Textbook of Couples and Family Therapy in Clinical Practice Ira D. Glick, Alison M. Heru, Danielle Kamis, 2024-10-18

Drawing on extensive clinical experience as well as on the scientific literature in the family systems psychiatry psychotherapy and neuroscience fields Textbook of Couples and Family Therapy in Clinical Practice 6th Edition delivers essential information for psychiatrists physicians in other specialties and physical and mental health professionals at all levels of practice Drs Ira D Glick and Alison M Heru along with new co author Danielle Kamis cover general concepts of family function and dysfunction family therapy and family oriented interventions all in an easy to read and digestible manner This practical clinical guide helps clinicians work within family systems by reviewing clinical practice considerations current research and training issues in part through real world case examples Bibliotherapy John T. Pardeck, Jean A.

Pardeck, 2021-12-23 First Published in 1993 Bibliotherapy provides literature for mental health professionals which can be used with a clinical approach in helping children with problems For those not familiar with bibliotherapy it provides an extensive introduction to the field including reviews of its effectiveness value and limitations as well as examples of practical application Chapters include an overview of bibliotherapy clinical application changing role models blended family separation and divorce child abuse foster care adoption and childhood fears Over 350 children's books are listed each briefly annotated from which the clinician can select suitable material for therapeutic intervention This book is an essential read for scholars researchers and practitioners of clinical psychology psychology in general Resources in Education, 2000 The Good Marriage: How and Why Love Lasts Judith Wallerstein, 2019-08-09 When it first appeared in 1995 The Good Marriage became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment The Good Marriage explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about The Good Marriage is its modesty It doesn't pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women's marital roles and status Equally important it ignores the two most common ways of talking about marriage as a

contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead The Atlantic A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby The New York Times Book Review Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson San Francisco Examiner Chronicle Groundbreaking Boston Globe This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise David Blankenhorn Newsday Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I've been using The Good Marriage by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein's new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein's major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health Using Literature to Help Troubled Teenagers Cope with Family Issues Joan Kaywell, 1999-04-30 This unique resource for teachers librarians counselors and parents combines the expertise of literacy experts and therapists Together these professionals

provide guidance through the examination and analysis of characters in young adult literature to those working with troubled teens. Thereby helping professionals and parents gain insight into the inner workings of teenagers and encourage them to deal with their family issues and emotional problems while improving their reading and writing skills. *Deal With It* Esther Drill, Heather McDonald, Rebecca Odes, 1999-09. The creators of the award winning phenomenally popular interactive website gURL.com present a hip no nonsense resource book for girls.

Divorce Therapy Charles Figley, PhD, 2014-06-17. Examine a wide variety of divorce therapy approaches with this seminal book. Divorce Therapy is one of the first books to present a comprehensive approach to divorce therapy. Based on a foundation of theory and research about divorce, this landmark volume focuses on the help that psychotherapists can provide during the three stages of divorce: pre-divorce decision making, divorce restructuring, and post-divorce recovery. A distinguished array of researchers and clinicians address discuss mediation criteria for a constructive divorce, remarriage, custody issues, and much more.

Handbook of Evidence-Based Treatment Manuals for Children and Adolescents Craig W. LeCroy, 2008-04-18. With the advance of evidence based practice has come the publication of numerous dense volumes reviewing the theoretical and empirical components of child and adolescent treatment. There are also a variety of detailed treatment manuals that describe the step by step procedures to guide ongoing research and practice. The second edition of Craig Winston LeCroy's Handbook of Evidence Based Child and Adolescent Treatment Manuals is a forceful combination of the two approaches as he gathers fifteen varied treatment manuals and brief summaries of the research supporting each to ensure that practitioners will truly understand how to implement the treatments they are using. A completely revised and expanded edition of the handbook's first edition, this is an essential guide to some of the best programs for helping children and teens. Each chapter begins with an explanatory section that discusses the theoretical and empirical underpinnings of the programs. The treatment manual follows, leading readers through sessions with specific details about conducting the treatment that have been refined and improved through extensive testing and research. Organized into three sections: the major clinical disorders, social problems confronting children and teens, and preventive interventions, the Handbook brings together some of the most esteemed researcher/practitioners in the child and adolescent field. The book presents an impressive variety of innovative treatment programs and techniques, including the SiHLE program intended to prevent problems confronting children and teens, and preventive interventions. The Handbook brings together some of the most esteemed researcher/practitioners in the child and adolescent field. The book presents an impressive variety of innovative treatment programs and techniques, including the SiHLE program intended to prevent HIV through education and self-esteem building, the Children of Divorce Intervention Program, a therapy for younger children stressing resilience and skill building, and Strengths Oriented Family Therapy, which reaches out to substance involved adolescents and their families. The Handbook of Evidence Based Child and Adolescent Treatment Manuals is an indispensable reference for researchers, graduate students, and practitioners working with children and adolescents in a

multitude of settings from schools and juvenile correction centers to group homes and family service agencies

Intervening in Adolescent Problem Behavior Thomas J. Dishion, Kate Kavanagh, 2003-05-22 This book presents a multilevel intervention and prevention program for at risk adolescents and their families Grounded in over 15 years of important clinical and developmental research the Adolescent Transitions Program ATP has been nationally recognized as a best practice for strengthening families and reducing adolescent substance use and antisocial behavior The major focus is to support parents skills and motivation to reduce adolescent problem behavior and promote success Spelling out the why what and how of this proactive culturally informed intervention the volume provides a solid scientific framework and all of the materials needed to implement the program in school or community settings Included are illustrative case examples and an appendix featuring reproducible handouts and forms

The Therapist's Notebook, Volume 2 Lorna L Hecker, Catherine Ford Sori, 2012-12-06 Get the updated classic that provides innovative exercises that promotes change The Therapist's Notebook Volume 2 More Homework Handouts and Activities for Use in Psychotherapy is the updated classic that provides mental health clinicians with hands on tools to use in daily practice This essential resource includes helpful homework assignments reproducible handouts and activities and interventions that can be applied to a wide variety of clients and client problems Useful case studies illustrate how the activities can be effectively applied Each expert contributor employs a consistent chapter format making finding the right activity easy The Therapist's Notebook Volume 2 More Homework Handouts and Activities for Use in Psychotherapy includes innovative field tested activities to assist therapists in a wide range of applications including adults children adolescents and families couples group work trauma abuse recovery divorce and stepfamily issues and spirituality Format for each chapter follow by type of contribution activity handout and or homework for clients and guidance for clinicians in utilizing the activities or interventions objectives rationale for use instructions brief vignette suggestions for follow up and contraindications Three different reference sections include references professional readings and resources and bibliotherapy sources for the client Various theoretical perspectives are presented in The Therapist's Notebook Volume 2 More Homework Handouts and Activities for Use in Psychotherapy including cognitive behavioral narrative therapy solution focus choice theory and reality therapy REBT strategic family therapy experiential art and play therapies couples approaches including Gottman and Emotionally Focused Therapy medical family therapy Jungian family of origin therapy adventure based therapy The Therapist's Notebook Volume 2 More Homework Handouts and Activities for Use in Psychotherapy is a horizon expanding guide for marriage and family therapists psychiatric nurses counselors social workers psychologists pastoral counselors occupational therapists counselor educators school social workers school counselors and students

Therapy with Single Parents Joan D Atwood, Frank Genovese, 2014-02-25 Provide effective counseling to members of single parent families With more than half of all first marriages ending in divorce it's time to re think the notion that divorce means failure Therapy with Single Parents focuses on the strengths of the single parent

family rather than its weaknesses stressing the need to look at the socially constructed norms values and definitions associated with marriage and family in order to provide effective counseling This unique book examines experiences that are common to single parents and presents interventive strategies for treating single parent family issues drawing on clinical case studies to provide technical knowledge in everyday language Current research shows that single parents account for 27 percent of family households that include children under 18 and that the number of single mothers in the United States more than tripled between 1970 and 2000 Therapy with Single Parents challenges outdated notions that the single parent family is somehow deficient and associated with adjustment problems in children It doesn't ignore the anger pain sadness and guilt experienced by many members of single parent families but offers therapeutic considerations from a more balanced approach The book examines the social psychological and sexual experiences of newly single parents and addresses the ups and downs they'll face in dealing with schools the workplace and social services Therapy with Single Parents examines social and psychological differences between divorce and widowhood cognitive behavioral principles of single parent families what children can learn from divorce dealing with the ghosts of past relationships relationship rules dealing with adult children and extended families the effect of change in divorcing families the feminization of poverty the therapeutic value of social networks Therapy with Single Parents is an invaluable resource for psychologists professional counselors social workers and marriage and family therapists The book presents a thorough in depth examination of the single parent family system as a viable healthy family form

Edelman and Kudzma's Canadian Health Promotion Throughout the Life Span - E-Book Marian Luctkar-Flude, Jane Tyerman, Shannon Dames, 2025-02-27 Gain the knowledge and skills you need to promote health and prevent disease in Canada Edelman and Kudzma's Canadian Health Promotion Throughout the Life Span Second Edition describes public health concepts from a Canadian perspective helping you to improve community health and reduce health inequities within a diverse population Covering the needs of each age and stage of life this book discusses care of the individual family and community all based on the latest research and trends in Canadian health promotion New chapters address the timely topics of Indigenous health and 2SLGBTBQI health Written by respected Canadian educators Marian Luctkar-Flude Shannon Dames and Jane Tyerman this book is the only Canadian nursing health promotion text on the market

Couples and Family Therapy in Clinical Practice Ira D. Glick, Douglas S. Rait, Alison M. Heru, Michael Ascher, 2015-10-26 Couples and Family Therapy in Clinical Practice has been the psychiatric and mental health clinician's trusted companion for over four decades This new fifth edition delivers the essential information that clinicians of all disciplines need to provide effective family centered interventions for couples and families A practical clinical guide it helps clinicians integrate family systems approaches with pharmacotherapies for individual patients and their families Couples and Family Therapy in Clinical Practice draws on the authors' extensive clinical experience as well as on the scientific literature in the family systems psychiatry psychotherapy and neuroscience fields

The Individual, the Family, and Social Good

Gary B. Melton, 1995-01-01 The question of whether personal gratification is compatible with social good is one of the fundamental problems of motivation The family an institution that has undergone extraordinary change in the last generation is perhaps the most profound context in which to consider this issue This volume is tinged with prophetic concern about the state of contemporary family life and about the unlikelihood of reconciling individual family members interests with those of the family as a whole The nine contributors backgrounds are diverse anthropology economics law and clinical community developmental and social psychology and their positions on the nature of motivation in families vary widely Their views are often disquieting and sometimes conflicting as they offer provocative analyses of divorce family violence political transitions and concerns of both Western and non Western cultures Gary B Melton is director of the Institute for Families in Society at the University of South Carolina and professor of law neuropsychiatry and psychology His books include *Adolescent Abortion Psychological and Legal Issues* Nebraska 1986 *The Navy Chaplain* ,1988 *The Handbook of Systemic Family Therapy*, *Systemic Family Therapy with Children and Adolescents* Lenore M. McWey, 2020-10-19 Volume II of *The Handbook of Systemic Family Therapy* presents established and emerging models of relational treatment of children and young people Developed in partnership with the American Association for Marriage and Family Therapy AAMFT it will appeal to clinicians such as couple marital and family therapists counselors psychologists social workers and psychiatrists It will also benefit researchers educators and graduate students involved in CMFT *Sharing the Journey* David Yellin, 2017-05-12 This wonderful resource from two authors with an infectious enthusiasm for children s literature will help readers select and share quality books for and with young children Specifically focused on infants through the third grade *Sharing the Journey* contains descriptive book annotations instructive commentary and creative teaching activities tailored for those important years Extensive book lists throughout will help readers build a library of quality children s literature Books representing other cultures are included to help celebrate diversity as well as cultural connection Genre chapters include poetry fantasy and realistic and historical fiction A chapter on informational books demonstrates how young children can be introduced to and learn to enjoy nonfiction
