communicate the message of the New Testament NIV, Books of the Bible, New Testament, eBook Zondervan,2011-10-22 The Bible isn't a single book. It's a collection of many books that were written, preserved, and gathered together so that they could be shared with new generations of readers. The Bible is an invitation to you to first view the world in a new way and then to become an agent of the world's renewal. The Books of the Bible NIV helps you have a more meaningful encounter with the sacred writings and to read with more understanding without centuries of added formatting so that you can take your place more readily within this story of new creation. There is no Bible more suited to reading from beginning to end. Scot McKnight, author of *Jesus Creed Features*. Chapter and verse numbers have been removed from the text. The books are presented instead according to the internal divisions that we believe their authors have indicated. A single column setting is used to present the text more clearly and naturally and to avoid disrupting the intended line breaks in poetry. Footnotes, section headings, and any other additional materials have been removed from the pages of the sacred text. Individual books that later tradition divided into two or more parts are put back together again. The books are arranged in an order that helps you understand the Bible more completely. *NET Eternity Now New Testament Series Set* Thomas Nelson,2022-09-13 Eternity Now reveals the history shaping story of how Jesus Christ changed the world and what that means to you. This reader-friendly series presents the New Testament books across five volumes to make it easy to read anytime. Volume 1: The Legacy. Matthew, Hebrews, James, Jude. Volume 2: No Going Back. Mark 1-2, Peter. Volume 3: Grand Tour. Books of Luke, Luke Acts. Volume 4: Death to Life. Books of Paul, Romans 1-2, Corinthians, Galatians, Ephesians, Philippians, Colossians 1-2, Thessalonians 1-2, Timothy, Titus, Philemon. Volume 5: Now But Not Yet. Books of John, John 1-3, John, Revelation. **Universal Version Bible The Books of Nevi'im & The Nevi'im Rishonim Part 1** William Petri,2016-12-26 Today new generations of believers have emerged and the need to update archaic words while at the same time improving the word-for-word translation for English-speaking people in the 21st century must take place. This unique Bible maintains the Old Testament names of ELOHIM while producing a more accurate, literal, easy-to-read text complete with extensive translation notes. This larger print edition of the UVB contains 1,000's of notes not included in the regular print edition, making the UVB the study Bible of choice for any serious student of Scripture. **Jensen's Survey of the New Testament** Irving Jensen,1981-05-26 Leads the reader to study and personal reflection considering the practical implications of Scripture. Beckwith,2008-11-01 This new study of the Old Testament canon by Roger Beckwith is on a scale to match H E Ryle s classic work which was first published in 1892 But Beckwith has the advantage of writing after the Qumran and other discoveries and he has also made full use of all the available sources including biblical manuscripts and rabbinical and patristic literature taking into account the seldom studied Syriac material as well as the Greek and Latin material The result of many years of study this book is a major work of scholarship on a subject which has been neglected in recent times It is both historical and theological but Beckwith s first consideration has been to make a thorough and unprejudiced historical investigation One of his most important concerns and one that is crucial for all students of Judaism and Christians in particular is to decide when the limits of the Jewish canon were settled In the answer to this question lies an important key to the teaching of Jesus and his apostles and the resultant beliefs of the New Testament church Furthermore any answers to questions about the state of the canon in the New Testament period would help to open a way through the present ecumenical and interfaith impasse on the subject With its meticulous research and evenhanded approach this book is sure to become the starting point for study of the Old Testament canon in the years to come
