Michigan State University Amy Davis, 2006-07 No university affiliations No half truths No out of touch authors who haven't been in school for decades A class project turned company College Prowler produces guidebooks that are written by actual college students and cover the things students really want to know Unlike other guides that jam everything into a five pound book and devote only two pages to each college our single school guidebooks give students only the schools they want and all the information they need From academics and diversity to nightlife and sports we let the students tell it how it is In addition to editorial reviews and grades for 20 different topics more than 80 percent of each guide is composed of actual student reviews of their school Whether readers are looking for Best and Worst lists Did You Knows or traditions College Prowler guides have it all Our books are the only place for local slang urban legends and tips on the best places to find a date study or grab a bite to eat *Michigan State University 2012* Rachel McElroy, 2011-03-15 *Michigan State University 2012* Rachel McElroy, Amy Davis, 2011-03 Provides a look at Michigan State University from the students viewpoint **The Big Book of Colleges** Matt Hamman, Kelly Carey, 2007-07 This guide contains hundreds of quotes and insider information on more than 200 school in the United States from those who know best the students **Spalding's Official Football Guide**, 1939 *Student Advantage Guide to the Best 310 Colleges 1997* Tom Meltzer, John Katzman, Edward T.
