Of Faith and Reason: 80 Evidences Supporting Joseph Smith Michael R. Ash, 2023-02-02 In the early 1800s many people criticized the Prophet Joseph Smith for his prophecies and revelations today several evidences prove that Joseph was right Michael Ash a well known LDS apologist explains why it is useful and perhaps even necessary to combine reason with faith in our testimony of Joseph Smith He reminds us that although secular evidences can't replace a spiritual witness they can support a testimony and provide an atmosphere where a spiritual witness can flourish Using scholarly journal articles and ancient Jewish and Christian writings Ash provides evidences that show how the Book of Mormon is a true account of an ancient people how LDS scriptures are consistent with the traditions and culture of ancient Israel and how the doctrines of the Church accurately reflect the teachings of Christ Ash writes clearly and simply providing numerous resources to foster further study With over 80 evidences this book is an excellent resource for those seeking more information about Joseph Smith and his works

Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel A Multicultural Christmas will be pleased to see a brief reappearance of two characters from that book

Mormonism Richard L. Bushman,1987-01-15 The core of Mormon belief was a conviction about actual events The test of faith was not adherence to a certain confession of faith but belief that Christ was resurrected that Joseph Smith saw God that the Book of Mormon was true history and not philosophy and that Peter James and John restored the apostleships *Inside the Mind of Joseph Smith* Robert D. Anderson,1999 A troubled childhood A difficult adolescence How might these have affected the adult character of church founder Joseph Smith Psychiatrist Robert D Anderson explores the impact on young Joseph of his family s ten moves in sixteen years their dire poverty especially after his father s Chinese export venture failed and his father s drinking It is equally significant writes Anderson that Joseph s mother suffered bouts of depression For instance for months she did not feel as though life was worth seeking after two sisters died of tuberculosis and later when she buried two sons Ephraim and Alvin A typhoid epidemic nearly claimed her daughter Sophronia and the same affliction left Joseph with a crippled leg after which he was sent to live on the coast with an uncle Such factors and others produced emotional wounds that emerged later in the prophet s life and writings in particular according to Anderson in the Book of Mormon

Believing History Richard Lyman Bushman,2007-02-13 The eminent historian Richard Bushman here reflects on his faith and the history of his religion By describing his own struggle to find a basis for belief in a skeptical world Bushman poses the question of how scholars are to write about subjects in which they are personally invested Does personal commitment make objectivity impossible Bushman explicitly and at points confessionally explains his own commitments and then explores Joseph Smith and the Book of Mormon from the standpoint of belief Joseph Smith cannot be dismissed as a colorful fraud Bushman argues nor seen only as a restorer of religious truth Entangled in nineteenth century Yankee culture including the skeptical Enlightenment Smith was nevertheless an original who cut his own path And while there are multiple contexts from which to draw an understanding of Joseph Smith including magic seekers the Second Great Awakening communitarianism restorationism and more Bushman suggests that Smith stood at the cusp of modernity and presented the possibility of belief in a time of growing skepticism When examined carefully the Book of Mormon is found to have intricate subplots and peculiar cultural twists Bushman discusses the book s ambivalence toward republican government explores the culture of the Lamanites the enemies of the favored people and traces the book s fascination with records translation and history Yet *Believing History* also sheds light on the meaning of Joseph Smith and the Book of Mormon today How do we situate Mormonism in American history Is Mormonism relevant in the modern world *Believing History* offers many surprises Believers will learn that Joseph Smith is more than an icon and non believers will find that Mormonism cannot be summed up with a simple label But wherever readers stand on Bushman s arguments he provides us with a provocative and open look at a believing historian studying his own faith *Mormonism-shadow Or Reality?* Jerald Tanner,Sandra Tanner,1987 *The Truth Seeker* ,1915 *The Mormon Delusion. Volume 3. Discarded Doctrines and Nonsense Revelations.* Jim Whitefield,2012-10-01 This is the third in a series of books exposing the truth behind Mormonism In this volume we review

doctrines that have been discarded To early Mormons Adam was God and blood atonement was a stark reality These were accepted doctrines which survived for several decades throughout the leadership of several successive prophets Today the Church denies they even existed The origin of the Mormon temple ceremony is established and explained An analysis of changes over the years shows that the rites now enacted bear no resemblance to the original ceremonies Joseph Smith lifted from late eighteenth century Masonic ritual claiming they were restored from the time of Solomon The psychology of a Mormon testimony is explored and explained Sections of the Doctrine and Covenants are exposed as completely unfulfilled nonsense that Mormons simply cannot see through as long as blind faith precludes rational thinking Visit www.themormondelusion.com for further information on this and other volumes
