Sexualities Alessandra Lemma, Paul E. Lynch, 2015-06-05 *Sexualities Contemporary Psychoanalytic Perspectives* presents a broad selection of contemporary psychoanalytic thinking on sexuality from a wide range of psychoanalytic traditions. Sexuality remains at the heart of much psychoanalytic theory and practice but it is a complex and controversial subject. Edited by Alessandra Lemma and Paul E. Lynch, this volume includes a range of international contributions that examine contemporary issues and trace common themes needed to understand any sexuality including the basics of sexuality and the myriad ways in which sexuality is lived. The clinical examples provided here demonstrate contemporary psychoanalytic techniques that uncover meanings that are both fresh and enlightening and address heterosexuality, homosexuality, gender, and perversion from a psychoanalytic perspective. Divided into four parts, the book includes the following: Historical context, Foundational concepts, Contemporary elaborations, Homosexuality, Perversion revisited. Throughout *Sexualities Contemporary Psychoanalytic Perspectives*, the reader will find psychoanalytic wisdom that is transferrable to work with patients of all sexualities and will see that the essentials of sexuality may be more similar than they are different for homo and hetero sexuality. Psychoanalysts and psychoanalytic psychotherapists as well as academics interested in the subjects of psychoanalysis, gender, sexuality, or homosexuality will find this book an invaluable resource. Alessandra Lemma, PhD, is Director of the Psychological Therapies Development Unit at the Tavistock and Portman NHS Foundation Trust. She is a Fellow of the British Psychoanalytic Society and Visiting Professor in the Psychoanalysis Unit, University College London. She is a Consultant Adult Psychotherapist at the Portman Clinic where she specializes in working with transsexuals. She has published extensively on psychoanalysis, the body, and trauma. Paul E. Lynch, MD, is on the faculty of the Boston Psychoanalytic Society and Institute, the Massachusetts Institute for Psychoanalysis, and the China American Psychoanalytic Alliance. He teaches about psychoanalysis, gender, and sexuality and has been a popular speaker on issues of homosexuality and psychoanalysis. He is also a Clinical Instructor of Psychiatry at the Tufts University School of Medicine.

Beauty around the World Erin Kenny, Elizabeth Gackstetter Nichols, 2017-06-22 Taking the concept of beauty seriously, this encyclopedia examines how humanity has sought and continues to seek what is beautiful in a variety of cultural contexts, giving readers an understanding of how to look at beauty both intellectually and critically. Is beauty ever more than skin deep? Arguably yes, considering that the concept of beauty and the pursuit of it has shaped cultures worldwide across every time period and has even served to change the course of history. Studying beauty practices yields insight into social status, wealth, political ideology, religious doctrine, and gender expectations, including gender nonconformity. A truly interdisciplinary text, *Beauty around the World: A Cultural Encyclopedia* presents an insightful perspective on beauty that draws from philosophy, literature, sociology, anthropology, psychology, and feminist studies, giving readers a unique view of world beauty practices. This volume offers information about beauty practices from the past to the present in alphabetical entries that address terms

and topics such as beards dreadlocks Geisha moko tattoos and progressive muscularity Readers will better comprehend how beauty shapes many social interactions in profound ways worldwide and that the unspoken social agreements that shape ideals of attractiveness and desirability within any given culture can matter very much The encyclopedia's entries challenge readers to consider the questions What is beauty and Why does it matter A comprehensive bibliography is a valuable resource for further research

Sissy Insurgencies Marlon B. Ross, 2021-12-06 In *Sissy Insurgencies* Marlon B. Ross focuses on the figure of the sissy in order to rethink how Americans have imagined articulated and negotiated manhood and boyhood from the 1880s to the present Rather than collapsing sissiness into homosexuality Ross shows how sissiness constitutes a historically fluid range of gender practices that are expressed as a physical manifestation discursive epithet social identity and political phenomenon He reconsiders several black leaders intellectuals musicians and athletes within the context of sissiness from Booker T. Washington George Washington Carver and James Baldwin to Little Richard Amiri Baraka and Wilt Chamberlain Whether examining Washington's practice of cleaning as an iteration of sissiness Baldwin's self-fashioned sissy deportment or sissiphobia in professional sports and black nationalism Ross demonstrates that sissiness can be embraced and exploited to conform to American gender norms or disrupt racialized patriarchy In this way sissiness constitutes a central element in modern understandings of race and gender

Metrosexy Mark Simpson, 2013-07-18 A biography of the metrosexual By his dad Back in the flaky skinned early Nineties Mark Simpson predicted the future of men was metrosexual A couple of decades on even he's shocked by what hussies today's males have become and the shameless fatal Jersey Shore that masculinity has washed up on Metrosexy collects Simpson's essays chronicling the emergence of man's desire to be desired And just how terrifyingly insatiable it turned out to be Simpson takes a long look at men that long to be looked at from metrosexual poster boy David Beckham to Daniel Craig's busty James Bond and concludes that the masculine aesthetic revolution is only just beginning to get into its sashay Contrary to what you've been told says Simpson metrosexuality is not about flip flops and facials man bags or manscara Or about men becoming girlie or gay It's about men becoming everything To themselves In much the way that women have been for some time It's the end of the sexual division of bathroom and bedroom labour It's the end of sexuality as we've known it More fun packed than Beck's bulging briefs The Situation's six pack or Ronaldo's ego Metrosexy will leave you gasping and giggling and gagging for more

How To Be Gay David M. Halperin, 2012-08-21 A pioneer of LGBTQ studies dares to suggest that gayness is a way of being that gay men must learn from one another to become who they are The genius of gay culture resides in some of its most despised stereotypes aestheticism snobbery melodrama glamour caricatures of women and obsession with mothers and in the social meaning of style

Male Eating Disorders Russell Delderfield, 2018-12-05 This book takes a novel approach to the study of male eating disorders an area that is often dominated by clinical discourses The

study of eating disorders in men has purportedly suffered from a lack of dedicated attention to personal and socio cultural aspects Delderfield tackles this deficiency by spotlighting a set of personal accounts written by a group of men who have experiences of disordered eating The text presents critical interpretations that aim to situate these experiences in the social and cultural context in which these disorders occur This discursive work is underpinned by an eclectic scholarly engagement with social psychology and sociology literature around masculinities embodiment and fatness belonging punishment stigma and control leading to understandings about relationships with food body and self This is undertaken with a reflexive element as the personal intersects with the professional This text will appeal to students scholars and clinicians in social sciences humanities and healthcare studies including public health

Mixed-Race Politics and Neoliberal Multiculturalism in South Korean Media Ji-Hyun Ahn, 2017-12-01 This book studies how the increase of visual representation of mixed race Koreans formulates a particular racial project in contemporary South Korean media It explores the moments of ruptures and disjuncture that biracial bodies bring to the formation of neoliberal multiculturalism a South Korean national racial project that re aligns racial lines under the nation s neoliberal transformation Specifically Ji Hyun Ahn examines four televised racial moments that demonstrate particular aspects of neoliberal multiculturalism by demanding distinct ways of re imagining what it means to be Korean in the contemporary era of globalization Taking a critical media cultural studies approach Ahn engages with materials from archives the popular press policy documents television commercials and television programs as an inter textual network that actively negotiates and formulates a new racialized national identity In doing so the book provides a rich analysis of the ongoing struggle over racial reconfiguration in South Korean popular media advancing an emerging scholarly discussion on race as a leading factor of social change in South Korea

Gay Men's Style Shaun Cole, 2023-08-10 Through an astonishing series of interviews *Gay Men s Style* will take you on a dizzying journey through shops bars clubs gyms workplaces and global city streets Based on the lived experience of gay men of all ages from the UK USA Europe Australia and Japan Shaun Cole calls for a more nuanced understanding of gay male dress and style Gay male identities in the 21st century are increasingly intersectional fluid and flexible from hyper masculinity and muscularity seen in clubs and on the pages of gay magazines to self knowing drag culture and androgynous gender play in the fashion industry *Gay Men s Style* explores these multiple identities and the ways in which gay men self identify and present themselves to the world through dress This analysis is set alongside seismic shifts in technology global communication and gay rights to redress and readdress the subject of gay men s style in a time of social and sexual upheaval

Macho Men in South African Gyms Jacques Rothmann, 2022-10-10 This book explores the experiences of self identified heterosexual and gay men in contemporary South African gym contexts particularly as it relates to how the intersection of spornosexual and inclusive masculinities inform their views and enactment of their masculine and sexual identities Chapters engage with findings from an in depth qualitative sociological exploration on issues surrounding these masculinities among men living in South Africa

who engage in gym work The author demonstrates that men when given the opportunity to reflect on their own and the masculinity of others acknowledge how they promote softer kinder disciplined playful and sexually agentic masculinities through their look and touch **Men, Masculinities, Travel and Tourism** T.
