**New York Magazine** ,1985-06-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Stolen Headstones Ari Schneider,2025-07-22 The acclaimed true story originally published in Mountain Gazette One night in September 1943 a Jewish mother took her nine year old son in one arm and five year old daughter in the other and jumped off a moving train to save their lives Decades later the town of Fossano Italy still celebrates the local heroes who found the mother and her children by the tracks and risked everything to hide them from the Nazis But the whole story where they came from and how they got there remained a mystery until now The past and present converge in this deeply reported narrative as award winning writer Ari Schneider travels across Europe retracing his family s Holocaust story amid a global resurgence of far right nationalism His journey takes him to a cemetery in Poland where generations of his ancestors were buried and a new mystery arises Praise for Stolen Headstones Ari Schneider hunts down the truth with the tenacity of a journalist and the urgency of someone whose own family history was nearly lost to war to mythmaking and to a grandfather who survived the Holocaust but chose embellishment over fact Stolen Headstones is both an investigation and an inheritance a deeply reported account of survival memory and the fictions we tell to endure A remarkable debut Laurie Gwen Shapiro bestselling author of *The Stowaway* and *The Aviator* and the *Showman* Ari is one of the brightest young journalists working today Stolen Headstones is his most impressive work yet a thrilling exploration of WWII one family s legacy and the traces we all leave behind Daniel Lombroso director of *White Noise* and Nina Irena Schneider s research is impeccable this is a remarkable example of relentless journalistic investigation An enthralling study of generational trauma created by the Holocaust Kirkus Reviews
