North South Korean Political Systems:

The North And South Korean Political Systems Sung Chul Yang, 2019-09-12 A comparative look at North and South Korea's political and economic institutions and processes and an examination of their evolution since 1945 Problems such as leadership succession democratization nuclear weapons education and reunification are explored **Comparative Political Systems** Charles F. Andrain, 1994 This book focuses on the economic changes produced by different political systems and on the social impact of regime transformations It addresses several key policy issues How does the policy process operate in various types of political systems What impact do public policies and policy outcomes wield on transformations in a political system How does public policy preference in different political systems affect democracy capitalism and socialism **The North And South Korean Political Systems** Sung Chul Yang, 1994-07-17 Unlike the situation in other countries dichotomies between the two Koreas arise not from different cultural and ethnic backgrounds but from their diametrically opposed political and economic systems offering an unmatched real world case for comparative study In this comprehensive volume the author utilizes systematic and comparative perspectives to analyze North and South Korean political and economic institutions and processes and to examine their evolution since 1945 The book opens with a description of the political heritage that led to the emergence of the two separate regimes The author considers the development of opposing totalitarian and democratizing political orders He then surveys the differences between the economic systems strategies and policies of North and South Korea evaluating their performance for the last five decades The author also considers such long standing problems as leadership succession democratization and liberalization nuclear weapons and the continuing arms race and contending approaches to education and reunification **Understanding Korean Politics** Soong Hoom Kil, Chung-in Moon, 2010-03-10 Essential reading for anyone interested in contemporary Korea and East Asia this book provides a comprehensive and balanced introduction to contemporary Korean politics It explicates the great changes in South Korea which has gone from being one of the poorest nations to a proud member of the Organization for Economic Development and Cooperation while making the transition to democracy The work focuses on the geopolitical and cultural setting historical evolution institutional foundation dynamics of political leadership and political and administrative processes of Korean politics It also features chapters on political determinants of the rise and decline of the Korean economy foreign and unification policy of South Korea and political development and decay in North Korea **The Two Koreas and the United States** Wonmo Dong, 2016-07-08 As Korea enters a hopeful new chapter in its history this timely book with contributions by distinguished experts in the field addresses the fragility of the political economic and military balance within the two Koreas and in Northeast Asia It provides in depth analysis of the principal factors that gave rise to the persisting Cold War on the Korean peninsula and successfully unravels many aspects of the complicated domestic and economic dynamics of the two Koreas the patterns of relationship between the two rival states as well as their changing relationships with the United States

and other major powers **Encyclopedia of World Political Systems** J. Denis Derbyshire, Ian Derbyshire, 2016-04-15 This comprehensive resource provides up to date political coverage of every country and political entity in the world today It incorporates all the major global and regional changes following the decolonization of Hong Kong in 1997 recent leadership changes in China and Russia the results of the Dayton Peace Accord the rise of the New Labor Party in the UK the 1999 elections in Israel and South Africa and the continued search for peace in the Middle East and Northern Ireland The economic crisis in Asia and the widespread growth of world nuclear powers are also covered *The Transformation of South Korea* Robert Bedeski, 2002-11 A thorough analysis of the institutions of government in South Korea their transformation by the introduction of political pluralism and the impact of that on the country's economy **Towards Korean Reconciliation** Gabriel Jonsson, 2017-11-30 Despite historic summits and spectacular acts of reconciliation between the rival neighbours promises of improved cross border relations between North and South Korea have been slow to materialize In this insightful book Gabriel Jonsson examines the impact that increased levels of socio cultural contact has had on inter Korean relations the concrete results that have been achieved and how such contact has contributed to closer relations and offers the prospect of reconciliation With reference to lessons from the German and Yemeni unification the book examines the development of inter Korean relations and presents a fascinating view of South Korean perceptions of their neighbours The book also details the wider political sphere of influence with an analysis of the positions of the United States Japan China and Russia on Korean unity Based primarily on Korean language sources this volume provides completely unique perspectives on Korean unity Political Systems of East Asia Louis D Hayes, 2014-12-18 This innovative interdisciplinary introduction to East Asian politics uses a thematic approach to describe the political development of China Japan and Korea since the mid nineteenth century and analyze the social cultural political and economic features of each country Unlike standard comparative politics texts which often lack a unifying theme and employ Western conventions of the state *Political Systems of East Asia* avoids these limitations and identifies a common thread running through the histories of China Korea and Japan This common thread is Confucianism which has shaped East Asian perspectives of the universe and how it operates The text describes and explains the ways in which each country has employed this shared tradition and how it has affected the country's internal dynamics responses to the outside world and its own political development South Korea's 70-Year Endeavor for Foreign Policy, National Defense, and Unification Sung-Wook Nam, Sang-Woo Rhee, Myongsob Kim, Young-Ho Kim, Yong-Sub Han, Young-Soon Chung, Seong-Ok Yoo, 2018-10-16 This book brings Korea's finest foreign policy minds together in contemplating the risks and rewards of finally ending the 70 year stalemate between North and South Korea through reunification While North Korea is in conflict with the United States over denuclearization and regime security the South Korean government is focusing on economic development preparing for the day when the two Koreas are unified This book will help scholars activists and policy makers from all over the world systematically understand the current

diplomatic and security issues in the Korean peninsula *Korea Briefing* Kongdan Oh, Ralph C. Hassig, 2016-09-16 This new edition of *Korea Briefing* provides a timely analysis of the evolving relationship between South and North Korea In June 2000 after years of ignoring the South Korean government the North Korean leader Kim Jong II finally agreed to a summit meeting with South Korea's President Kim Dae Jung As a sign of reconciliation the summit meeting has prompted Korea and its neighbors to rethink the assumptions of the Cold War era With contributions by a multi national panel of Korean experts the book discusses a wide range of topics including South Korean politics and economy Korea's relations with its neighbors and with the United States recent changes in North Korea the fate of North Korean defectors and lessons in German reunification for the two Koreas The discussions are supplemented by a glossary a chronology of events occurring from June 1999 to June 2001 and a bibliography **Korea and the United Nations** Chi Young Pak, 2000-06-07 This book deals with the political and legal issues of the Korean question in the United Nations This is the first in depth analysis of the meaning and effects of the Korean problem in UN politics The book discusses the UN's role in the management of the Korean problem the effects of the Korean war South North Korea's rivalry over the issues of their legitimacy and international representation the problems of the Korean armistice agreement and prospects for the four party peace talks It also examines North Korea's nuclear program and structural famine as the new concerns of the international community in the post Cold War era This study is intended as one of the important readings for researchers scholars and students in the fields of international law international organizations and international relations **The U.S.-South Korean Alliance** Doug Bandow, Ted Galen Carpenter, 1992-01-01 The inconclusive outcome of the Korean War left a peninsula divided between two nations engaged in a deadly cold war An important aspect of the continuing hostilities was America's security guarantee to South Korea Despite enormous geopolitical changes brought by the accelerating collapse of communism the United States has a standing pledge to go to war if necessary to thwart a North Korean attack This volume assesses the current and future viability of the U S South Korean alliance from military political and economic perspectives **Korea in the 1990s** Bernd Weiler, Steven Mosher, 2023-09-08 In American history the 1950s are remembered as an affluent and harmonious decade Not so in Austria That nation emerged out of World War II with tremendous war related destruction and with a four power occupation that would last for ten years until 1955 Massive American economic aid enabled the Austrian economy to start recovering in the 1950s and reorient it from East to West Unlike the United States however general affluence did not set in until the 1960s and 1970s even though Austria's dramatic baby boom enabled it to recover from the demographic catastrophe resulting from manpower losses of World War II This volume deals with these larger trends Stephen E Ambrose discusses American European relations and sets the larger international context for the Austrian scene Oilver Rathkolb retraces the changing importance of the Austrian question for the Eisenhower administration Michael Gehler presents an in depth analysis of the intriguing question of whether Austria's unification at the price of permanent neutrality might have been a model for

Germany Franz Mathis and Kurt Tweraser look at economic reconstruction and the roles played by both the Austrian public industrial sector and the American Marshall Plan Karin Schmidlechner looks at the youth culture of the era Franz Adlgasser shows how Herbert Hoover's food aid was instrumental in the containment of communism in Hungary Beth Noveck analyzes Austrian political culture of the First Republic from the perspective of Hugo Bettauer Rolf Steininger presents an insightful historical overview of how the Austro-Italian South Tyrol conflict was resolved after seventy-five years of tension
