

The background image shows the interior of a rustic stone building. The walls and floor are made of rough-hewn stones. The roof is made of dark wooden planks with visible wooden beams. A rectangular skylight in the center of the roof lets in bright natural light, which creates a strong glare on the stone floor. Through the stone walls, green foliage is visible outside.

Hildebrand, 2025-05-21 A memoir of caregiving for the author's elderly father in his last years this book is also about the loss of a beloved career as a hospital chaplain and a reflection on the many deaths experienced throughout life Family dysfunction and fierce love recovery from addiction regret and guilt thanksgiving and hopefulness are woven through the saga of accompanying an infuriating deeply loved parent to his death The timeline of this memoir intersects with the beginning of the COVID pandemic which made everything more complicated Because the author is a pastoral theologian and preacher biblical reflection is woven into the narrative as well as reflections on mortality from other sources Throughout the author probes deeply into the realities of her own aging and death providing insights that will be helpful to thoughtful readers of all ages as well as to other caregivers *From the Mist: A Life Restored by Nature* Patrick Walter
