Michelle Phan Makeup Your Life:

Make Up Michelle Phan, 2014-10-21 Michelle Phan has believed in makeup since the first time she was allowed to try eyeliner. When she looked in the mirror and saw a transformed version of herself looking back, she fell in love with the sense of confidence that makeup could give her. Ever since she posted her first makeup tutorial on YouTube, she has dedicated herself to inspire millions by using makeup as a tool for transformation and self-expression. Now Michelle has compiled all of her best wisdom into *Make Up Your Life: Guide to Beauty, Style and Success Online and Off*. From creating a gorgeous smoky eye to understanding contouring to developing an online persona, Michelle has advice to help you transform every facet of your life. *Make Up* is packed with Michelle's trademark beauty and style tutorials, stories and pictures from her own life and advice on the topics she is asked about most, including etiquette, career, entrepreneurship and creativity. From the everyday such as how to get glowing skin to the big picture such as how to turn your passion into a profession, *Make Up* is a practical and empowering resource to help anyone put their best face forward. *Make Up (Enhanced Edition)* Michelle Phan, 2014-10-21 With new videos and links throughout, including exclusive content from Michelle, Michelle Phan has believed in makeup since the first time she was allowed to try eyeliner. Mundane Ju Yon Kim, 2015-05 Winner Lois P Rudnick Book Prize presented by the New England American Studies Association Across the twentieth century national controversies involving Asian Americans have drawn attention to such seemingly unremarkable activities as eating rice greeting customers and studying for exams While public debates about Asian Americans have invoked quotidian practices to support inconsistent claims about racial difference diverse aesthetic projects have tested these claims by experimenting with the relationships among habit body and identity In The Racial Mundane Ju Yon Kim argues that the ambiguous relationship between behavioral tendencies and the body has sustained paradoxical characterizations of Asian Americans as ideal and impossible Americans The body's uncertain attachment to its routine motions promises alternately to materialize racial distinctions and to dissolve them Kim's study focuses on works of theater fiction and film that explore the interface between racialized bodies and everyday enactments to reveal new and latent affiliations The various modes of performance developed in these works not only encourage audiences to see habitual behaviors differently but also reveal the stakes of noticing such behaviors at all Integrating studies of race performance and the everyday The Racial Mundane invites readers to reflect on how and to what effect perfunctory behaviors become objects of public scrutiny **Influencer Creep** Sophie Bishop, 2025-10-28 A look at how the rise of influencer culture has changed creative work A sculptor works while wearing a GoPro camera to capture Instagram content A painter decides whether to make pieces that she won't be able to share on Instagram after her account was blocked for sharing sexualized content An artist finds that her portraits of light skinned women get an algorithmic boost over those featuring dark skinned models These creative workers are now using the content generation skills and promotional strategies pioneered by influencers to compete for visibility online Influencer Creep explores what happens when creative workers must go beyond their work to build a comprehensive online presence Creator studies expert Sophie Bishop delineates how the tactics of professional

influencers affect the ways creative workers navigate social media platforms They must optimize their content to win the favor of opaque algorithms they do not control They must engage in relentless self branding creating a compelling consistent and platform ready image And that image in spite of being carefully manufactured must be perceived as authentic Taking seriously the motivations that drive more and more people into the contest for online visibility Influencer Creep documents a creative workforce nervously conforming to the monopoly power of social media platforms and occasionally resisting it
