

A photograph of two young women with long brown hair sitting on a thick, dark tree branch. They are seen from behind, looking out towards a background of soft-focus pink cherry blossoms. The woman on the right is wearing a blue denim jacket over a white top, and the woman on the left is wearing a white sweater. In the upper left corner, there are green leaves and blue flowers hanging down. The overall mood is contemplative and romantic.

Danielle Steel tells a compelling story of sisters who are irrevocably woven into the fabric of one another's lives. Brilliantly blending humor and heartbreak, she delivers a powerful message about the fragility and the wonder of life. **The Age of Melodramatic Miniseries** Scott Humphries, 2023-03-24. Glamour, power, champagne breakfasts in satin sheets welcome to television's most dazzling and overlooked genre: women-centric melodrama miniseries of the 1980s and 1990s. Decades before *Real Housewives* rags to riches fantasies depicting strong women overcoming tragedy to take charge of their destinies were a big hit with TV audiences, reflecting the greed-is-good ethos of the day and encoded with feminist messaging, these glitzy, often camp stories depicted statuesque superwomen facing off with square-jawed men in boardrooms and bedrooms. This book explores the shows that epitomized the prime-time soap era and gave us such memorable scenes as Stefanie Powers trading lovers with her twin sister Joan Collins, fighting Nazis in haute couture, and Phoebe Cates demanding, "Which one of you bitches is my mother?" **Going Home** Danielle Steel, 1991-11. When an old lover comes East, eager to win back the heart of Gillian Forrester, she must choose her future and find the deepest desires of her heart. **Turning Point** Danielle Steel, 2019-07-23. 1 NEW YORK TIMES BESTSELLER. In Danielle Steel's powerful novel, four trauma doctors, the best and brightest in their field, confront exciting new challenges both personally and professionally when given an unusual opportunity. Bill Browning heads the trauma unit at San Francisco's busiest emergency room, SF General. With his ex-wife and daughters in London, he immerses himself in his work and lives for rare visits with his children. A rising star at her teaching hospital, UCSF at Mission Bay, Stephanie Lawrence has two young sons, a frustrated stay-at-home husband, and not enough time for any of them. Harvard-educated Wendy Jones is a dedicated trauma doctor at Stanford, trapped in a dead-end relationship with a married cardiac surgeon. And Tom Wylie's popularity with women rivals the superb medical skills he employs at his Oakland medical center, but he refuses to let anyone get too close, determined to remain unattached forever. These exceptional doctors are chosen for an honor and a unique project to work with their counterparts in Paris in a mass casualty training program. As professionals, they will gain invaluable knowledge from the program. As ordinary men and women, they will find that the City of Light opens up incredible new possibilities, exhilarating, enticing, and frightening. When an unspeakable act of mass violence galvanizes them into action, their temporary life in Paris becomes a stark turning point, a time to face harder choices than they have ever made before, with consequences that will last a lifetime. **Lost and Found** Danielle Steel, 2019-06-25. What might have been. This tantalizing question propels a woman on a cross-country adventure to reunite with the men she had loved and let go. Madison Allen is a renowned career-driven photographer. Sifting through old photos in her fashionable New York firehouse apartment, she reflects on what could have been. She'd had three men in her life who were very important to her in different ways, but it was the fourth love, her job, which always won in the end. Consumed by old memories and with a forced pause in her demanding schedule, Maddie embarks on a road trip. She hopes to answer questions about the men she'd loved and might have married in the years after she was left alone with three young

children As Maddie sets off to reconnect with her past in Boston Chicago and Wyoming she hopes to learn that the decisions she made long ago were the right ones And as her life comes into clearer focus a new unexpected future takes shape and is a valuable lesson to all of us who have ever wondered what if From New York to Santa Fe Lost and Found by Danielle Steel is a novel about first love second chances and whether there is such a thing as happy ever after **To Love Again** Danielle Steel,2009-02-27 In Rome Isabella and her husband Amadeo have created an idyllic marriage and the House of San Gregorio the most exciting name in European high fashion But in an act of terrorism Amadeo is kidnapped and taken from Isabella forever Fleeing to New York she fights to build a new life for herself and her son as they discover new worlds and a new life together Lightning Danielle Steel,2006-04-25 As a partner at one of New York s most prestigious law firms Alexandra Parker barely manages to juggle husband career and the three year old child she gave birth to at forty But Alex feels blessed with her life and happy marriage until lightning strikes her Suddenly a routine medical check up turns her world upside down when tests reveal shattering news Sam Parker is a star venture capitalist a Wall Street whiz kid and is as proud of his longtime marriage to Alex as he is of his successful career As a major player in New York s financial world Sam is used to being in control until he is caught off guard by Alex s illness Terrified of losing his wife and family and haunted by ghosts from his past Sam is unable to provide any kind of emotional support to Alex Unable to cope with her needs Sam takes his distance from her and almost overnight she and Sam become strangers As lightning strikes them yet again Sam s promising career suddenly explodes in disaster and his very life and identity are challenged With their entire future hanging in the balance Alex must decide what she feels for Sam if life will ever be the same for them again or if she must move on without him What happens to people when every aspect of their lives and well being is threatened In Lightning Danielle Steel tells the story of a family thrust into uncertainty and explores whether the bonds of love and marriage can withstand life s most unexpected bolts of lightning From the Hardcover edition Full Circle Danielle Steel,1985-05-01 The 1960s Kennedy Martin Luther King Civil rights Viet Nam Tana Roberts comes of age in this turbulent decade and begins a journey that will lead her from New York to the South during the heat of racial unrest A thoroughly modern young woman she yearns for a career and is willing to sacrifice everything to get it And it s only much later that Tana discovers that she can have it all Career Love And peace of mind As she comes of age at last and comes full circle **The Klone and I** Danielle Steel,1999-07-27 Stephanie had a rat for a husband But after 13 years of marriage and two kids she was devastated when he left her for a younger woman Suddenly Stephanie was alone And after months of trying to find a little romance on New York s wild singles circuit she was ready to give up reconciled to just raising her two great but outspoken kids Then a spur of the moment trip to Paris changed everything She met him on the Left Bank Peter Baker was a marvelously handsome high tech entrepreneur also visiting the city Stephanie was certain it couldn t possibly work Peter was just too perfect But much to her amazement he contacted her when they returned to New York And at the Long Island rental cottage she shared with her kids
