Mercenaries: A Guide to Private Armies

and Private Military Companies Alan Axelrod,2013-12-27 Mercenaries have been active in battle from the beginning of military history and as private armies and military support firms they are a major component of warfare today Security military advice training logistics support policing technological expertise intelligence transportation all are outsourced to a greater or lesser degree in the U S military However privatization is not a uniquely American phenomenon Countries as diverse as Saudi Arabia and Australia rely on privatization in one form or another Historically heads of state politicians and other administrators have justified use of mercenaries on the basis of their effectiveness and cost savings These reasons and others continue to serve as rationales for use of private military companies in military strategy *Mercenaries A Guide to Private Armies and Private Military Companies* provides a comprehensive survey and guide to mercenary forces entrepreneurs and corporations active on the international military scene today including a concise history of mercenaries and private armies on land sea and in the air Narrative chapters are amply supplemented by sidebars including biographies of major figures key statistics historical and current documents contracts and legislation on private armies and outsourced military services Each chapter includes a bibliography of books journal articles and web sites and a general bibliography concludes the entire work *Soldiers in a Narrow Land* Mary Helen Spooner,1999-09 An accurate and objective account of the political events in Chile An important document for those who want to know what happened and for those who should not forget Isabel Allende Military Service and American Democracy William A. Taylor,2020-06-09 When I became secretary of defense Ashton B Carter said when announcing that the Pentagon would open all combat jobs to women I made a

commitment to building America's force of the future In the twenty first century that requires drawing strength from the broadest possible pool of talent That pool of talent and how our nation's civilian and military leaders have tried to fill it is what Military Service and American Democracy is all about William Taylor chronicles and analyzes the long and ever changing history of that often contentious and controversial effort from the initiation of America's first peacetime draft just before our entry into World War II up to present day conflicts in Iraq and Afghanistan A history that runs from the selective service era of 1940-1973 through the era of the All Volunteer Force of 1973 to the present his book details the many personnel policies that have shaped controlled and defined American military service over the last eight decades Exploring the individual and group identities excluded from official personnel policy over time African Americans women and gays among others Taylor shows how military service has been an arena of contested citizenship one in which American values have been tested questioned and ultimately redefined Yet we see how this process has resulted in greater inclusiveness and expanded opportunities in military service while encouraging and shaping similar changes in broader society In the distinction between compulsory and voluntary military service Taylor also examines the dichotomy between national security and individual liberty two competing ideals that have existed in constant tension throughout the history of American democracy

Global Society in Transition: An International Politics Reader Daniel N. Nelson, Laura Neack, 2002-05-13 International Politics A Journal of Transnational Issues and Global Problems has since 1997 published an extraordinary array of path breaking analyses about the world's political metamorphosis Featuring scholarship that transcends boundaries of states and disciplines International Politics editors and contributors have joined to assemble from the journal's last few volumes a far reaching portrait of new actors identities norms and institutions that populate a stage once confined to states power and national interests Further interventions to build states make or keep the peace impose sanctions or save currencies are examined as are the institutional enlargements at the forefront of policy in Europe This book offers a wealth of policy relevant scholarship about a world in making not yet detached from Cold War or even Westphalian roots but certainly in process towards a qualitatively different global system All published after rigorous peer review chapters in Global Society in Transition will provide comparative politics international relations and world affairs courses at undergraduate and graduate level with instant access to the best of new research and innovative thinking in these fields

The American Culture of War Adrian R. Lewis, 2014-10-24 The American Culture of War presents a sweeping critical examination of every major American war of the late 20th century World War II Korea Vietnam the First and Second Persian Gulf Wars through to Operation Enduring Freedom Lewis deftly traces the evolution of US military strategy offering an original and provocative look at the motives people and governments used to wage war the debates among military personnel the flawed political policies that guided military strategy and the civilian perceptions that characterized each conflict Now in its second edition The American Culture of War has been completely revised and updated New features include Completely revised and

updated chapters structured to facilitate students ability to compare conflicts New chapters on Operation Iraqi Freedom and the current conflict in Afghanistan New conclusion discussing the American culture of war and the future of warfare Over fifty maps photographs and images to help students visualize material Expanded companion website with additional pedagogical material for both students and researchers The American Culture of War is a unique and invaluable survey of over seventy years of American military history perfect for any student of America s modern wars For additional information and classroom resources please visit The American Culture of War companion website at www.routledge.com/cw/lewis

Into the Fray Tom Mascaro, 2012-09-30 From 1961 to 1989 a committed group of documentary journalists from the National Broadcasting Company NBC reported the stories of America s overseas conflicts Stuart Schulberg supplied film evidence to prosecute Nazi war criminals and established documentary units in postwar Berlin and Paris NBC newsman David Brinkley created the template for prime time news in 1961 and bore the scars to prove it In 1964 Ted Yates and Bob Rogers produced a documentary warning of the pitfalls in Vietnam Yates was later shot and killed in Jerusalem on the first day of the Six Day War while producing a documentary for NBC News In *Into the Fray* Tom Mascaro vividly recounts the characters and experiences that helped create a unique colorful documentary film crew based at the Washington bureau of NBC News From the Kennedy era through the Reagan years the journalists covered wars rebellions the Central Intelligence Agency covert actions the Pentagon military preparedness and world and American cultures They braved conflicts and crises to tell the stories that Americans needed to see and hear and in the process they changed the face of journalism Mascaro also looks at the social changes in and around the unit itself including the struggles and triumphs of women and African Americans in the field of television documentary *Into the Fray* is the story of adventure loyalty to reason and life and death in the service of broadcast journalism

Bush's Wars Terry H. Anderson, 2011-07-01 From journalistic accounts like *Fiasco* and *Imperial Life in the Emerald City* to insider memoirs like *Jawbreaker* and *Three Cups of Tea* the books about America s wars in Iraq and Afghanistan could fill a library But each explores a narrow slice of a whole two wars launched by a single president as part of a single foreign policy Now noted historian Terry Anderson examines them together in a single comprehensive overview Shortly after the terrorist attacks of September 11 2001 President George W Bush told advisor Karl Rove I am here for a reason and this is how we re going to be judged Anderson provides this judgment in this sweeping authoritative account of Bush s War on Terror and his twin interventions He begins with historical surveys of Iraq and Afghanistan known respectively as the improbable country and the graveyard of empires and he examines US policies toward those and other nations in the Middle East from the 1970s to 2000 Then Anderson focuses on the Bush Administration carrying us through such events as the terrorist s attacks of 9 11 the invasion of Afghanistan and the siege of Tora Bora the Axis of Evil speech the invasion of Iraq and capture of Baghdad and the eruption of insurgency in Iraq He ranges from RPGs slamming into Abrams tanks to cabinet meetings vividly portraying both soldiers in the field and such policymakers as Dick

Cheney and Condoleezza Rice Anderson describes the counter insurgency strategy embodied by the surge in Iraq and the simultaneous revival of the Taliban He concludes with an assessment of the prosecution of the wars in the first years of Barack Obama s presidency Carefully researched and briskly narrated Bush s Wars provides the single volume balanced history that we have waited for This new paperback edition takes the story through the first Obama term covering our exit from Iraq and the ongoing drawdown in Afghanistan **Yearbook of Experts, Authorities and Spoke** Mitchell P.

Davis,2006-02 The purpose of the Yearbook of Experts is to provide bona fide interview sources to working members of the news media Page 2 **The Late Byzantine Army** Mark C. Bartusis,2015-12-22 The late Byzantine period was a time

characterized by both civil strife and foreign invasion framed by two cataclysmic events the fall of Constantinople to the western Europeans in 1204 and again to the Ottoman Turks in 1453 Mark C Bartusis here opens an extraordinary window on the Byzantine Empire during its last centuries by providing the first comprehensive treatment of the dying empire s military Although the Byzantine army was highly visible it was increasingly ineffective in preventing the incursion of western European crusaders into the Aegean the advance of the Ottoman Turks into Europe and the slow decline and eventual fall of the thousand year Byzantine Empire Using all the available Greek western European Slavic and Turkish sources Bartusis describes the evolution of the army both as an institution and as an instrument of imperial policy He considers the army s size organization administration and the varieties of soldiers and he examines Byzantine feudalism and the army s impact on society and the economy In its extensive use of soldier companies composed of foreign mercenaries the Byzantine army had many parallels with those of western Europe in the final analysis Bartusis contends the death of Byzantium was attributable more to a shrinking fiscal base than to any lack of creative military thinking on the part of its leaders Victory Undone

Carter Address,Malcolm McConnell,2014-10-20 Here is a dramatic first person account of how the United States won the war in Iraq only to see the peace lost by an unengaged administration with Iraqis terrorized and the new caliph of ISIS promising I ll see you in New York Military contractor Carter Address was the ultimate boots on the ground civilian in Iraq While reporters aid workers diplomats and even U S soldiers were often cut off from the ground truth in Iraq by the blast walls protecting the Green Zone and our bases Address was in the thick of things driving through insurgent infested territory negotiating with hostile tribes and witnessing the transformation of Iraq from chaos and violence to a stable multi ethnic multi sectarian democracy that needed only minimal American support to defend itself support however that thanks to the Obama administration was not forthcoming A page turner of a story but also an incredibly important account of what actually happened in the Iraq War and afterwards Victory Undone is a book every American needs to read *The USA and The World 2024-2025* David M. Keithly,2024-10-01 The World Today Series USA and The World describes not only what happened but puts events in the context of the past and criticizes policy actions as appropriate The result goes deeper than most of what appears in current publications Updated annually and part of the renowned World Today Series USA and the

World presents an unusually penetrating look into America and its relationship to the rest of the world The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students Now in its 19th edition the content is thorough yet perfect for a one semester introductory course or general library reference

Cyclopadia of American Literature Evert Augustus Duyckinck, George Long Duyckinck, 1881 **Voices of the Iraq War**

Brian L. Steed, 2016-04-11 The Iraq War 2003 2011 was the most significant conflict in the early 21st century This book examines the ongoing importance of this war for the Middle East and the world today through first person accounts of the war and primary source documents Voices of the Iraq War Contemporary Accounts of Daily Life illuminates the complex and poorly reported realities of the conflict that those without direct experience cannot possibly fathom presenting detailed personal accounts of what the conflict in Iraq was like across multiple disciplines and through a variety of viewpoints The accounts are based on interviews with American Iraqi American and British officers who deployed and fought throughout the country of Iraq The book begins with the story of an Iraqi boy who flees Iraq with his family after Desert Storm and then returns to Iraq as a translator to assist U S forces nearly 16 years later The book is filled with personal accounts of combat and training as well as other real world experiences that define what the Iraq War meant to thousands of U S and allied service members These personal accounts are supported with national level policy speeches and official statements that help readers put the individual stories and events in national regional and global perspective The book concludes by examining the impact of this war on thousands of young men and women that will last for decades to come

Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Michael New Mercenary Or American Soldier has opened up a world of possibilities. Downloading Michael New Mercenary Or American Soldier provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Michael New Mercenary Or American Soldier has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Michael New Mercenary Or American Soldier. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Michael New Mercenary Or American Soldier. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Michael New Mercenary Or American Soldier, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Michael New Mercenary Or American Soldier has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
