History of Chinese Philosophy Through Its Key Terms Yueqing Wang, Qinggang Bao, Guoxing Guan, 2020-03-16 This book provides a conceptual overview of the evolution of Chinese philosophy from its earliest beginnings to the end of the imperial era highlighting 38 of the most essential terms in the Chinese philosophical tradition Written by prominent contemporary scholars from Mainland China the respective chapters cover topics ranging from cosmology benti metaphysics human nature self cultivation and methodology to views on history and politics Each chapter addresses one of the constitutive terms of the Chinese philosophical tradition and provides clear historical information on how it was used and developed during the key periods of Chinese philosophy Highlighting both central concepts and essential structures of Chinese philosophy the book allows readers to view the history of Chinese philosophy from the perspective of the Chinese themselves Offering content that is both academically rigorous and accessible for a wider audience this book is an indispensable reference guide for all students of Chinese philosophy *Proceedings at the ... Annual Meeting* Free Religious Association (Boston, Mass.), 1872 *Authorized Literature of the Sacred Order of the Blue Flame*, 1925 *Where Darwin Meets the Bible* Larry A. Witham, 2002-11-07 The conflict between creationists and evolutionists has raged ever since the publication of *On the Origin of Species* in 1859 Tracking the dizzying rhetorical heights and opportunistic political lows of this controversy Larry Witham presents creationists and evolutionists in their own unfiltered voices ranging from leading proponents of Intelligent Design such as Michael Behe to outspoken scientists such as Richard Dawkins In an age marked both by a rising religious tide and daily scientific breakthroughs *Where Darwin Meets the Bible* provides the standard account of this lasting conflict *On Philosophy in China* Hyun Höchsmann, 2004 Each volume in the Wadsworth Philosophical Topic Series presents an engaging overview of philosophical topics that is accessible to undergraduate philosophy students and general readers and provides a concise introduction to pertinent topics of philosophical interest The Wadsworth Philosophical Topic Series presents readers with concise timely and insightful introductions to a variety of traditional and contemporary philosophical subjects Edited by Daniel Kolak of the William Paterson University of New Jersey this series helps philosophy students to discover the richness of philosophical inquiry across a wide array of concepts Written by a distinguished list of scholars who have been noted for their exceptional teaching abilities this series presents the vast sweep of today's philosophical exploration in highly accessible and affordable volumes These books will prove valuable to philosophy teachers and their students as well as to other readers who share a general interest in philosophy From publisher's description **Proceedings at the ... Annual Meeting of the Free Religious Association** Free Religious Association (Boston, Mass.). Meeting, 1873 **The Common Good: Chinese and American Perspectives** David Solomon, P.C. Lo, 2013-11-19 This book addresses the Confucian philosophy of common good and deals with the comparative philosophy on eastern and western understandings of common good The common good is an essentially contested concept in contemporary moral and political discussions Although the notion of the common good has a slightly

antique air especially in the North Atlantic discussion it has figured prominently in both the sophisticated theoretical accounts of moral and political theory in recent years and also in the popular arguments brought for particular political policies and for more general orientations toward policy It has been at home both in the political arsenal of the left and the right and has had special significance in ethical and political debates in modern and modernizing cultures This text will be of interest to philosophers interested in Chinese philosophy and issues related to individualism and communitarianism ethicists and political philosophers comparative philosophers and those in religious studies working on Chinese religion

Compulsory Compassion Annalise E. Acorn, 2004 Restorative justice is often touted as the humane and politically progressive alternative to the rigid philosophy of retributive punishment that underpins many of the world's judicial systems Emotionally seductive its rhetoric appeals to a desire for a right relation among individuals and communities and offers us a vision of justice that allows for the mutual healing of victim and offender and with it a sense of communal repair In *Compulsory Compassion* Annalise Acorn a one time advocate for restorative justice deconstructs the rhetoric of the restorative movement Drawing from diverse legal literary philosophical and autobiographical sources she questions the fundamental assumptions behind that rhetoric that we can trust wrongdoers performances of contrition that healing lies in a respectful face to face encounter between victim and offender and that the restorative idea of right relation holds the key to a reconciliation of justice and accountability on the one hand with love and compassion on the other **Report of the ...**
