## **Nice Book Ramshackle Yellowknife Story Alison McCreesh:**

**Ramshackle** Alison McCreesh, 2015 Over the past decade the North or at least the idea of it has slowly made its way back to our consciousness a notion that the North is synonymous with a lawless rugged freedom But at first glance Yellowknife NWT is actually a somewhat disappointing modern capital city There are tall buildings yoga pants a Walmart and a lot of government jobs None the less if you dig a little deeper you do find that alternative off grid reality Barely five minutes from the downtown core wedged between million dollar houses you find little shacks where people exist without running water and use honey buckets for toilets When Alison McCreesh moved from Quebec to Yellowknife she quickly fell in love with the quirky ways in which it seemed possible to live up North Part travelogue part comic book part love story and part guide to the North and its quirky inhabitants **Ramshackle** spans her first summer north of 60 **The Routledge**

**Ramshackle** Alison McCreesh, 2018-09-27 **Degrees of Separation** , 2024-03 The tension between free spirited off grid living and prosaic adult responsibility runs through Alison McCreesh s tender and loving ode to the people and landscapes of the Far North Joe Sacco Paying the Land At age 21 Alison hitchhiked to the Yukon and spent the summer living in a tent 10 years later in the deep of winter and seven months pregnant she returns Degrees of Separation is about what happened in between Over the course of a decade artist Alison McCreesh lived worked and travelled north of the 60th parallel Through a combination of autobiographical stories drawings and sketches Degrees of Separation offers an intimate and understated glimpse of the North as Alison experienced it From frigid days spent killing time while stranded in the High Arctic to the challenges of raising a baby in a small shack with no running water it is one young woman s personal experience of both passing through and of setting down roots Tinged with McCreesh s characteristic blend of humour and humanity Degrees of Separation is about the north and its vastness and its diversity While the backdrop may seem foreign to many this

collection is also a universal exploration of those transformative years from young adulthood to motherhood It s a graphic novel navigating themes of connection and disconnect between the north and the south but also between different norths and between our different selves     One Good Thing Rebecca Hendry,2018 A novel set in Yellowknife s historic Old Town in the 70s that explores both abandonment and belonging in the life of one young woman
