Non Serviam La Cueva Del Diablo:

Non Serviam. La Cueva del Diablo Carmen Cervera, 2012-10-26 La Cueva del Diablo es la primera entrega de la Saga Non Serviam y también la primera novela de la periodista y escritora mallorquina Carmen Cervera Tort. Una primera obra en la que fantasía y realidad se dan la mano para crear un universo fascinante que con más de un millar de copias vendidas en los primeros seis meses desde su publicación en kindle y papel ya ha atrapado a cientos de lectores. Sumérgete en una historia apasionante. Leyenda y realidad se combinan con maestría en La Cueva del Diablo para dar vida a los viejos mitos y formar un universo apasionante que analiza lo mejor del misterio, la fantasía, el romance y el suspense y que ya ha conquistado a cientos de lectores. El romance, las leyendas y la belleza arquitectónica se ven mezcladas para dar vida a un mundo lleno de sucesos fantásticos pero que el lector logra sentir reales. [Aigle Dynamique aigledynamique.blogspot.com](#) es Non Serviam como les decimos acerca de misterio, ngeles y demonios. [Engloba as mismo mitología e historia un c tcl potente que se digiere muy rpidamente y te deja con ganas de mas.](#) [Nyra escribiendo nyraescribiendo.blogspot.com](#) es Una novela diferente que te cautiva. Los viejos mitos se reinventan en La Cueva del Diablo creando una historia en la que mitología y realidad se combinan a la perfección. Con la ciudad de Salamanca como escenario, esta historia de misterio y amor plantea desde el género fantástico algunas de las preguntas que siempre han inquietado a la humanidad: ¿Existe Dios? ¿Qué hay después de la muerte? ¿Qué son el bien y el mal en realidad? Con un estilo muy personal y una trama que mantiene el suspense hasta sus últimas páginas, la autora consigue intrigar al lector desde el primer capítulo y acompañarlo con habilidad a lo largo de los consecuentes y bien pensados giros argumentales. Una historia distinta que gusta precisamente por esa nueva concepción de ngeles y demonios pero también por las reflexiones teológicas que conlleva. [Serendipia serendipia.monica.blogspot.com](#) Como no podía ser de otra forma, donde están los demonios no podían faltar los ngeles; con algunos de ellos simpatizaremos más que con otros, pero también ellos tienen su personalidad muy alejada de las criaturas sin sentimientos que nos pintan otras obras. Muy bien por la autora. [Shaka lectora laslecturasdeshaka.blogspot.com](#) es Sinopsis. La ciudad de Salamanca es el escenario de esta historia de misterio, amor y fantasía en la que se entremezclan mitología, leyendas y realidad para formar una trama apasionante y cautivadora que atrapa al lector desde el primer momento. La antropóloga Luz Martín recibe la inesperada invitación de su colega y amigo Alfonso Vázquez para participar en una investigación sobre una cripta hallada bajo la Casa de las Muertes. Un proyecto que se presenta ante ella como una oportunidad para rehacer su vida destrozada tras la muerte de su marido que provocar que todo su mundo se tambalee bajo sus pies. La curiosidad de Luz la empuja a indagar sobre una línea de investigación vetada por la propia Universidad y llegar a conclusiones que nunca antes hubiera creído posibles, poniendo en duda desde sus creencias hasta sus propios sentimientos. Escepticismo y Fe, dos mundos enfrentados que se entrelazan de manera vibrante en una historia de soberbia, amor, intriga, luchas y mitología en la que nada ni nadie es lo que parece. Personajes reales y sobrenaturales se unen para formar un relato que lleva al lector a replantearse los conceptos del bien y
