New Testament Greek Manuscripts John New Testament Greek Manuscripts:

New Testament Greek manuscripts: John Reuben J. Swanson, 1995 **A Textual Study of Family 1 in the Gospel of John** Alison Welsby, 2013-12-12 This textual study of the Gospel of John in seventeen Greek manuscripts offers a fresh investigation into the textual group known as Family 1 Since Kirsopp Lake's 1902 study Codex 1 of the Gospels and its Allies Family 1 has been considered an important textual witness by all major critical editions of the the New Testament however with the exception of a recent study of Matthew Amy Anderson *The Textual Tradition of the Gospels Family 1 in Matthew* little further research has been conducted into the family's text By analysis of a full collation of John this study examines manuscripts Gregory Aland 1 22 118 131 205abs 205 209 565 872 884 1192 1210 1278 1582 2193 2372 and 2713 The study has confirmed the place of codices 1 and 1582 as core members of Family 1 but has demonstrated the existence of a new core subgroup represented by codices 565 884 and 2193 that rivals the textual witness of 1 and 1582 The discovery of this subgroup has broadened the textual contours of Family 1 leading to many new readings both text and marginal that should be considered Family 1 readings The reconstructed Family 1 text with critical apparatus is based on the witness of this wider textual group and is offered as a replacement to Lake's 1902 text of John **New Testament Manuscripts** Thomas J Kraus, Tobias Nicklas, 2006-05-01 *New Testament Manuscripts Their Texts and Their World* comprises twelve essays dealing with manuscripts of the New Testament and or what we can learn from them today Starting from different angles the contributors distinguished scholars of international reputation focus on the fascinating and thrilling stories manuscripts tell for instance about the times they were produced in or the people who handled them The multitude of manuscripts used for establishing the critical text of the New Testament is often only perceived as abbreviations in form of single letters or numerals and today's biblical scholars may hardly ever take notice of the specific features of an original manuscript above all those not mentioned in a critical edition Therefore three sets of contributions deals with the conditions under which manuscripts from the early days of Christianity were produced and transmitted specific individual manuscripts and then special features observed in and with the help of various manuscripts In a final essay the usual method of how to organize and categorize New Testament manuscripts is challenged and an alternative method proposed The essays are linked with each other so that readers may get a feeling of how astounding an occupation with the original manuscripts of the New Testament and the days of the early Christians can be 1_3 John and Revelation; New Testament Commentary Christopher Lambe, 2021-02-16 Unlike any other commentary on the New Testament Chris digs into ancient religious culture throughout the known world at the time John wrote his epistles and book on Revelation As the church started to accept and adopt false teaching in their day they began to worship idols in place of God like the Jews when they were sent to Babylon Both Old and New Testament Jewish cultures adopted the same images from the surrounding nations and began to worship pagan gods No matter Jew or Gentile John's teachings were all understood In today's world though it is different many are not taught after

the manner of ancient culture and when one reads the Bible either the Old and New Testaments that references any form of symbolism as figurative language let alone Revelation it is foreign with descriptions of strange beasts candlesticks trumpets vials of wrath harps etc making no modern sense whatsoever However when looked upon with the view from ancient culture religion and myths about the heavens one can better understand the context John taught to the early church The way

mainstream interprets the scriptures today has brought about much confusion **1-3 John MacArthur New Testament**

Commentary John MacArthur,2007-03-01 The apostle John is really a man for our time He wrote his three New Testament letters in a bold direct even dogmatic manner more so perhaps than any other New Testament writer Although renowned traditionally as the apostle of love and he was he was an authoritative uncompromising teacher an exclusive style instructor with a crucial message of truth versus error a message which the twenty first century church needs to hear **Studies On**

He treats the New Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety. Although the volume covers typical questions of introduction such as author, date, background, and sources, it focuses primarily on understanding the theological content and meaning of the texts, putting students in a position to understand the origins of Christianity and its canonical writings. Throughout, Hagner delivers balanced conclusions in conversation with classic and current scholarship. The book includes summary tables, diagrams, maps, and extensive bibliographies.

Faith, Hope, and Love in the Kingdom of God Robert Hernan Cubillos, 2017-04-27

We live in a world full of challenges. The three graces can almost be seen as motors for Christian life in today's world, but the words faith, hope, and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate. Modern life also leaves many yearning for authenticity and meaning. Many religions have answered that need by calling to mind the image of a path. Always profound progressions, religious paths tend to be motivated either by practices, the act of walking the path, or focal points. Christianity has a focal point, an object, and it sees the three graces as distinctively content-filled. The heart of this book is about helping people find the Christian path and their intellectual, emotional, and spiritual balance, an equilibrium that is sustained by a strong personal faith, an enduring hope for the future, and genuine love that will withstand the worst of times. It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre.
