Observations on the Natural History of Bees. Translated From the Original François Huber,1808 **New Observations on the Natural History of Bees** François Huber,2018-08-17 New observations on the natural history of bees by Francois Huber When I had the honour at Genthod of giving you an account of my principal experiments on bees you desired me to transmit a written detail that you might consider them with greater attention I hasten therefore to extract the following observations from my journal As nothing can be more flattering to me than the interest you take in my researches permit me to remind you of your promise to suggest new experiments We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **Huber's Natural History of the Honey Bee** Francis Huber,1808 *New Observations on the Natural History of Bees ...
