In Search of New Age Spiritualities Adam Possamai, 2019-01-22 The search for an adequate understanding of the New Age phenomenon is fraught with difficulties when examined within the perspectives of sociology of religion which have shed light on religion in modernity New Agers cannot be located easily in the secularisation narrative they move through fluid networks rather than settled collectivities they assemble personal syncretisms of belief myth and practice rather than subscribe to codified doctrines and prescribed rituals New Age is quickly found to be a label that is unacceptable to many of those designated as New Agers This book advances our understanding of the so called New Age phenomenon by analysing accounts of insiders religious experience and orientations This approach is brought to bear not only on the study of written documents relating to New Age and its putative antecedents but on the analysis of in depth interviews with thirty five spiritual actors

**Handbook of New Age** Daren Kemp, James R. Lewis, 2007 The Handbook of New Age is a comprehensive survey of alternative spiritualities their history their global impact their cultural influence and how they are understood by scholars Chapters by many of the leading scholars of the movement give the latest analysis of contemporary spiritual trends and present up to date observations of the interaction between the New Age movement and many different fields of knowledge and research

**New Age and Neopagan Religions in America** Sarah M. Pike, 2004 Sarah Pike traces the history of New Age and Neopagan religions in the United States from their origins in the nineteenth century to their reemergence in the 1960s counterculture She also considers the differences and similarities between the New Age and Neopagan movements as well as the antagonistic relationship between these two practices and other religions in America particularly Christianity Covering such topics as healing gender and sexuality millennialism and ritual experience she offers a sympathetic yet critical treatment of religious practices often marginalized yet soaring in popularity Her book is a rich analysis of these spiritual worlds and social networks and questions why these faiths are flourishing at this point in American history

The A to Z of New Age Movements Michael York, 2009-06-17 The decline of institutionalized religion in the increasingly secularized West has been offset by the contemporary spiritual development understood in the form of emerging New Age movements This reference presents the potpourri of spiritual and psycho physical therapeutic practices associated with this affirmation of the individual s spiritual freedom the expectation of a future golden age the emphasis on self development and the holistic pluralism that sets the dominant pulse for innovative spirituality in the twenty first century The A to Z of New Age Movements furnishes profiles and explanations of New Age spokespeople and leaders of a range of human potential and self help practices of countercultural spiritual developments and of different groups and organizations that identify as New Age The dictionary consists of over 240 individual entries along with an introduction that describes the historical foundations of the New Age orientation and its relation with contemporary Western paganism It also presents the sociological dimension of New Age expression as well as the kinds of criticism with which the New Age identity must contend

There is both a New Age Chronology and a bibliography also included      New Spirituality, Self, and Belonging Jon P. Bloch, 1998-10-28 Through in depth interviews with 22 New Agers and Neo Pagans this study proposes a new model of religious identity from a sociological standpoint The analysis demonstrates that in spite of their great diversity of beliefs and lack of strong organizational ties a discernible community of alternative spiritualists does exist This volume will appeal not only to scholars of the sociology of religion but also to sociologists interested in community building social movements and self identity      *Feminism's New Age* Karlyn Crowley, 2011-06-01 Finalist for the 2011 ForeWord Book of the Year in the Women s Issues Category Crystals Reiki Tarot Goddess worship why do these New Age tokens and practices capture the imagination of so many women How has New Age culture become even more appealing than feminism And are the two mutually exclusive By examining New Age practices from macrobiotics to goddess worship to Native rituals *Feminism's New Age* Gender Appropriation and the Afterlife of Essentialism seeks to answer these questions by examining white women s participation in this hugely popular spiritual movement While most feminist approaches to the New Age phenomenon have simply dismissed its adherents for their politically problematic racial appropriation practices Karyln Crowley looks honestly at the political shortcomings of New Age beliefs and practices while simultaneously reckoning with the affective political and cultural motivations which have prompted New Age women s individual and collective spiritualities New Age spirituality is in fact the dynamic outgrowth of a long standing tradition of women s social and political power expressed through religious writings art and public discourse and is key to understanding contemporary women s history and religion s role in modern American culture alike Crowley offers a new and provocative assessment of the significance of the New Age movement seen through a feminist and critical race studies lens      *Possession, Power and the New Age* Mr Matthew Wood, 2013-05-28 This book provides a new sociological account of contemporary religious phenomena such as channelling holistic healing meditation and divination which are usually classed as part of a New Age Movement Drawing on his extensive ethnography carried out in the UK alongside comparative studies in America and Europe Matthew Wood criticises the view that such phenomena represent spirituality in which self authority is paramount Instead he emphasises the role of social authority and the centrality of spirit possession linking these to participants class positions and experiences of secularisation Informed by sociological and anthropological approaches to social power and practice especially the work of Pierre Bourdieu and Michel Foucault Wood s study explores what he calls the nonformative regions of the religious field and charts similarities and differences with pagan spiritualist and Theosophical traditions      **Possession, Power and the New Age** Matthew Wood, 2016-04-08 This book provides a new sociological account of contemporary religious phenomena such as channelling holistic healing meditation and divination which are usually classed as part of a New Age Movement Drawing on his extensive ethnography carried out in the UK alongside comparative studies in America and Europe Matthew Wood criticises the view that such phenomena represent spirituality in which self authority is paramount Instead he emphasises the role of

social authority and the centrality of spirit possession linking these to participants class positions and experiences of secularisation Informed by sociological and anthropological approaches to social power and practice especially the work of Pierre Bourdieu and Michel Foucault Wood s study explores what he calls the nonformative regions of the religious field and charts similarities and differences with pagan spiritualist and Theosophical traditions

**Historical Dictionary of New Age Movements** Michael York,2004 The Historical Dictionary of New Age Movements examines various New Age concepts spokespeople and leaders a range of human potential and self help practices countercultural spiritual developments and different groups and organizations that identify themselves as New Age without judging or categorizing them More than 240 entries make this dictionary a valuable resource for students practitioners and serious academics BOOK JACKET

*Children of the New Age* Steven Sutcliffe,2003 As the first true social history of New Age culture this presents an unrivalled overview of the diverse varieties of New Age belief and practise from the 1930s to the present day

Spirituality across Disciplines: Research and Practice: Marian de Souza,Jane Bone,Jacqueline Watson,2016-06-29 This book collects multiple disciplinary voices which explore current research and perspectives to discuss how spirituality is understood interpreted and applied in a range of contexts It addresses spirituality in combination with such topics as Christian mysticism childhood and adolescent education midwifery and sustainability It links spirituality to a variety of disciplines including cognitive neuroscience sociology and psychology Finally it discusses the application of spirituality within the context of social work teaching health care and occupational therapy A final chapter provides an analytical discussion of the different voices that appear in the book and offers a holistic description of spirituality which has the potential to bring some unity to the meaning expression and practice of spirituality across a variety of disciplines as well as across cultural religious and secular worldviews A strength of the book is that each chapter is characterized by a fearless confronting of oppositional perspectives and use of the latest research in addressing them The book takes the difficult topic of spirituality into almost every nook and cranny of personal and professional life There is a persistent grasping of the contentiousness of the topic together with addressing counter positions and utilizing updated research across a range of fields in doing this The opening and closing chapters serve as book ends that keep the whole volume together Terence Lovat The University of Newcastle Australia The interdisciplinary nature of the work is by far the strongest aspect of this volume It has the potential to contribute to a dialogue between different professions and disciplines This prospective publication promises to promote a more holistic approach to the study of spirituality This volume takes into consideration a wide variety of issues The way the editors have structured the sequence of chapters contributes to facilitate any possible dialogue between the different areas Adrian Mario Gellel University of Malta Malta

**From New Age to New Gnosis** Peter Wilberg,2003 Peter Wilberg presents a political history of the subversive gnostic theologies of the first century and with it a theo political critique of the ruling god concepts of the 21st century From New Age to New Gnosis is spiritual Marxism and a powerful spearhead aimed at the New World Order of economic liberalism

neo conservatism and military imperialism It challenges all four faces of its famous dollar pyramid the idolatry of new technologies the reduction of the human being to a genetic machine the politically illiterate platitudes of New Age spirituality and the spiritual illiterate literalism of Christian biblical fundamentalism and racist Zionism which now see their own zealotry mirrored and confronted by militant Islam What Peter Wilberg recognizes is that what our divided world now calls for is not a revival of fundamentalisms of any sort but a New Gnostic spirituality that understands the wordless knowledge within the word Seth

**Daughters of Aquarius** Gretchen Lemke-Santangelo, 2009 The first book to focus specifically on the women of the counterculture movement reveals how hippie women launched a subtle rebellion by rejecting their mothers suburban domesticity in favor of their grandmothers agrarian ideals which assigned greater value to women's contributions

Popular Spiritualities Lynne Hume, Kathleen McPhillips, 2006 In our contemporary post modern world popular forms of spirituality are increasingly engaging with notions of re enchantment of self and community Drawing on case studies of particular groups including pagans witches radical faeries post modern tourists and queer and goddess groups contributors from Australia the UK and North America discuss various forms of spirituality and how they contribute to self knowledge identity and community life The book documents an emerging engagement between new quasi religious groups and political action eco paganism post colonial youth culture and alternative health movements to explore how social change emerges

**New Age Spirituality** Steven J. Sutcliffe, Ingvild Saelid Gilhus, 2014-09-11 New Age and holistic beliefs and practices sometimes called the new spirituality are widely distributed across modern global society The fluid and popular nature of new age makes these movements a very challenging field to understand using traditional models of religious analysis Rather than treating new age as an exotic specimen on the margins of proper religion New Age Spirituality examines these movements as a form of everyday or lived religion The book brings together an international range of scholars to explore the key issues insight healing divination meditation gnosis extraordinary experiences and interactions with gods spirits and superhuman powers Combining discussion of contemporary beliefs and practices with cutting edge theoretical analysis the book repositions new age spirituality at the forefront of the contemporary study of religion

Practicing Religion in the Age of the Media Stewart M. Hoover, Lynn Schofield Clark, 2002-03-06 Increasingly the religious practices people engage in and the ways they talk about what is meaningful or sacred take place in the context of media culture in the realm of the so called secular Focusing on this intersection of the sacred and the secular this volume gathers together the work of media experts religious historians sociologists of religion and authorities on American studies and art history Topics range from Islam on the Internet to the quasi religious practices of Elvis fans from the uses of popular culture by the Salvation Army in its early years to the uses of interactive media technologies at the Simon Wiesenthal Center's Beit Hashoah Museum of Tolerance The issues that the essays address include the public private divide the distinctions between the sacred and profane and how to distinguish between the practices that may be termed religious and those that may not

*Orthodox Christianity, New Age Spirituality and Vernacular Religion* Eugenia Roussou, 2021-04-08 This anthropological work thoroughly illustrates the novel synthesis of Christian religion and New Age spirituality in Greece It challenges the single faith approach that traditionally ties southern European countries to Christianity and focuses on how processes of globalization influence and transform vernacular religiosity Based on long term anthropological fieldwork in Greece this book demonstrates how the popular belief in the evil eye produces a creative affinity between religion and spirituality in everyday practice The author analyses a variety of significant research themes including lived and vernacular religion alternative spirituality and healing ritual performance and religious material culture The book offers an innovative social scientific interpretation of contemporary religiosity while engaging with a multiplicity of theoretical analytic and empirical directions It contributes to current key debates in social sciences with regard to globalization and secularization religious pluralism contemporary spirituality and the New Age movement gender power and the body health illness and alternative therapeutic systems senses perception and the supernatural the spiritual marketplace creativity and the individualization of religion in a multicultural world

**The Cross Is Not Enough** Ross Clifford, Philip Johnson, 2012 International apologists present a compelling and inspiring case for how to

draw on the resurrection for everyday Christian living

**Dancing the Labyrinth** Maddy Cunningham, Jade de

Saussure, 2019-03-22 There is a scarcity of professional literature and research that focuses on women's spiritual development and experiences and how they may differ from those of men. For women, the spiritual is often inner-focused rather than transcendent, relational rather than solitary and interdependent rather than autonomous. *Dancing the Labyrinth* integrates knowledge of women's psychological and spiritual development alongside stories of a diverse group of women to examine how spirituality changes over the adult life course, the catalysts for said changes (e.g., the natural aging process or traumatic events), and feminist spirituality which highlights the importance of relationships to self, others, and God. While the authors focus on spirituality, they examine the experiences of women who express their spirituality within both traditional and non-traditional paths. The text also includes several chapters that highlight specific clinical interventions professionals can use to implement spirituality into their practice with women. Written in an engaging and accessible style, this book serves as a helpful resource for mental health practitioners, pastoral counselors, spiritual directors, and lay audiences interested in better understanding of the nuances of women's spiritual development and experiences.
