This Strange, Old World and Other Book Reviews by Katherine Anne Porter Katherine Anne Porter, 2008-12-01 Between 1920 and 1958 Katherine Anne Porter published more than sixty five book review many of which are now largely inaccessible Although several such pieces have appeared in earlier collections of Porter's nonfiction writings never have so many of Porter's reviews nearly fifty been made available in a single volume Collectively the review reveal Porter's opinions on topics ranging from the nature of art and the place of the artist in politics and society to feminism and the role of female artists Particularly evident in the reviews are the critical principles that guided her own work as well as her judgments of the works of other writers In her introductory essay Darlene Harbour Unrue provides important biographical information on Porter traces her career as a reviewer and links critical assumptions in the reviews to the themes and techniques of Porter's fiction Other scholars as well have regarded Porter's critical reviews as valuable tools both for analyzing the fiction and for constructing a portrait of Porter the artist primarily because Porter produced so little fiction three collections of short stories and novellas Flowering Judas The Leaning Tower and Pale Horse Pale Rider and a novel Ship of Fools In the preface to the first collection of her nonfiction writings The Days Before Porter herself urged readers to look closely at her nonfiction for there they would discover the shape direction and connective tissue

of a continuous central interest and preoccupation of a lifetime Most of the reviews which appeared in such publications as the New York Herald Tribune the New York Times the Nation and New Masses she apparently undertook for financial reasons but occasionally she would agree to review a friend's latest offering She published no reviews after the success of her best selling novel *Ship of Fools* Porter's scope as a reviewer was impressively broad Because she lived in Mexico City during the revolution had known Diego Rivera and had studied primitive Mexican art she was often called on to review books on Mexican art and on the revolution Porter also reviewed many books by or about women Her reviews of the Short Novels of Colette and Katharine Anthony's translation of Catherine the Great's memoirs are particularly noteworthy for her comments about women artists and her expression of admiration for women who flout traditional roles These collected reviews illustrate the evolution of one of the most important American writers of the twentieth century and will interest not only Porter scholars but also anyone who appreciates her fiction *Mathematical Book Review Index, 1800-1940* Louise S.

American Women Writing Fiction Mickey Pearlman, 1988 The works of Walt Whitman have been described as masculine feminine postcolonial homoerotic urban organic unique and democratic yet arguments about the extent to which Whitman could or should be considered a political poet have yet to be fully confronted Some scholars disregard Whitman s understanding of democracy insisting on separating his personal works from his political works A Political Companion to Walt Whitman is the first full length exploration of Whitman s works through the lens of political theory Editor John E Seery and a collection of prominent theorists and philosophers uncover the political awareness of Whitman s poetry and prose analyzing his faith in the potential of individuals his call for a revolution in literature and political culture and his belief in the possibility of combining heroic individualism with democratic justice A Political Companion to Walt Whitman reaches beyond literature into political theory revealing the ideology behind Whitman s call for the emergence of American poets of democracy

Imitations of Life Abe C. Ravitz, 2009-03-10 In the early 1920s Fannie Hurst s enormous popularity made her the highest paid writer in America She conquered the literary scene at the same time the silent movie industry began to emerge as a tremendously profitable and popular form of entertainment Abe C Ravitz parallels Hurst s growing acclaim with the evolution of silent films from which she borrowed ideas and techniques that furthered her career Ravitz notes that Hurst was amazingly adept at anticipating what the public wanted Sensing that the national interest was shifting from rural to urban subjects Hurst set her immigrant tales and her working girl tales in urban America In her early stories she tried to bridge the gap between Old World and New World citizens each somewhat fearful and suspicious of the other She wrote of love and ethnicity bringing the Jewish Mother to prominence of race relations and prejudice of the woman alone in her quest for selfhood Ravitz argues in fact that her socially oriented tales and her portraits of women in the city clearly identify her as a forerunner of contemporary feminism Ravitz brings to life the popular culture from 1910 through the 1920s tracing the meteoric rise of Hurst and depicting the colorful cast of characters surrounding her He reproduces for the first time the

Hurst correspondence with Theodore Dreiser Charles and Kathleen Norris and Gertrude Atherton Fellow writers Rex Beach and Vachel Lindsay also play important roles in Ravitz's portrait of Hurst as does Zora Neale Hurston who awakened Hurst's interest in the Harlem Renaissance and in race relations as shown in Hurst's novel *Imitation of Life* What America Read Gordon Hutner, 2009-11-05 Despite the vigorous study of modern American fiction today's readers are only familiar with a partial shelf of a vast library Gordon Hutner describes the distorted canonized history of the twentieth century American novel as a record of modern classics insufficiently appreciated in their day but recuperated by scholars in order to shape the grand tradition of Hemingway Fitzgerald and Faulkner In presenting literary history this way Hutner argues scholars have forgotten a rich treasury of realist novels that recount the story of the American middle class's confrontation with modernity Reading these novels now offers an extraordinary opportunity to witness debates about what kind of nation America would become and what place its newly dominant middle class would have and Hutner suggests should also lead us to wonder how our own contemporary novels will be remembered *Catalog of Copyright Entries. Branch, 2015-09-30 I need an audience so watch out With these James T Farrell announced his intention of becoming a writer He was to realize this ambition in manifold ways through his prolificacy versatility and his achieved recognition as a formidable figure in American literature The material contained in this book grew out of initial research for a critical study which disclosed the chaotic state of Farrell's literary affairs and the urgent need for a bibliography The task was not to be an easy one for many of Farrell's writings were printed in obscure publications both in the United States and abroad Edgar M Branch has ferreted out producing his compilation with enthusiasm and accuracy This book is a definitive guide to Farrell's writings published in

Essays for Richard Ellmann Susan Dick, Declan Kiberd, 1989-03-01 Ellmann s sensitivity to what it meant to be an artist shaped his work from the outset The life of an artist differs from the lives of other persons in that its events are becoming artistic sources even as they command his present attention Instead of allowing each day pushed back by the next to lapse into imprecise memory he shapes again the experiences which have shaped him Richard Ellmann died in 1987 His life and work have touched the lives of many Some of the essays in this collection commemorate Richard Ellmann and his commitment to Twentieth Century literature most provide a continuing investigation of the Twentieth Century literature to which he devoted his career Contributors include Alison Armstrong Daniel Albright Christopher Butler Carol Cantrell Jonathan Culler Elizabeth Butler Cullingford Andonis Decavelles Rupin Desai Susan Dick Terence Diggory Terry Eagleton Rosita Fanto Charles Feidelson James Flannery Charles Huttar Bruce Johnson John Kelleher Brendan Kennelly Frank Kermode Declan Kiberd Peter Kuch Bruce Johnson James Laughlin A Walton Litz Dominic Manganiello Ellsworth Mason Christie McDonald Dougald McMillan Sean O Mordha Vivian Mercier Mary T Reynolds William K Robertson Joseph Ronsley S P Rosenbaum Ann Saddlemeyer Sylvan Schendler Daniel Schneider Fritz Senn Jon Stallworthy Lonnie Weatherby Thomas Whitaker and Elaine Yarosky
