The House of Fragile Things James McAuley, 2021-03-23 A powerful history of Jewish art collectors in France and how an embrace of art and beauty was met with hatred and destruction In the dramatic years between 1870 and the end of World War II a number of prominent French Jews pillars of an embattled community invested their fortunes in France's cultural artifacts sacrificed their sons to the country's army and were ultimately rewarded by seeing their collections plundered and their families deported to Nazi concentration camps In this rich evocative account James McAuley explores the central role that art and material culture played in the assimilation and identity of French Jews in the fin de si cle Weaving together narratives of various figures some familiar from the works of Marcel Proust and the diaries of Jules and Edmond Goncourt the Camondos the Rothschilds the Ephrussis the Cahens d Anvers McAuley shows how Jewish art collectors contended with a powerful strain of anti Semitism they were often accused of invading France's cultural patrimony.
