

## Things students should keep in mind before using solution manuals

A student should keep a few things in mind before boarding the solution manual journey.

Some dos to consider before getting help from solution manuals

- Use them as additional tools, not assets that help you cheat.
- Students should solve questions on their own first. If you face a problem or are stuck on a particular question, they can check from solution manuals.

Some don'ts to reflect while using textbook solution manuals

- Use textbook solutions to cheat.
- Don't use solutions manuals to copy answers. This will hamper your learning process.

After knowing the dos and don'ts of solution manuals, a student can take help from them. Today, various online websites provide solution manuals. Some of the best are:
