Mexicaans Zilvermexican Silver:

Ask a Mexican Gustavo Arellano, 2008-04-22 Confronts the bogeymen of racism xenophobia and ignorance through answering questions put by readers of the nationally syndicated Ask a Mexican column *The Mexican Revolution, 1910-1940* Michael J. Gonzales, 2002-02-04 This judicious history of modern Mexico's revolutionary era will help all readers and in particular students understand the first great social uprising of the twentieth century In 1911 land hungry peasants united with discontented political elites to overthrow General Porfirio Díaz who had ruled Mexico for three decades Gonzales offers a path breaking overview of the revolution from its origins in the Díaz dictatorship through the presidency of radical General Lázaro Cárdenas 1934-1940 drawn from archival sources and a vast secondary literature His interpretation balances accounts of agrarian insurgencies shifting revolutionary alliances counter revolutions and foreign interventions to delineate the triumphs and failures of revolutionary leaders such as Francisco I Madero Pancho Villa Emiliano Zapata Alvaro Obregón and Venustiano Carranza What emerges is a clear understanding of the tangled events of the period and a fuller appreciation of the efforts of revolutionary presidents after 1916 to reinvent Mexico amid the limitations imposed by a war torn countryside a hostile international environment and the resistance of the Catholic Church and large land owners **1976**

injured by gunfire Faced with these desensitizing statistics one easily forgets that each incident is perpetrated by a living feeling human being who has walked a unique path The causes and consequences of these violent acts are often far more complicated than one might expect Author Daniel J Patinkin exhaustively interviewed each of six shooters about their life experiences and about the unique circumstances that compelled them to use a firearm against another person The result is a series of profound narratives that is sure to distress and challenge the reader but also perhaps to provide enlightenment and inspiration **Bankers Magazine** ,1909 **Bankers' Magazine and State Financial Register** ,1909 **Americans**
