States Wynstan Vanderfeld lures Larina to the family Villa in Sorrento And there mysteries unfold amid incomparable beauty and both the lovely Larina and the worldly millionaire despite endless problems eventually find time for love **Voices of the Windrush Generation** David Matthews,2018-10-18 Evocative authentic and brilliantly told a wonderful read David Lammy Foreword by West Indies Cricketer Sir Clive Lloyd Voices of the Windrush Generation is a powerful collection of stories from the men women and children of the Windrush generation West Indians who emigrated to Britain between 1948 and 1971 in response to labour shortages and in search of a better life Edited by journalist and bestselling author David Matthews this book paints a vivid portrait of what it meant for those who left the Caribbean for Britain during the early days of mass migration Through his own and many other stories Matthews explores why and how so many people came to Britain after World War II their hopes and dreams the communities they formed and the difficulties they faced being separated from family and friends while integrating into an often hostile society We hear how lives were transformed and what became of the generations that followed taking the reader right up to the present day and the impact of the current Windrush deportation scandal upon everyday people At once a nostalgic treasure trove of human interest which unearths the real stories behind the headlines and a celebration of black British culture Voices of the Windrush Generation is an absorbing and important book that gives a platform to voices that need to be heard **Re-Figuring Theology** Stephen H. Webb,1991-07-03 Here is a rhetorical treatment of Karl Barth s early theology Although scholars have long noted the rhetorical power of Barth s work calling it volcanic and explosive this book uses rhetoric to illuminate the peculiar nature of his prose It displays a Barth whose prose is radically unstable and inseparable from his theological arguments The author connects Barth s early theology to the Expressionism of the Weimar Republic He develops an original theory of figures of speech relying on the philosophies of Paul Ricoeur and Hayden White to delve more deeply into the particular configurations of Barth s writings Nietzsche s hyperbole and Kierkegaard s irony are examined as rhetorical precedents of Barth s style The closing chapter surveys Barth s later realistic theology and then suggests ways in which his earlier tropes especially the figures of excess and self negation can serve to enable theology to speak today *Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
