Mercy (Movie Tie-In Edition, Adapted for Young Adults) Bryan Stevenson,2019-12-03 The young adult adaptation of the acclaimed 1 New York Times bestseller Just Mercy now a major motion picture starring Michael B Jordan Jaime Foxx and Brie Larson and the subject of an HBO documentary feature In this very personal work adapted from the original 1 bestseller which the New York Times calls as compelling as To Kill a Mockingbird and in some ways more so acclaimed lawyer and social justice advocate Bryan Stevenson offers a glimpse into the lives of the wrongfully imprisoned and his efforts to fight for their freedom Stevenson's story is one of working to protect basic human rights for the most vulnerable people in American society the poor the wrongly convicted and those whose lives have been marked by discrimination and marginalization Through this adaptation young people of today will find themselves called to action and compassion in the pursuit of justice Proceeds of this book will go to charity to help in Stevenson's important work to benefit the voiceless and the vulnerable as they attempt to navigate the broken U S justice system **On Third Thought....** George Waas,2015-04-17 In 2012 I wrote a memoir entitled Retired and Loving It At that time I covered every subject I wanted to write about or so I thought Then after publication I began having second thoughts Wait that's not right I had a second thought and decided not to write anything further Then I had a third thought I understand lots of people claim to have second thoughts about a particular matter but if they have more than one how can the one after the second also be a second thought Frankly I don't know how anyone can have second thoughts about the same subject Anything beyond a second thought is a third fourth fifth etc at least by my count It was on my third thought that since I discovered other things to write about I decided to set them out in a mini memoir as a sequel to my earlier book I checked with an online publishing company and found several books entitled On Second Thought and On Second Thoughts and related titles For those who chose the latter title they probably didn't give it much thought But I did and I didn't find a single book that bore the title On Third Thought So that's the one I chose as they

say the third time is the charm This sequel to my 2012 book my mini memoir focuses on three general subjects First my reflections on things past second living in the present since it s the only time we can live the past is history and the future lies ahead and third making sure that to the best of my ability my future is bright and enjoyable by remaining involved in matters of interest and importance to me And if I can write a book about me you can write one about you So get on with it
