon is nearly universal among those in the helping professions yet there are few books dedicated to the issue In this innovative book Farber and a distinguished range of contributors examine how the role of the wounded healer was instrumental in the formulation of psychoanalysis and how using their own woundedness can help clinicians work more effectively with their patients and advance theory in a more informed manner **Celebrating the Wounded Healer** Psychotherapist will be of interest to psychoanalysts and psychoanalytic psychotherapists graduate students in clinical disciplines including psychology social work ministry chaplaincy and nursing as well as the general public

**Mother Outlaws** Andrea O'Reilly,2004-05-13 Feminist scholars of motherhood distinguish between mothering and motherhood and argue that the latter is a patriarchal institution that is oppressive to women Few scholars however have considered how mothering as a female defined and centred experience may be a site of empowerment for women This collection is the first to do so **Mother Outlaws** examines how mothers imagine and implement theories and practices of

mothering that are empowering to women Central to this inquiry is the recognition that mothers and children benefit when the mother lives her life and practices mothering from a position of agency authority authenticity and autonomy **Killing Men & Dying Women** Griselda Pollock, 2022-07-05 What did it mean for painter Lee Krasner to be an artist and a woman if in the culture of 1950s New York to be an artist was to be Jackson Pollock and to be a woman was to be Marilyn Monroe With this question Griselda Pollock begins a transdisciplinary journey across the gendered aesthetics and the politics of difference in New York abstract gestural painting Revisiting recent exhibitions of Abstract Expressionism that either marginalised the artist women in the movement or focused solely on the excluded women as well as exhibitions of women in abstraction Pollock reveals how theories of embodiment the gesture hysteria and subjectivity can deepen our understanding of this moment in the history of painting co created by women and men Providing close readings of key paintings by Lee Krasner and re thinking her own historic examination of images of Jackson Pollock and Helen Frankenthaler at work Pollock builds a cultural bridge between the New York artist women and their other Marilyn Monroe a creative actor whose physically anguished but sexually appropriated star body is presented as pathos formula of life energy Monroe emerges as a haunting presence within this moment of New York modernism eroding the policed boundaries between high and popular culture and explaining what we gain by re thinking art with the richness of feminist thought Clinical Fictions Jeffrey

Berman, 2025-07-14 Clinical Fictions Psychoanalytic Novelists and Short Story Writers is the first book to explore works of fiction written by prominent psychoanalysts Broken down into thematic sections the book traces the literary output of pioneering psychoanalysts such as Julia Kristeva Bruce Fink Thomas Odgen and Gregorio Kohon among others Berman looks at works of historical fiction detective fiction and the short story and shows how recurring themes typical of these genres can be understood both psychoanalytically and through a literary lens The works included investigate experiences of childhood adversity life in dystopian societies experiences of psychosis bodily autonomy personal loss and above all trauma Unpacking these themes and their depiction through fiction Berman gives the reader the tools to apply psychoanalytic literary theory to further works Interweaving his personal correspondence with authors including a heartwarming exchange with Cliff Wilkerson Berman offers unparalleled access to the inner workings of the writers minds This book will be of interest to students and researchers using psychoanalytic literary theory as well as mental health practitioners who are interested in the intersections between literature and psychoanalysis and discovering new ways of probing the unspoken and unconscious

*Abuse of Older Men* Jordan I. Kosberg, 2014-01-02 Learn the causes of and consequences from elder abuse of men For the most part often only women are considered the victims of elder abuse However men are also subject to this disturbing social problem Abuse of Older Men examines the diverse aspects of this surprisingly widespread issue that includes sexual abuse abuse by intimates and benign neglect in the health care field as well as effective treatment strategies This unique resource provides the latest research and crucial discussions of why the problem is often invisible under studied and under treated

Detailed explorations include risk assessment differential detection of abuse of one gender over the other the risk of abandonment economic exploitation and the issues of older men who had been abused in childhood In the past elder abuse literature has quite correctly mainly focused on the abuse of women who represent the majority of older persons Abuse of Older Men expands the discussion of this distressing social challenge to include the other gender reviewing the different types of abuse and the reasons why it is not readily apparent in today's society This compelling text examines in detail the causes and consequences of elder abuse of men The under reporting of abuse is addressed along with suggestions on ways to better approach various problems This insightful resource is extensively referenced and provides tables to clearly present data Issues discussed in Abuse of Older Men include intimate partner abuse perpetrated against older men sexual abuse of older men in nursing homes the impact of gender on the reporting of elder abuse neglectful aspects of osteoporosis in older men past relationships that increase the risk of the neglect of older fathers news accounts that report the frequency and types of abuse against men identifying and treating victims societal forces that affect older men's risk of mistreatment recommendations for structuring services to better meet victim's needs the social construction of manhood as an important factor in understanding the abuse of older men Abuse of Older Men provides crucial information practitioners educators researchers and students in social work nursing medicine law gerontology adult protective services criminal justice sociology psychology domestic violence counseling ethics public policy and aging networks
