Psychoanalysis and Other Matters Judith Edwards, 2019-07-05 Can we stand inside new thoughts rather than outside looking at a closed box This innovative and interdisciplinary collection aims to answer this question by broadening the way we look at and work with psychoanalytic ideas By examining these ideas through the lenses of other disciplines the contributors reveal what can be found when boundaries are breached and bridges are built in psychoanalytical thought Judith Edwards here calls upon international analysts psychotherapists and other professionals to explore the concepts of inside and outside in psychoanalysis boldly challenging existing boundaries In this unique and ground-breaking collection chapters are written by a mathematics professor a sculptor film makers anthropologists from Australia and Canada an Ofsted inspector a neuroscientist and two Chinese psychotherapists The book emphasises the importance of listening across disciplinary lines and crossing frontiers within psychoanalysis itself by integrating psychoanalytic elements with poetry music literature quantum physics cultural studies and education Edwards presents this original and global research with authority showing us how these fields intersect and produce new understandings in us all that allow us to grow and benefit from new perspectives This collection is unlike no other in its interdisciplinary and international approach It will be an essential tool for all psychoanalysts including those in training as well as psychotherapists and psychotherapeutically engaged scholars It will also be of immense interest to academics and students of interdisciplinary studies psychosocial studies cultural studies and film studies

On Soul and Earth Elena Liotta, 2013-12-16 *On Soul and Earth* offers an original perspective on the

relationship between the environment and the human psyche Physical spaces contribute to the building of identity through personal experience and memory Places evoke emotions and carry their own special meanings Elena Liotta and her contributors also explore the neglected topics of migration and travel The author has extensive clinical experience of working with patients from a wide variety of national and cultural backgrounds Globalization is present in the clinical office as well as in the wider world and the transformations currently being wrought in the areas of cultural and national identity also impact on clinical work This book will be of interest to Jungian analysts as well as psychotherapists and mental health professionals especially those who are addressing transcultural and multicultural issues including voluntary or enforced migration It will also appeal to urban planners architects and those interested in environmental issues **Dark Enchantment** Anya

Bast,2011-04-05 View our feature on Anya Bast's *Dark Enchantment* Seduced in a dream by a handsome rugged man Charlotte Bennett decides to let pleasure and desire lead the way only to discover her safe night of passion has dangerous repercussions Parental Psychiatric Disorder Michael Göpfert,Jeni Webster,Mary V. Seeman,2004-05-13 A unique and

innovative approach to family issues in psychiatric disorders The authors tackle a broad range of complex issues that are rarely covered in the depth or with the expertise that this volume brings This book is a major contribution to the field and provides the kind of international perspective that enhances our understanding of the complex dimensions of psychiatric disorders from a multigenerational and cross cultural perspective From a review of the first edition by Carol Nadelson Professor of Psychiatry Harvard Medical School It is indisputable that mental illness in a parent has serious and often adverse effects on the child something which is surprisingly unreflected in clinical service provision In this completely rewritten second edition an international multidisciplinary team of professionals review the most up to date treatment interventions from a practical clinical point of view It is essential reading for all professionals dealing with adult mental illness and child care The Silent Child Jeanne Magagna,2018-05-08 This book arose out of the need to work with emotionally regressed non talking children who entered hospital in full retreat from the external world It helps parents and professionals compassionately comprehend the child's difficulties in depending on someone to receive communication
