Michel Houellebecq Beigbeder Gesellschaftskritik Globalisierungskritik:

Mondialisation et monde des théories dans l'œuvre de Michel Houellebecq Ibou Coulibaly Diop, 2018-02-16

Michel Houellebecq passe pour l'auteur le plus controversé de la littérature contemporaine française. Ses textes interrogent le cadre social et se centrent sur les dispositions psychologiques et psychanalytiques de l'homme pour devenir des tissus expérimentaux et théoriques sur le monde. Centrés sur l'homme et son développement ontologique dans l'œuvre de Michel Houellebecq, *Mondialisation et monde des théories* dans l'œuvre de Michel Houellebecq est une réflexion sur l'état du monde par le biais de la littérature. Traitant le devenir humain et pensant l'être au monde comme lieu de déploiement cynique, ce livre montre comment Houellebecq passe de la littérature à la philosophie, de la science à la fiction pour construire des stratégies de penser l'homme dans ses relations les plus immédiates.

Frédéric Beigbeder's gesellschaftskritischer Roman 99 francs - Gemeinsamkeiten mit Michel Houellebecq bezüglich Weltsicht, Selbstverständnis als Autor und Realismus Jochen Brandt, 2007-03-05. Studienarbeit aus dem Jahr 2007 im Fachbereich Französische Philologie / Literatur, Note 1,3. Albert Ludwigs Universität Freiburg. Veranstaltung: Der französische Gegenwartsroman. Sprache: Deutsch. Abstract: Et ce n'est pas par hasard que Houellebecq intervient dans la discussion provoquée par le best-seller de Beigbeder *99 francs* pour défendre celui-ci. Selten wurde über einen Roman derart kontrovers diskutiert. Selten ging die Schere zwischen Bewunderung und Verachtung für einen Schriftsteller soweit auseinander. Mit *99 francs* wo er mit dem Leben und der Welt der Werbebranche und des kapitalistischen Systems abrechnet, ist Frédéric Beigbeder ein Roman gelungen, der ihn nicht nur in den Bestseller-Listen zahlreicher Länder an die Spitze katapultierte, sondern der ihm auch eine Nominierung für den Prix Goncourt, den wichtigsten französischen Literaturpreis, einbrachte. Gleichzeitig blieb jedoch die Zahl der Gegner Beigbeder groß und deren Kritik massiv. Beigbeder begann die Arbeit an *99 francs* erst auf den Impuls Houellebecqs hin, der ihm eines Tages befahl: Arrête de faire des livres sur tes soirées mondaines et tes boîtes de nuit, cris sur ce qui est le centre de pouvoir aujourd'hui sans quoi il n'y a pas de nouvelle économie, ni presse, ni politique, la pub. Im Folgenden stellte sich Houellebecq in der öffentlichen Diskussion über Beigbeder's Werk klar auf dessen Seite. Unter anderem durch die Veröffentlichung seines Pamphlets *La privatisation du monde* wo er Beigbeder's Kritik an Kapitalismus, Globalisierung und dessen Sicht auf die Welt der Werbung teilte und ihm so im Kampf gegen seine Kritiker beistand. Die klare Parteinahme Houellebecqs für Beigbeder wirft die Frage auf, welche Verbindungen und Gemeinsamkeiten es zwischen den beiden französischen Schriftstellern geben könnten. Die vorliegende Arbeit stellt sich zur Aufgabe, diese Gemeinsamkeiten zu ergründen. Hierbei soll im Besonderen die Sicht der beiden Autoren auf die Gesellschaft, ihr Selbstverständnis als Autor sowie der literarischen Umsetzung unter dem Aspekt der Wirklichkeitsillusion betrachtet werden. Klar im Mittelpunkt dieser Arbeit soll Beigbeder's Roman *99 francs* stehen, von dem ausgehend Gemeinsamkeiten mit Houellebecq erarbeitet werden sollen.

Dokumente, 2002. *Interventions* 2020.

Michel Houellebecq, 2022-03-02. The death of God in the West was the prelude to a metaphysical soap opera that continues to

this day Christianity's masterstroke was to combine a fierce belief in the individual with the promise of eternal participation in the Absolute. When that dream evaporated, various attempts were made to offer the individual a minimum of being. The latest of these attempts is advertising, which seeks to arouse desire and transform the subject into a docile phantom doomed to follow advertising's every whim. But like all previous attempts, this superficial participation in the world fails, and unhappiness and depression continue to spread. We can all produce a cold revolution in ourselves, however, by stepping outside the flow of information and advertising. We need to take some time out, unplug the television, turn off our smartphones, stop buying stuff, and adopt an aesthetic attitude to the world. We just need to stay still for a few seconds. This is one of the key themes developed by Michel Houellebecq in this collection of his texts and interviews from the last three decades. Here he explains and elaborates his point of view, discusses his novels, and addresses a wide range of topics from politics, religion, and literature to suicide, euthanasia, and paedophilia. An indispensable book for anyone interested in the work of one of the most widely read and controversial novelists of our time.

The Map and the Territory Michel Houellebecq, 2012. Having made his name with an exhibition of photographs of Michelin roadmaps, beautiful works that won praise from every corner of the art world, Jéd Martin is now emerging from a ten-year hiatus. And he has had some good news. It has nothing to do with his broken boiler, the approach of another lamentably awkward annual Christmas dinner with his father, or the memory of his doomed love affair with the beautiful Olga. It is that for his new exhibition, he has secured the involvement of none other than the French novelist Michel Houellebecq. The great writer has agreed to write the text for the exhibition guide, for which he will be paid handsomely and also have his portrait painted by Jéd. The exhibition, *Professions*, a series of portraits of ordinary and extraordinary people at work, brings Jéd new levels of global fame. Yet his boiler is still broken, his ailing father flirts with oblivion, and worse still, he is contacted by one Inspector Jasselin, who requests his assistance in solving an unspeakable, atrocious, and gruesome crime. Art, money, fathers, sons, death, love, and the transformation of France into a tourist paradise come together to create a daringly playful and original twist on the contemporary novel from a modern master of the form.

Public Enemies Bernard Henri-Lévy, Michel Houellebecq, 2011-12-01. Everything separates us from one another, with the exception of one fundamental point: we're both utterly despicable individuals. Houellebecq to BHL. In 2008, two of the most celebrated of French intellectuals, Michel Houellebecq and Bernard Henri-Lévy (BHL), began a ferocious exchange of letters. *Public Enemies* is the result. In their inimitably witty, inimitably fascinating, inimitably confrontational correspondence, they lock horns on everything, including literature, sex, politics, family, fame, and even, naturally, themselves. By turns caustic and touching, sincere and candid, *Public Enemies* reveals how these two immensely provocative writers came to be who they are. Never dull, always incendiary, this is one literary fight you can't ignore. The sparks fly from every page.

Heidegger and the Place of Ethics Michael Lewis, 2005-06-20. Despite Heidegger's identifying his own thought with ethics in the most original sense, his understanding of ethics has been criticised both for its supposed ignorance of the role of the other human

being and for its relation to politics This book contends that in fact it is Heidegger's own notion of being with his rethinking of intersubjectivity which demonstrates precisely what is wrong with his early work and demands that the place of ethics be rethought Heidegger and the Place of Ethics shows how this rethinking occurs in Heidegger's own laterwork In particular the crossing out of the earlier work in the turn to the later allows us to think being with as essential to a Heideggerian ethics and to rethink the relationship between ethics and politics which previously issued in Heidegger's engagement with Nazism This rethinking of ethics and politics in light of the originality of being with brings us before a hitherto unnoticed proximity between Heidegger's later work and the Lacanian political thought of Slavoj Žižek among others it thereby opens up the possibility of a politically progressive Heideggerianism and many unexpected encounters with thinkers generally considered to be separated from Heidegger by an abyss
