Not In The Heavens The Tradition Of Jewish Secular Thought

Adam Zachary Newton

Not In The Heavens The Tradition Of Jewish Secular Thought:

Not in the Heavens David Biale, 2015-10-27 The story of the origins and development of a Jewish form of secularism Not in the Heavens traces the rise of Jewish secularism through the visionary writers and thinkers who led its development Spanning the rich history of Judaism from the Bible to today David Biale shows how the secular tradition these visionaries created is a uniquely Jewish one and how the emergence of Jewish secularism was not merely a response to modernity but arose from forces long at play within Judaism itself Biale explores how ancient Hebrew books like Job Song of Songs and Esther downplay or even exclude God altogether and how Spinoza inspired by medieval Jewish philosophy recast the biblical God in the role of nature and stripped the Torah of its revelatory status to instead read scripture as a historical and cultural text Biale examines the influential Jewish thinkers who followed in Spinoza's secularizing footsteps such as Salomon Maimon Heinrich Heine Sigmund Freud and Albert Einstein He tells the stories of those who also took their cues from medieval Jewish mysticism in their revolts against tradition including Hayim Nahman Bialik Gershom Scholem and Franz Kafka And he looks at Zionists like David Ben Gurion and other secular political thinkers who recast Israel and the Bible in modern terms of race nationalism and the state Not in the Heavens demonstrates how these many Jewish paths to secularism were dependent in complex and paradoxical ways on the very religious traditions they were rejecting and examines the legacy and meaning of Jewish secularism today

Not in the Heavens David Biale, 2010-10-18 The story of the origins and development of a Jewish form of secularism Not in the Heavens traces the rise of Jewish secularism through the visionary writers and thinkers who led its development Spanning the rich history of Judaism from the Bible to today David Biale shows how the secular tradition these visionaries created is a uniquely Jewish one and how the emergence of Jewish secularism was not merely a response to modernity but arose from forces long at play within Judaism itself Biale explores how ancient Hebrew books like Job Song of Songs and Esther downplay or even exclude God altogether and how Spinoza inspired by medieval Jewish philosophy recast the biblical God in the role of nature and stripped the Torah of its revelatory status to instead read scripture as a historical and cultural text Biale examines the influential Jewish thinkers who followed in Spinoza's secularizing footsteps such as Salomon Maimon Heinrich Heine Sigmund Freud and Albert Einstein He tells the stories of those who also took their cues from medieval Jewish mysticism in their revolts against tradition including Hayim Nahman Bialik Gershom Scholem and Franz Kafka And he looks at Zionists like David Ben Gurion and other secular political thinkers who recast Israel and the Bible in modern terms of race nationalism and the state Not in the Heavens demonstrates how these many Jewish paths to secularism were dependent in complex and paradoxical ways on the very religious traditions they were rejecting and examines the legacy and meaning of Jewish secularism today

Mapping the Academic Debate Johannes Duschka, Christoph Kleine, Monika Wohlrab-Sahr, Florian Zemmin, 2024-12-16 This volume maps the international academic debate on secularity It places seminal contributions from within Western academia alongside less well known texts

from various parts of the world in several cases this is the first time that they have been translated into English The volume demonstrates that the academic debate on secularity was and is a global debate with contributions from many regions The collected texts relate to each other either directly or indirectly by referring to similar arguments whether reinforcing or criticising them and thus create a discourse When speaking of global secularity we therefore do not insinuate a uniform world secularity resulting from the alleged global diffusion of Western norms ideas and concepts It is rather a web of relations that is constituted via various different references These references are not evenly distributed the development in the West is often the point of reference to which positions from other regions relate to which they connect or from which they distance themselves But the references are not completely unidirectional We also present texts from Europe that underline the multidirectionality of the process even early on Thereby the volume offers the reader the material with which to trace these global exchanges and references *The Routledge Handbook of Contemporary Jewish Cultures* Nadia

Valman, Laurence Roth, 2017-07-14 The Routledge Handbook to Contemporary Jewish Cultures explores the diversity of Jewish cultures and ways of investigating them presenting the different methodologies arguments and challenges within the discipline Divided into themed sections this book considers in turn How the individual terms Jewish and culture are defined looking at perspectives from Anthropology Music Literary Studies Sociology Religious Studies History Art History and Film Television and New Media Studies How Jewish cultures are theorized looking at key themes regarding power textuality religion secularity memory bodies space and place and networks Case studies in contemporary Jewish cultures With essays by leading scholars in Jewish culture this book offers a clear overview of the field and offers exciting new directions for the future *Like a Dark Rabbi* Norman Finkelstein, 2019-09-15 Wallace Stevens dark rabbi from his poem Le Monocle de Mon Oncle provides a title for this collection of essays on the lordly study of modern Jewish poetry in English Including chapters on such poets as Charles Reznikoff Allen Grossman Chana Bloch and Michael Heller this volume explores the tensions between religious and secular worldviews in recent Jewish poetry the often conflicted linguistic and cultural matrix from which this poetry arises and the complicated ways in which Jewish tradition shapes the sensibilities of not only Jewish but also non Jewish poets Finkelstein described as one of American poetry's indispensable makers Lawrence Joseph whose previous critical work has been called the exemplary study of the religious aspect of the works of contemporary American poets Peter O Leary considers large literary and cultural trends while never losing sight of the particular formal powers of individual poems In *Like a Dark Rabbi* he offers a passionate argument for the importance of Jewish American poetry to modern Jewish culture and to American poetry as it engages with the contradictions of contemporary life *The Wondering Jew* Micah Goodman, 2020-11-10 A celebrated Israeli author explores the roots of the divide between religion and secularism in Israel today and offers a path to bridging the divide A thoughtful social political and philosophical examination of Judaism A cogent consideration of the place of religion in the modern world Kirkus Reviews Zionism began as a movement full of

contradictions between a pull to the past and a desire to forge a new future Israel has become a place of fragmentation between those who sanctify religious tradition and those who wish to escape its grasp Now a new middle ground is emerging between religious and secular Jews who want to engage with their heritage without being restricted by it or losing it completely In this incisive book acclaimed author Micah Goodman explores Israeli Judaism and the conflict between religion and secularism one of the major causes of political polarization throughout the world Revisiting traditional religious sources and seminal works of secularism he reveals that each contains an openness to learn from the other s messages Goodman challenges both orthodoxies proposing a new approach to bridge the divide between religion and secularism and pave a path toward healing a society torn asunder by extremism

Children and Yiddish Literature From Early Modernity to Post-Modernity Gennady Estraiakh, Kerstin Hoge, Krutikov Mikhail, 2016-05-20 Children have occupied a prominent place in Yiddish literature since early modern times but children s literature as a genre has its beginnings in the early 20th century Its emergence reflected the desire of Jewish intellectuals to introduce modern forms of education and promote ideological agendas both in Eastern Europe and in immigrant communities elsewhere Before the Second World War a number of publishing houses and periodicals in Europe and the Americas specialized in stories novels and poems for various age groups Prominent authors such as Yankev Glatshteyn Der Nister Joseph Opatoshu Leyb Kvitko made original contributions to the genre while artists such as Marc Chagall El Lissitzky and Yisakhar Ber Rybak also took an active part In the Soviet Union meanwhile children s literature provided an opportunity to escape strong ideological pressure Yiddish children s literature is still being produced today both for secular and strongly Orthodox communities This volume is a pioneering collective study not only of children s literature but of the role played by children in literature

The First Modern Jew Daniel B. Schwartz, 2013-12-01 Pioneering biblical critic theorist of democracy and legendary conflater of God and nature Jewish philosopher Baruch Spinoza 1632 1677 was excommunicated by the Sephardic Jews of Amsterdam in 1656 for his horrible heresies and monstrous deeds Yet over the past three centuries Spinoza s rupture with traditional Jewish beliefs and practices has elevated him to a prominent place in genealogies of Jewish modernity The First Modern Jew provides a riveting look at how Spinoza went from being one of Judaism s most notorious outcasts to one of its most celebrated if still highly controversial cultural icons and a powerful and protean symbol of the first modern secular Jew Ranging from Amsterdam to Palestine and back again to Europe the book chronicles Spinoza s posthumous odyssey from marginalized heretic to hero the exemplar of a whole host of Jewish identities including cosmopolitan nationalist reformist and rejectionist Daniel Schwartz shows that in fashioning Spinoza into the first modern Jew generations of Jewish intellectuals German liberals East European maskilim secular Zionists and Yiddishists have projected their own dilemmas of identity onto him reshaping the Amsterdam thinker in their own image The many afterlives of Spinoza are a kind of looking glass into the struggles of Jewish writers over where to draw the boundaries of Jewishness and whether a secular Jewish identity is indeed possible Cumulatively these

afterlives offer a kaleidoscopic view of modern Jewish culture and a vivid history of an obsession with Spinoza that continues to this day

Open Judaism Barry L. Schwartz, 2023 Open Judaism is an invitation to the spiritually seeking Jew a clarion call for a pluralistic inclusive Judaism and a dynamic comparison of the remarkably wide array of thought within Judaism today

To Make the Hands Impure Adam Zachary Newton, 2016-01-01 How can cradling handling or rubbing a text be said ethically to have made something happen What as readers or interpreters may come off in our hands in as we maculate or mark the books we read For Adam Zachary Newton reading is an embodied practice wherein ethics becomes a matter of tact in the doubled sense of touch and regard With the image of the book lying in the hands of its readers as insistent refrain To Make the Hands Impure cuts a provocative cross disciplinary swath through classical Jewish texts modern Jewish philosophy film and performance literature translation and the material text Newton explores the ethics of reading through a range of texts from the Talmud and Midrash to Conrad's Nostromo and Pascal's Le Mémorial from works by Henry Darger and Martin Scorsese to the National September 11 Memorial and a synagogue in Havana Cuba In separate chapters he conducts masterly treatments of Emmanuel Levinas Mikhail Bakhtin and Stanley Cavell by emphasizing their performances as readers a trebled orientation to Talmud novel and theater film To Make the Hands Impure stages the encounter of literary experience and scriptural traditions the difficult and the holy through an ambitious singular and innovative approach marked in equal measure by erudition and imaginative daring

A Key to Locked Doors, 2024-08-26 Gerrit Bos Ph D 1989 is Professor Emeritus of Jewish Studies at the University of Cologne He has published extensively in the fields of Jewish studies Islamic studies and medieval science and medicine in Arabic and Hebrew texts In July 2023 he celebrated his 75th birthday On this occasion his colleagues and students presented him with a Festschrift containing over twenty original papers They deal with various topics belonging to his wider fields of interest ranging from the Ancient Orient Jewish and Islamic theology and philosophy medicine and natural sciences in medieval Islamicate and European countries to Romance philology and linguistics

Jewish Radical Feminism Joyce Antler, 2018-05-04 Ready to turn the world upside down the Gang of four feminist pioneers in Chicago Feminist sexual liberationists rootless cosmopolitan Jews the New York City movement Conscious radicals the Jewish story of Boston's Bread and Roses Our bodies and our Jewish selves the Boston Women's Health Book Collective We are well educated Jewishly and we are going to press you Jewish feminists challenge religious patriarchy Jewish women have their noses shortened Secular feminists fight assimilation For God's sake comb your hair You look like a Vilde chaye Jewish feminist lesbians explore the politics of identity Rise above the world's nasty squabbles international dimensions of Jewish feminism

Paradox and Contradiction in the Biblical Traditions Brayton Polka, 2021-03-19 The principal thesis that the author advances in this book is that paradox and contradiction constitute the two ways of the world Paradox represents the way of the people of the Bible and contradiction represents the way of all peoples who having lived without knowledge of the Bible have traditionally been known as gentiles or pagans The two ideas

that are central to the biblical way of life as known historically by Jews Christians and Muslims are creation and covenant while the contradictory way of paganism has precisely been marked by the absence of these two concepts In his book the author distinguishes the paradoxical way of the world from the contradictory way of the world through the examination of principal texts of four of the most significant early modern European thinkers from the later sixteenth century to the earlier eighteenth century Montaigne Descartes Spinoza and Vico He shows that each of these four authors in distinctive yet fundamentally interrelated fashion provides us with profound insight into how absolutely different the paradoxical way of the world as biblical is from the contradictory way of the world as found primarily and specifically in Greek and Roman antiquity

Defining Jewish Difference Beth A. Berkowitz,2012-03-19 Berkowitz shows that interpretation of Leviticus 18 3 provides an essential backdrop for today s conversations about Jewish assimilation and minority identity Jewish Mad Men Kerri P. Steinberg,2015-02-16 It is easy to dismiss advertising as simply the background chatter of modern life often annoying sometimes hilarious and ultimately meaningless But Kerri P Steinberg argues that a careful study of the history of advertising can reveal a wealth of insight into a culture In Jewish Mad Men Steinberg looks specifically at how advertising helped shape the evolution of American Jewish life and culture over the past one hundred years Drawing on case studies of famous advertising campaigns from Levy s Rye Bread You don t have to be Jewish to love Levy s to Hebrew National hot dogs We answer to a higher authority Steinberg examines advertisements from the late nineteenth century in New York the center of advertising in the United States to trace changes in Jewish life there and across the entire country She looks at ads aimed at the immigrant population at suburbanites in midcentury and at hipster and post denominational Jews today In addition to discussing campaigns for everything from Manischewitz wine to matzoh Jewish Mad Men also portrays the legendary Jewish figures in advertising like Albert Lasker and Bill Bernbach and lesser known Mad Men like Joseph Jacobs whose pioneering agency created the brilliantly successful Maxwell House Coffee Haggadah Throughout Steinberg uses the lens of advertising to illuminate the Jewish trajectory from outsider to insider and the related arc of immigration acculturation upward mobility and suburbanization Anchored in the illustrations photographs jingles and taglines of advertising Jewish Mad Men features a dozen color advertisements and many black and white images Lively and insightful this book offers a unique look at both advertising and Jewish life in the United States

Early Modern Jewish Civilization David Graizbord,2024-09-18 This collection is an introductory historical survey and selective cultural analysis of the development coalescence and eventual waning of a diasporic civilization that of the Jews of the early modern period ca 1391 1789 in Europe the Ottoman Empire and key nodes of the Iberian Empires in the Americas Each chapter explores key factors that shaped both distinctive early modern Jewish communities and a remarkably coalescent and far broader community of communities The contributors engage and answer the following questions What do historians mean by early modernity and to what extent does the concept illuminate the history and culture s of Jews from the end of the Middle Ages to the Enlightenment What were the general

demographic contours of the Jewish diaspora over this period and how did they change How did culture politics technology economics and gender shape diasporic Jewish communities across eastern and western Europe and the New World over the course of some 400 years Ultimately the work renders a portrait of coherence and diversity continuity and discontinuity in early modern Jewish life within and across temporal and geographic boundaries Early Modern Jewish Civilization is essential reading for all students of Jewish history and civilization and early modern history more broadly The Modernity of Others Ari Joskowicz,2013-11-06 The most prominent story of nineteenth century German and French Jewry has focused on Jewish adoption of liberal middle class values The Modernity of Others points to an equally powerful but largely unexplored aspect of modern Jewish history the extent to which German and French Jews sought to become modern by criticizing the anti modern positions of the Catholic Church Drawing attention to the pervasiveness of anti Catholic anticlericalism among Jewish thinkers and activists from the late eighteenth to the early twentieth century the book turns the master narrative of Western and Central European Jewish history on its head From the moment in which Jews began to enter the fray of modern European politics they found that Catholicism served as a convenient foil that helped them define what it meant to be a good citizen to practice a respectable religion and to have a healthy family life Throughout the long nineteenth century myriad Jewish intellectuals politicians and activists employed anti Catholic tropes wherever questions of political and national belonging were at stake in theoretical treatises parliamentary speeches newspaper debates the founding moments of the Reform movement and campaigns against antisemitism **Becoming Jewish** Netanel Fisher,Tudor Parfitt,2016-12-14 One of the most striking contemporary religious phenomena is the world wide fascination with Judaism Traditionally few non Jews converted to the Jewish faith but today millions of people throughout the world are converting to Judaism and are identifying as Jews or Israelites In this volume leading scholars of issues related to conversion Judaising movements and Judaism as a New Religious Movement discuss and explain this global movement towards identification with the Jewish people from Germany and Poland to China and Nigeria *A History of Modern Jewish Religious Philosophy* Eliezer Schweid,2019-02-19 The culmination of Eliezer Schweid s life work as a Jewish intellectual historian this five volume work provides a comprehensive interdisciplinary account of the major thinkers and movements in modern Jewish thought in the context of general philosophy and Jewish social political historical developments with extensive primary source excerpts Volume Three The Crisis of Humanism commences with an important essay on the challenge to the humanist tradition posed in the late 19th century by historical materialism existentialism and positivism This is background for the constructive philosophies which sought at the same time to address the general crisis of moral value and provide a positive basis for Jewish existence Among the thinkers presented in this volume are Moses Hess Moritz Lazarus Hermann Cohen in impressive depth with a thorough exposition of the Ethics and Religion of Reason Ahad Ha Am I J Reines Simon Dubnow M Y Berdiczewski the theorists of the Bund Chaim Zhitlovsky Nachman Syrkin and Ber Borochov Kabbalah and Literature Kitty

Millet, 2024-01-11 Focuses on a range of Jewish and non Jewish writers to examine the intersection of Kabbalah the Jewish mystical tradition and secular Jewish literatures Kabbalah and Literature shows how the Jewish mystical tradition contributes to the renewal of literature in a modern global and increasingly disconnected age Kitty Millet explores Kabbalah s conceptual underpinnings aesthetic principles tenets and signifiers to demonstrate how literature s absorption of kabbalistic material has altered its ontology function and the tasks it sets for itself Reading writers from Europe and the Americas Kitty Millet maps how the kabbalist s desire to recover Eden transforms into a latent messianic drive only intuitable through text Thus it charts a journey of sorts a migration of Jewish mystical material embedded surreptitiously within text in order to shift ever so slightly at times the range of the literary to encompass an aesthetic vision not easily reducible to the literal the known the allegorical or even the philosophical In this way Kabbalah and Literature proposes a novel intuitive approach shifting focus away from the Jewish text s epistemological elements to embrace its secrets

This is likewise one of the factors by obtaining the soft documents of this **Not In The Heavens The Tradition Of Jewish Secular Thought** by online. You might not require more grow old to spend to go to the book commencement as well as search for them. In some cases, you likewise complete not discover the proclamation Not In The Heavens The Tradition Of Jewish Secular Thought that you are looking for. It will totally squander the time.

However below, in the manner of you visit this web page, it will be in view of that completely simple to acquire as skillfully as download guide Not In The Heavens The Tradition Of Jewish Secular Thought

It will not take many time as we notify before. You can realize it though feat something else at home and even in your workplace. correspondingly easy! So, are you question?
