most challenging authors of American literature He is known internationally as the author of The Great Gatsby 1925 a
twentieth century literary classic studied by high school students and scholars alike But Fitzgerald was an amazingly

and reviews much poetry several plays and some film scripts Even when he wrote hastily and perhaps bleary eyed his works

beneath all the glitter for which his prose is famous he warns of the dangers of personal recklessness and praises the
redemptive power of love Through hundreds of alphabetically arranged entries this reference book provides complete
coverage of Fitzgerald s life and writings The volume begins with a chronology that traces his rise from obscurity to fame his
struggles with alcoholism and his eventual financial downfall The entries that follow give a full and detailed picture of
Fitzgerald and his work They present the essential action in Fitzgerald s novels short stories plays and poems identify all
named fictional characters and indicate their significance and give brief biographical information for Fitzgerald s family
members friends and professional associates Many of the entries include bibliographies which emphasize criticism published
after 1990 and the volume closes with a general bibliography of the most important broad studies of Fitzgerald and his works
