Nhs Please Dont Kill Me:

NHS Please Don't Kill Me! Dr Ray Radford & Scotty Johnson,2015-10-28 When you need the NHS how can you make sure you get the best possible care Have you ever thought about what you could do to influence and improve the quality of care you receive when using the NHS Or do you just turn up hoping that the healthcare professional in front of you diagnoses and treats you accurately and in your best interests Have you ever walked away from an appointment none the wiser disappointed confused or angry Or worse have you been mis diagnosed or had unnecessary treatment The NHS is something we all rely on We hope that it will deliver the best possible service when we or our loved ones fall ill It is regarded as a shining example and world leader in healthcare provision but in recent years its reputation has been severely tarnished Successive scandals have revealed shocking levels of care harm neglect cover ups and unnecessary deaths If these multiple revelations have taught us anything it is that we have to be prepared and able to take personal responsibility to influence the quality of care we receive Either we enable ourselves to rise to this challenge or risk becoming another unfortunate statistic NHS Please Don t Kill Me is a guide to help you receive the best possible care By outlining the prevalent cultural and behavioural issues it provides readers with essential skills and ideas that could reduce error and potentially save lives It is an honest transparent and factual book that reflects the real experiences of many people including the authors **What**

Doesn't Kill You... Rachel Haynes,2020-03-10 Rachel Haynes survived bowel cancer not once but twice There have been many unexpected consequences this is her story Exploring the ups and downs of treatment with sensitivity humour and brutal honesty Rachel reflects on the psychological impacts of survival not only on herself but on those who have supported her Being diagnosed with stage 4 bowel cancer while bringing up two growing children holding down a full time job going through a break up and having three days to adjust to a life changing operation is far from ideal Add to this a short period of remission a new relationship followed by an unexpected relapse and the whole thing starting again and you know you are going to be in for an interesting read *Ninja High School Omnibus #4* Ben Dunn, Ready for more Well here s volume 4 500 more pages of one of the longest running independent comics in history *A Book about the Film Monty Python's The Meaning of Life* Darl Larsen,2020-06-29 This reference identifies and explains the cultural historical and topical allusions in the filmMonty Python s Meaning of Life the Pythons third and final original feature as a complete group In this resource virtually every allusion and reference that appears in the film is identified and explained from Britain s waning Empire through the Winter of Discontent to Margaret Thatcher s second term mandate from playing fields to battle fields and from accountant pirates to sacred sperm Organized chronologically by scene the entries cover literary and metaphoric allusions symbolisms names peoples and places as well as the many social cultural and historical elements that populate this film and the Pythons work in general *Render Unto Caesar* Geoff Newman,2014-08-22 Jack Mawgan is about to fulfill his ambition to become a qualified paramedic when an incident involving a young Muslim found naked on a Cornish road in broad daylight

draws him into the sinister world of Extraordinary Rendition This campaign was run by the US security services and involved their operatives in torture in their search for information about Al Qaeda s activities Jack s involvement sets off a chain of events that leads him to the depths of the African interior in pursuit of a self proclaimed jihadist fomenting rebellion and heavily involved in the drugs trade

Mediocre Great England Abiodun Olayinka Bamgbelu,2015-10-28 He Briton is a barbarian and believes that the customs of his tribe and Island are the laws of nature George Bernard Shaw The best argument against democracy is a five minute conversation with the average voter Sir Winston Churchill Corroborating the words of George Bernard Shaw Sir Winston Churchill implied that the average Briton was indeed a moron Also supporting Churchill s observation is the Organisation for Economic Cooperation and Development OECD which found that young adults in England are amongst the least literate and numerate in the industrialised world Mediocre Great England the latest book by Yinka Bamgbelu criticizes the legal system in Britain as well as the racism found in its institutions The highest reach of injustice is to be deemed just when you are not Plato Lies are told in criminal cases Lies are told in civil cases Lies are told all the time Sir Michael Havers Attorney General 1980 I don t think anyone will dispute that lots and lots of people are denied justice Sir David Napley The entire book is a letter to Dr Anand Kamath a 42 year old dentist who was seemingly and mercilessly hounded to death by white collar racist thugs Dr Stephanie Twidale another dentist could not spell and could not write legibly unrelentingly lied under oath What is the value of an illegible record by a dishonest semi illiterate expert Any legal system Third World included which tolerates dishonesty under oath is intellectually flawed and unsafe Competent administration of the law is an inviolable fundamental right This and no other is the root from which a tyrant springs when he first appears he is a protector Plato

How to Kill an Elephant Robert Pins,2018-11-26 Global warming will either grab your interest or see you running in the opposite direction But there is another way It is a truth that is never realized a truth that cannot surface once buried in the media and in politicians singlespeak and a truth that is tantalizingly beyond your reach How to Kill an Elephant exposes this truth for all to see yet this is not a book about global warming it is a book about human nature exposed for all its inadequacies It starts with elephants inexorably being driven to extinction by elephants of our own creation Where does it finish That s for you to decide Fancy a cane toad sandwich washed down with a cup of tea Have you ever seen stalactites playing chess You can expect a deadly serious read with a soup on of levity and straightforward humour because life really is too short not to indulge a little

The NHS IT Project Sean Brennan,2005 This book is a comprehensive but highly accessible examination of the past present and possible future of managing patient data The reader is introduced to the layers of computing that will fit together to create a single patient record Patient security and confidentiality are discussed along with the practical issues surrounding the introduction of the programme

Becoming a Social Worker Vivienne E. Cree,2009-06-16 This is a book about social workers and social work It tells the story of the journey into

and through social work of thirteen social workers living and working in the UK today We hear what has brought them into social work and what has kept them in it since Their lively accounts demonstrate that commitment and passion remain at the heart of social work today Becoming a Social Worker describes what it is like to be a social worker in different practice settings what it is like to be a social work manager and what is happening in social work education Some of the contributors will be recognised as those who have played a key part in shaping social work over the years and they provide valuable insights into how the profession of social work has developed in that time Other contributors less well known but no less interesting give us a vivid idea of what social work practice and social work education is like on the ground Social work is a demanding and difficult job which goes largely unseen within society We only ever hear about social work and social workers when something goes wrong and a vulnerable adult or child is hurt Becoming a Social Worker sets out to change that to make social work visible so that those considering a career in the caring professions can make an informed choice about whether social work is the career for them
