**You're Addicted to YOU (EasyRead Edition)** Noah Blumenthal,2009 GetAbstract Summary Get the key points from this book in less than 10 minutes Though there is not a lot of new material here Noah Blumenthal manages to combine diverse ideas and create an extremely practical guide to personal change He takes in two valuable elements First he is clear and methodical Some books on change hurl readers into the process but his multistep plan walks readers through every stage of building awareness and making changes He demystifies the change process suggesting small manageable steps Second he insists on the importance of the larger context in determining behavior Blumenthal gets readers to scour their past present future and surroundings for the factors that trigger reward or support their bad behaviors Likewise he insists that readers get feedback from those around them and ask for considerable support The result is an immediately applicable book However the advice might seem somewhat uncomfortable as it exposes one s efforts to the supportive scrutiny of an

entire community getAbstract recommends it to readers who accept the author's call for emotional honesty and are seriously committed to change Book Publisher Berrett Koehler     **Overcoming Crystal Meth Addiction** Steven J. Lee,2009-03-25 In Overcoming Crystal Methamphetamine Addiction one of the few books to address the topic for a general audience Dr Steven Lee MD a psychiatrist who specializes in crystal meth addiction offers a complete guide to the drug its effects and how to overcome it Based on extensive scientific and social research and drawing from his professional experience he covers everything from the definition and history of crystal meth to the physical and psychological effects from dealing with the addictive personality to helping a friend or family member cope with it He focuses on understanding rather than outright condemnation of the drug and empathetically covers all of the crucial questions What is crystal meth How is it made How does it affect the body How do you know if you're addicted to it How do you stop using it What if you don't want to stop If you are going to use CM anyway how can you minimize the damage What if you quit but slipped and used again     **Overcoming**
