**The Finest Hours** Michael J. Tougas, Casey Sherman, 2015-12-29 Documents the 1952 Coast Guard mission to save the crews of two oil tankers that were torn in half by the force of one of New England's worst nor'easters [American Naval History in 50 Ships](#) James M. Caiella, 2025-08-01 The course of American naval history has not been set only by the relatively few famous ships whose stories have been told and retold This volume spotlights 50 less recognized vessels each significant in its own way from the Continental Navy to the first supercarriers while touching on many others with which their stories are interwoven Attention is given not only to the design and conceptual changes the vessels embodied but also the crews whose toil and heroism gave them life and sometimes notoriety One captain tried to sell his warship in the midst of the Civil War Each ship is detailed chronologically in chapters that often dispel timeworn misconceptions Some were trailblazers others were misdirected in their inspiration design or execution indeed two could not float and one was dampened only by rain Yet each helped shape America's seafaring history *Lighthouses of the East Coast: A Guide to the Atlantic Coast's Lighthouses* Pasquale De Marco, 2025-04-12 From the rocky shores of Maine to the sandy beaches of Georgia lighthouses have stood guard over the Atlantic coast for centuries guiding countless ships to safety and serving as beacons of hope for those braving the treacherous waters In this comprehensive and captivating book we delve into the fascinating world of East Coast lighthouses exploring their history engineering marvels and cultural significance We meet the brave men and women who served as lighthouse keepers tending the lights and ensuring the safety of those at sea We also discover the challenges facing these iconic structures in the modern age as technology and changing shipping patterns threaten their existence But this book is more than just a historical account it is a celebration of the enduring power of human ingenuity and resilience Through the stories of lighthouses and the people who have kept them shining we gain a deeper appreciation for the importance of perseverance courage and the unwavering spirit of exploration As we journey through time and space exploring the lighthouses of the East Coast we also explore the rich maritime history of the region We learn about the early explorers who braved the Atlantic in search of new lands the development of trade and commerce and the rise of the United States as a naval power We also discover the stories of the people who lived and worked in the lighthouses the keepers and their families who dedicated their lives to ensuring the safety of others Their stories are filled with drama sacrifice and resilience and they offer a glimpse into a world that is now largely gone With stunning photography and engaging narrative *Lighthouses of the East Coast Sentinels of the Sea* is a must read for anyone interested in maritime history architecture or the enduring legacy of human endeavor These lighthouses stand as a testament to the power of human ingenuity and the enduring spirit of exploration Their stories are a reminder of the importance of perseverance courage and the unwavering spirit of exploration If you like this book write a review on google books *Focus On: 100 Most Popular Drama Films Based on Actual Events* Wikipedia contributors, **Focus On: 100 Most Popular American 3D Films** Wikipedia contributors,

How did the lightship men cope with the isolation constant loneliness boredom fear or just sheer terror All were part of life on board a lightship Rough seas tossed the ship about rearing up and down the anchor chain This was a world of isolation noise from operating machinery and blasts from the powerful foghorn that went on for hours sometimes days at a time Webber answers that question in this book drawing on a combination of personal experience and meticulous historical research Discussions of men going mad lightships being run down by larger ships anchor chains breaking and lightships cast upon shoals are offset with humorous stories and the author's reflections on his best days at sea Webber also explains some of the heroic actions of a few lightship men over the years and points out that they received no recognition at the time The isolation these men faced was intense but they learned to make do with what they had Fourteen historic photos are included as well as a Foreword by Michael Tougias Into a Raging Sea Bernie Webber, 2015-12-21 Most people familiar with the name Bernie Webber associate him with the miraculous rescue of 32 men off of the stern of the Pendleton made famous in the book and movie *The Finest Hours* Rescuing 32 sailors from a sinking ship caught in a ferocious winter storm is a dramatic tale but what made this mission so special is that the boat Bernie skippered that terrible night was a mere 36 feet in length and the waves were almost twice that size Bernie and crew received the Coast Guard's coveted Gold Lifesaving Medal and what they did on that stormy night is regarded as the greatest small boat rescue in history In *Into A Raging Sea* Bernie tells that story but the book is so much more than that In these pages you'll read about rescue attempts that did not turn out well stories of fishermen from a time long past rescues done with the bygone technique of the breeches buoy humorous anecdotes and what Cape Cod and its people meant to Bernie *Into a Raging Sea* is a story of sacrifice bravery disappointment and challenges And in the background of Bernie's journey is one constant the sea from the forward by Michael J Tougias
