Football Superstar Owen Arthur, 2022-08-25 Buried in an unmarked grave in the churchyard of the small village of Benson in Oxfordshire lies the body of a footballing world champion from a bygone era shrouded in the mists of time His name was Stephen Smith This footballer of the Victorian and Edwardian era could claim as many league title winning medals as John Terry and Wayne Rooney more league winners medals than Eric Cantona Frank Lampard Cristiano Ronaldo Thierry Henry and Alan Shearer This book is the never before told story of a footballer born at the end of the Industrial Revolution son of agricultural labourers who became a miner working underground combining that job with one as a professional footballer to rise to the top of the footballing world Smith won trophy after trophy in the best and only professional league anywhere in the world at that time He also scored the goal that made England World Champions in 1895 Smith at the top of his game in a move that mirrored the Premier League breakaway of 1992 and the recent ill fated European Super League then joined the newly formed Southern League at a time when the Football League started to cap player wages He did this in order to ensure his family's future as well as end his reliance on his part time earnings from mining Football's zeitgeist has fundamentally changed very little in the last 130 years for those inside the industry This is the story of Stephen Smith and the quest to find the support and funds to mark and commemorate one of the most decorated yet underappreciated footballers in the history of the game *Book World*, 1969

Scary Monsters Mark Duffett, Jon Hackett, 2021-01-14 Popular music and masculinity have rarely been examined through the lens of research into monstrosity The discourses associated with rock and pop however actually include more monsters than might at first be imagined Attention to such individuals and cultures can say things about the operation of genre and gender myth and meaning Indeed monstrosity has recently become a growing focus of cultural theory This is in part because monsters raise shared concerns about transgression subjectivity agency and community Attention to monstrosity evokes both the spectre of projection which invokes familial trauma and psychoanalysis and shared anxieties that in turn reflect ideologies and beliefs By pursuing a series of insightful case studies *Scary Monsters* considers different aspects of the connection between music gender and monstrosity Its argument is that attention to monstrosity provides a unique perspective on the study of masculinity in popular music culture *Baseball's Other All-Stars* William F. McNeil, 2000-03-15 Baseball is played in all corners of the world so it is no surprise to learn that some of the greatest hardballers of all time never played on a U S major league diamond Who knows what major league records would have been shattered had Sadaharu Oh of Japan Josh Gibson of the Negro Leagues Martin Dihigo of Cuba Francisco Coimbre of Puerto Rico and Hector Espino of Mexico played in the United States This work is a survey of the greatest baseball players who never played in the U S major leagues The greatest players from the various professional leagues outside organized baseball in the United States are reviewed and all star teams are selected for each league Finally the author selects an all world all star team from the individual all star teams from Japan Mexico Cuba Puerto Rico the Dominican Republic and the Negro Leagues **Boys' Life**, 1986-01 Boys Life is the official youth magazine for the Boy Scouts of America Published
