News Public Relations And Power The Media In Focus Series:

News, Public Relations and Power Simon Cottle, 2003-04-18 We live in increasingly promotional times States political parties and corporations as well as new social movements and diverse cultural interests today seek to put their message across via the media and in pursuit of disparate aims enhanced public understanding and legitimacy Introducing theoretical ideas and the latest empirical findings in this fast developing field of media communication study this book addresses such issues as the rapid growth of public relations in its impact on news production state information management strategies in times of internal political dissent political parties and mediated spin conducted at national and local levels the historically changing nature of war journalism environmental activism and pressure group communication and much more back cover

Media Organization and Production Simon Cottle, 2003-04-18 Drawing on the work of international contributors Media Organization and Production examines a wide range of global local media organizations and the production of different mediums and genres Following the editor's introduction which sets out the principal differences of approach and defining debates chapters address transnational and national commercial and public service corporations international film and TV co productions children's television news production the historical development of liveness on radio and music journalism the politics and organizational forms of alternative media production including radical newspapers video and the internet and the changing production ecology of natural history television These topics are examined through a variety of theoretical and conceptual frameworks that help to illuminate how cultural production often involves a complex articulation of differing influences and constraints both material and discursive intended and unintended structurally determined and culturally mediated Together the chapters in this book help to recover this complexity and thereby help us to better understand the nature and output of today's media *The Routledge Handbook of Critical Public Relations* Jacquie L'Etang, David McKie, Nancy Snow, Jordi Xifra, 2015-08-11 Critical theory has a long history but a relatively recent intersection with public relations This ground breaking collection engages with commonalities and differences in the traditions whilst encouraging plural perspectives in the contemporary public relations field Compiled by a high profile and widely respected team of academics and bringing together other key scholars from this field and beyond this unique international collection marks a major stage in the evolution of critical public relations It will increasingly influence how critical theory informs public relations and communication The collection takes stock of the emergence of critical public relations alongside diverse theoretical traditions critiques and actions methodologies and future implications This makes it an essential reference for public relations researchers educators and students around a world that is becoming more critical in the face of growing inequality and environmental challenges The volume is also of interest to scholars in advertising branding communication consumer studies cultural studies marketing media studies political communication and sociology Dictionary of Media and Communication Studies James Watson, Anne Hill, 2015-10-22 A comprehensive lexicon of all aspects of the study of

interpersonal group mass communication and the world of internet communication *Communication, Digital Media, and Popular Culture in Korea* Kyong Yoon Yong Jin, Nojin Kwak, 2018-05-16 In recent decades Korean communication and media have substantially grown to become some of the most significant segments of Korean society Since the early 1990s Korea has experienced several distinctive changes in its politics economy and technology which are directly related to the development of local media and culture Korea has greatly developed several cutting edge technologies such as smartphones video games and mobile instant messengers to become the most networked society throughout the world As the Korean Wave exemplifies the once small and peripheral Korea has also created several unique local popular cultures including television programs movies and popular music known as K pop and these products have penetrated many parts of the world As Korean media and popular culture have rapidly grown the number of media scholars and topics covering these areas in academic discourses has increased These scholars interests have expanded from traditional media such as Korean journalism and cinema to several new cutting edge areas like digital technologies health communication and LGBT related issues In celebrating the Korean American Communication Association s fortieth anniversary in 2018 this book documents and historicizes the growth of growing scholarship in the realm of Korean media and communication **Media Today** Joseph Turow, 2013-10-15 Turow s *Media Today* Mass Communication in a Converging World now in its fifth edition chooses a cutting edge option This is a student friendly publication offering aids such as definitions of key terms colourful infographics case studies and end of chapter review questions There s a companion website too and a password protected website for instructors Philip Kemp Times Higher Education *Media Today* uses convergence as a lens that puts students at the center of the profound changes in the 21st century media world Through the convergence lens they learn to think critically about the role of media today and what these changes mean for their lives presently and in the future The book s media systems approach helps students to look carefully at how media is created distributed and exhibited in the new world that the digital revolution has created In this way *Media Today* goes beyond the traditional mass communication textbook s focus on consuming media to give students an insider s perspective on how media businesses operate How exactly does Google profit from web searches What will a magazine look like five years from now Informative and engaging *Media Today* Fifth Edition is characterized by its focus on Convergence In addition to separate chapters on the Internet and the Video Games industry coverage of convergence and its impact is incorporated into every chapter Consumer Education Media Literacy questions ask students to consider their roles as a media consumer and potential media creator Comprehensive Media Industry Coverage Historical timelines in the print book and on the companion website track the development of each media industry giving students an overview of a particular industry at a glance Contemporary Student friendly Examples New culture and media boxes help students think about the impact of media industries on their own lives and globally Joseph Turow who has been teaching *Intro to Mass Communication* for well over a decade demonstrates the many ways that media convergence and the pervasiveness of the Internet have

blurred distinctions between and among various media From newspapers to video games or social networking to mobile platforms Media Today prepares students to live in the digital world of media

Secrecy in Public Relations, Mediation and News Cultures Anne M. Cronin, 2023-01-19 This book investigates the relationship of secrecy as a social practice to contemporary media news cultures and public relations Drawing on Georg Simmel's theorisation of how secrecy produces a second world alongside the obvious world and creates and reshapes social relations Anne Cronin argues for close analysis of the PR industry as a powerful vector of secrecy and an examination of its relationship to news cultures Using case studies and in depth interviews as well as recent research in media and cultural studies sociology journalism studies and communication studies the book analyses how PR practices generate a second shadow world of the media sphere which has a profound impact on the obvious world It interrogates both the PR industry's and news culture's role in shaping social relations for a digital media landscape and those initiatives promoting transparency of data and decision making processes An insightful interdisciplinary approach to debates on media and power this book will appeal to students of public relations sociology media studies cultural studies and communication studies It will also be of interest to scholars and practitioners working at the intersections of media social relations and public trust
