## New Riders Companion:

**The New Rider's Companion** Emma Callery, 1994      **Youth's Companion** , 1875      Companions on my Journey Kathy McInnis, 2019-02-12 When I was a teenager my mom told me that I walked around with a cloud over my head She had no idea the truth in her statement neither did she know the heavy weight of that dark cloud The cloud cast deep shadows over every area of my life Hiding in those shadows were sinister companions that would stalk me for years This book *Companions on My Journey* is an attempt to share my messy journey through the darkness into the marvelous light of God s love and grace At the cross I found healing and peace freedom and restoration I pray that my Heavenly Father will use my story to guide the hurting the rejected the abused and the condemned into the miraculous light of his unfathomable love Please take my hand and journey with me      **"Beau" Rand** Charles Alden Seltzer, 1921      the ladies' companion, and monthly magazine rogerson , 1854      *The Eye of Illumination* W.C. Gorski, 2020-04-01 There was a time A time long before the Troll Wars and the days of Noah A time long forgotten and lost to recorded history where kings men Elves Dwarves and El dwarves ruled in harmony in their separate nation states And there were Wizards who used their mystical powers to serve the inhabitants of the realm building the peace projecting and overseeing all that was good within the lands of these allied nations It was a good time Oh that s not to say there weren t a few minor incidents amongst the usual unsavory types But isn t that always the case in any normal society Or is it To the North lay the lands of Norsada where all was not good Norsada was home to the Muzoule despicable creatures who had a growing hatred for the inhabitants of the Realm Their loathing for all that was good became a religion to them and they rallied the defeated Trolls and Gnomes to war against the believers of the Lord of Creation Since their defeat and loss of territories at the end of the Troll Wars their evil was ever growing It was a vile festering malevolent influence that slowly began sweeping its way South to the Realm insidiously infecting the weak of mind the faint of heart and those who lust for power The source of this evil emanated from the glowing Eye The Eye of Illumination that sat in place of the capstone upon a pyramid in the midst of Northern most area of the Muzoule territories The glowing eye was a source connection to a greater evil sealed within the portal of the Second Heaven It was a dimensional prison reserved for the devil the so called Shinning One along with his fallen angles For them there was no way out No way to rule No way to control and torture until the Sword of Leahanna The Sword by itself was a killing machine created by the Elfin Warrior Leahanna The Sword as created was not controllable However in the past it was a most effective tool paramount to winning the Troll Wars But it was indiscriminate of who it killed when held high as it took control of its wielder The Elfin Queen Leahanna employed the Sword in battle and in doing so it unintentionally and without discretion murdered her late husband K Thilladorn From that point on Queen Leahanna could not bear to look upon the murderous weapon To bring the Sword under control the Elfin Priestess Lynthema nurtured from a small speck a Pearl within the crystalline waters of I Thilliander When inserted within the pommel of the Sword it brought this killing machine under usable control and was

tested in battle by Commander K Leander It worked Still the Queen could not tolerate its presence within the Elfin forest of I Thillianne She ordered that both the Pearl and the Sword be separated and hidden in separate locations never to be used again However there was another unexpected component to the Pearl and Sword s functionality When reunited the Pearl with the Sword became a Key As prophesied by the dying King K Thilladorn beware during the time of a full Blood Moon If the blade of this Sword now the key were to be inserted into the slot of the fractured lock at the top of the Evil One s Ziggurat hell would break loose An open floodgate to evil would be unleashed The porthole to another dimension the second heaven reserved for the devil and his angles would be free to come crawling out to infect all living things Evil would once again rein supreme over the land Torture and agony would be the rule of day The Illuminated One will have won This is the story of how good God fearing men women and the inhabitants of their era prevailed and overcame corruption and wickedness It is a story of impaling evil and keeping it from ever becoming the worst disaster in unrecorded history The Wizards of the High Tower would see to it
