The One-Strand River Richard Kenney, 2012-10-03 Fourteen years after his last book of poems we have a glorious new volume from Richard Kenney who has been hailed by *The New York Review of Books* as one of the most gifted and multifaceted and original of American poets In *The One Strand River* Kenney has tales to tell of loves births and confounding politics in lively quicksilver language that surprises at every turn We meet the poet as a middle aged husband walking the dog confiding Churlish thoughts bedevil me often Sunshine girls half my age

the future unseen perishing armies He swings between surreal dawn vistas and the unsettling sight of seventh grade girls circling his teenage son between the pleasure of a New Year s celebration with Nipperkin and striking a note that is rare in contemporary poetry satirical attack with an eye on the news of the day A master of many tones Kenney recalls a nursery rhyme in the title poem Gray goose and gander How long have we together and ponders the one strand river that is the sea with its one encircling shore and its tidal pull on both the landscape and the human heart Kenney is never a confessional poet yet we meet a powerful mind here that of a man who is always responding to provocations seen and unseen taking pleasure in the possibilities of words themselves tossing them up into the daily storm of our vexations and our perilous happiness
