the story of Oedipus Oedipus Rex was the second to be written However in terms of the chronology of events that the plays describe it comes first followed by Oedipus at Colonus and then Antigone Prior to the start of Oedipus Rex Oedipus has become the king of Thebes while unwittingly fulfilling a prophecy that he would kill his father Laius the previous king and marry his mother Jocasta whom Oedipus took as his queen after solving the riddle of the Sphinx The action of Sophocles play concerns Oedipus search for the murderer of Laius in order to end a plague ravaging Thebes unaware that the killer he is looking for is none other than himself At the end of the play after the truth finally comes to light Jocasta hangs herself while Oedipus horrified at his patricide and incest proceeds to gouge out his own eyes in despair Oedipus Rex is regarded by many scholars as the masterpiece of ancient Greek tragedy In his Poetics Aristotle refers several times to the play in order to exemplify aspects of the genre Many parts or elements of the myth of Oedipus take place before the opening scene of the play They may be described or referred to in the text In his youth Laius was a guest of King Pelops of Elis and became the tutor of Chrysippus youngest of the king s sons in chariot racing He then violated the sacred laws of hospitality by abducting and raping Chrysippus who according to some versions killed himself in shame This murder cast a doom over Laius his son Oedipus and all of his other descendants However most scholars are in agreement that the seduction or rape of Chrysippus was a late addition to the Theban myth A son is born to King Laius and Queen Jocasta of Thebes After Laius learns from an oracle that he is doomed To perish by the hand of his own son he tightly binds the feet of the infant together with a pin and orders Jocasta to kill the infant Hesitant to do so she orders a servant to commit the act for her Instead the servant takes the baby to a mountain top to die from exposure A shepherd rescues the infant and names him Oedipus or swollen feet The servant directly hands the infant to the shepherd in most versions The shepherd carries the baby with him to Corinth where Oedipus is taken in and raised in the court of the childless King Polybus of Corinth as if he were his own

Oedipus King of Thebes sends his brother in law Creon to ask advice of the oracle at Delphi concerning a plague ravaging Thebes Creon returns to report that the plague is the result of religious pollution since the murderer of their former king Laius has never been caught Oedipus vows to find the murderer and curses him for causing the plague Oedipus summons the blind prophet Tiresias for help When Tiresias arrives he claims to know the answers to Oedipus s questions but refuses to speak instead telling him to abandon his search Oedipus is enraged by Tiresias refusal and verbally accuses him of complicity in Laius murder Outraged Tiresias tells the king that Oedipus himself is the murderer You yourself are the criminal you seek Oedipus cannot see how this could be and concludes that the prophet must have been paid off by Creon in an attempt to undermine him The two argue vehemently as Oedipus mocks Tiresias lack of sight and Tiresias in turn tells Oedipus that he himself is blind Eventually Tiresias leaves muttering darkly that when the murderer is discovered he shall be a native citizen of Thebes brother and father to his own children and son and husband to his own mother *King Oedipus*

About Sophocles Sophocles born c 496 bc Colonus near Athens Greece died 406 Athens was an ancient Greek tragedy playwright Not many things are known about his life other than that he was wealthy well educated and wrote about one hundred and twenty three plays of which few are extant One of his best known plays is Oedipus the King Oedipus Rex What can I say about Sophocles Oedipus Rex that has not already been said Apart from the patricide and the infamous incest this is an ancient tale of angst and overall calamity But since I recently revisited it this legendary tragedy hasn't left my mind Look and learn all citizens of Thebes This is Oedipus He who read the famous riddle and we hailed chief of men All envied his power glory and good fortune Now upon his head the sea of disaster crashes down I felt after reading the play that there was not really anything that Oedipus could have done to get himself out of his destiny In fact it seems that the more he attempts to get out of it the deeper he is immersed in its inevitability It is simply that there was no way for him to avoid doing it all and facing his fate After hearing of the prophecy he flees because he doesn't want it to come true but there is a lot that he does not know and a lot that he is not being told His parents when told by the oracles decided to sacrifice him But he was saved by the compassionate nature of humanity Later on his step parents also leave him in ignorance and in hiding the truth they are also making the prophecy come true
