Thomas S. Kidd

Mexican Phoenix Our Lady Of Guadalupe Image And Tradition Across Five Centuries:

Mexican Phoenix D. A. Brading, 2001 Juan Diego to whom the Virgin Mary appeared in 1531 miraculously imprinting her likeness on his cape was canonised in Mexico in 2002 by Pope John Paul II In 1999 the revered image of Our Lady of Guadalupe had been proclaimed patron saint of the Americas by the Pope How did a poor Indian and a sixteenth century Mexican painting of the Virgin Mary attract such unprecedented honours Across the centuries the enigmatic power of the image has aroused fervent devotion in Mexico it served as the banner of the rebellion against Spanish rule and despite scepticism and anti clericalism still remains a potent symbol of the modern nation This book traces the intellectual origins the sudden efflorescence and the adamant resilience of the tradition of Our Lady of Guadalupe and will fascinate anyone concerned with the history of religion and its symbols

Reseña de "Mexican Phoenix, Our Lady of Guadalupe: Image and Tradition Across Five Centuries" de David A. Brading Francisco Miranda, 2005 Mexican-American Catholics

Eduardo C. Fernández, 2007 Mexican American Catholics is the third book in the Paulist Press Pastoral Spirituality Series following Vietnamese American Catholics by Peter C Phan and American Eastern Catholics by Fred J Saato Author Fr Fernández presents the history of Christianity in Mexico via Spain the conditions of Mexican Catholics in America and the challenges facing Mexican American Catholics as well as suggestions on how to meet them Pastoral strategies for assisting Mexican American Catholics in becoming more active members of the church are included as is an extensive bibliography

Latino/a Theology and the Bible Francisco Lozada Jr., Fernando F. Segovia, 2021-05-11 This book explores the use of the Bible among Latino a theologians today Latino a Theology emerged in the 1980s alongside a broad variety of contextual theological movements and discourses following the Latino a movement and the formation of Latino a Studies in the 1960s and 1970s While much work has been done on biblical interpretation in Latino a biblical criticism little can be found regarding interpretation in Latino a theological reflection To address this gap in the literature the contributors from various ecclesial affiliations and religious traditions examine the status and role of the Bible in Latino a Theology

Mexican Exodus Julia G. Young, 2015-07-01 In the summer of 1926 an army of Mexican Catholics launched a war against their government Bearing aloft the banners of Christ the King and the Virgin of Guadalupe they equipped themselves not only with guns but also with scapulars rosaries prayers and religious visions These soldiers were called cristeros and the war they fought which would continue until the mid 1930s is known as la Cristiada or the Cristero war The most intense fighting occurred in Mexico s west central states especially Jalisco Guanajuato and Michoacán For this reason scholars have generally regarded the war as a regional event albeit one with national implications Yet in fact the Cristero war crossed the border into the United States along with thousands of Mexican emigrants exiles and refugees In Mexican Exodus Julia Young reframes the Cristero war as a transnational conflict using previously unexamined archival materials from both Mexico and the United States to investigate the intersections between Mexico s Cristero War and Mexican migration to the United States during the

late 1920s She traces the formation actions and ideologies of the Cristero diaspora a network of Mexicans across the United States who supported the Catholic uprising from beyond the border These Cristero supporters participated in the conflict in a variety of ways they took part in religious ceremonies and spectacles organized political demonstrations and marches formed associations and organizations and collaborated with religious and political leaders on both sides of the border Some of them even launched militant efforts that included arms smuggling military recruitment espionage and armed border revolts Ultimately the Cristero diaspora aimed to overturn Mexico's anticlerical government and reform the Mexican Constitution of 1917 Although the group was unable to achieve its political goals Young argues that these emigrants and the war itself would have a profound and enduring resonance for Mexican emigrants impacting community formation political affiliations and religious devotion throughout subsequent decades and up to the present day

Conquistadores Fernando Cervantes, 2021-09-14 A sweeping authoritative history of 16th century Spain and its legendary conquistadors whose ambitious and morally contradictory campaigns propelled a small European kingdom to become one of the formidable empires in the world The depth of research in this book is astonishing but even more impressive is the analytical skill Cervantes applies He conveys complex arguments in delightfully simple language and most importantly knows how to tell a good story The Times London Over the few short decades that followed Christopher Columbus's first landing in the Caribbean in 1492 Spain conquered the two most powerful civilizations of the Americas the Aztecs of Mexico and the Incas of Peru Hernán Cortés Francisco Pizarro and the other explorers and soldiers that took part in these expeditions dedicated their lives to seeking political and religious glory helping to build an empire unlike any the world had ever seen But centuries later these conquistadors have become the stuff of nightmares In their own time they were glorified as heroic adventurers spreading Christian culture and helping to build an empire unlike any the world had ever seen Today they stand condemned for their cruelty and exploitation as men who decimated ancient civilizations and carried out horrific atrocities in their pursuit of gold and glory In *Conquistadores* acclaimed Mexican historian Fernando Cervantes himself a descendent of one of the conquistadors cuts through the layers of myth and fiction to help us better understand the context that gave rise to the conquistadors' actions Drawing upon previously untapped primary sources that include diaries letters chronicles and polemical treatises Cervantes immerses us in the late medieval imperialist religious world of 16th century Spain a world as unfamiliar to us as the Indigenous peoples of the New World were to the conquistadors themselves His thought provoking illuminating account reframes the story of the Spanish conquest of the New World and the half century that irrevocably altered the course of history

Brides of Christ Asunción Lavrin, 2008-05-13 *Brides of Christ* is a study of professed nuns and life in the convents of colonial Mexico

Indigenous Elites and Creole Identity in Colonial Mexico, 1500-1800 Peter B. Villella, 2016-01-25 Modern Mexico derives many of its richest symbols of national heritage and identity from the Aztec legacy even as it remains a predominantly Spanish speaking Christian society This volume argues that the composite

neo Aztec flavor of Mexican identity was in part a consequence of active efforts by indigenous elites after the Spanish conquest to grandfather ancestral rights into the colonial era By emphasizing the antiquity of their claims before Spanish officials native leaders extended the historical awareness of the colonial regime into the pre Hispanic past and therefore also the themes emotional contours and beginning points of what we today understand as Mexican history This emphasis on ancient roots moreover resonated with the patriotic longings of many creoles descendants of Spaniards born in Mexico Alienated by Spanish scorn creoles associated with indigenous elites and studied their histories thereby reinventing themselves as Mexico s new native leadership and the heirs to its prestigious antiquity

The Public Rituals of Life, Death, and Resurrection in Tlayacapan, Morelos (Mexico) Robert H. Jackson, 2020-01-20 A process of social cultural and religious change occurred in central Mexico starting in the sixteenth century following the Spanish conquest Missionaries from different religious orders attempted to convert the indigenous peoples of central Mexico to Catholicism and a part of this process involved the imposition of a new ritual cycle on the existing Mesoamerican cycle that governed agriculture and the cosmic order This study describes the evolution and modern practice of the public ritual of life death and resurrection in Tlayacapan Morelos Tlayacapan is a community located in northern Morelos that has evolved from being a traditional community of N huas to a center of cultural tourism based on its architectural patrimony artisan tradition and particularly its public ritual Carnival and the Day of the Dead continue to form a part of the traditional ritual cycle but have also been used to attract tourism This study discusses the modern practice of carnival Holy Week and the Day of the Dead and the historical origins of these public rituals

Colonial Saints Allan Greer, Jodi Bilinkoff, 2015-12-22 From the cult of Saint Anne to the devotees of the Virgin of Guadalupe from Saint Anthony who competed with Christ for popularity in Brazil to Jesuits who mixed freely with shamans that talked with the gods this exciting new anthology examines the conversion of the colonized The essays examine how New World spirits transformed into Old World saints for example the spirit of love transfigured into the Virgin Mary as well as the implications of the canonization of the first American saint Colonial Saints illustrates the complex and intimate connections among confessional life writing canonization and the practices of the Inquisition There was a dynamic exchange involving local agendas the courts in Spain and France and of course Rome This bold collection clearly shows the interplay between slavery and spirituality conversion and control and the links between the sacred and the political

How Catholics Encounter the Bible Michael Peppard, 2024 In *How Catholics Encounter the Bible* award winning biblical scholar and historian Michael Peppard explores the paradoxical role of the Bible for Catholics a book central to their tradition but one which Catholics rarely read Instead as Peppard shows biblical ideas influence Catholics through diverse modes of storytelling artistic imagination and ritual Through examples of pilgrimage visual arts poetry music and even on Netflix Peppard shows how the Bible thrives among Catholics even if its printed text may be missing

Formations of Belief Philip Nord, Katja Guenther, Max Weiss, 2019-09-17 For decades scholars and public intellectuals

have been predicting the demise of religion in the face of secularization Yet religion is undergoing an unprecedented resurgence in modern life and secularization no longer appears so inevitable Formations of Belief brings together many of today's leading historians to shed critical light on secularism's origins its present crisis and whether it is as antithetical to religion as it is so often made out to be Formations of Belief offers a more nuanced understanding of the origins of secularist thought demonstrating how Reformed Christianity and the Enlightenment were not the sole vessels of a worldview based on rationalism and individual autonomy Taking readers from late antiquity to the contemporary era the contributors show how secularism itself can be a form of belief and yet how its crisis today has been brought on by its apparent incapacity to satisfy people's spiritual needs They explore the rise of the humanistic study of religion in Europe Jewish messianism atheism and last rites in the Soviet Union the cult of the saints in colonial Mexico religious minorities and Islamic identity in Pakistan the neuroscience of religion and more Based on the Shelby Cullom Davis Center Seminars at Princeton University this incisive book features illuminating essays by Peter Brown Yaacov Dweck Peter E Gordon Anthony Grafton Brad S Gregory Stefania Pastore Caterina Pizzigoni Victoria Smolkin Max Weiss and Muhammad Qasim Zaman *The Atlantic World and the Manila Galleons* José Luis Gasch-Tomás, 2018-12-10 Studies of the trade between the Atlantic World and Asia during the sixteenth and seventeenth centuries typically focus on the exchanges between Atlantic European countries especially Portugal the Netherlands and England and Asia across the Cape route In *The Atlantic World and the Manila Galleons* Circulation Market and Consumption of Asian Goods in the Spanish Empire 1565-1650 Jos L Gasch-Tomás offers a new approach to understanding the connections between the Atlantic World and Asia By drawing attention to the trans-Pacific trade between the Americas and the Philippines the re-exportation of Asian goods from New Spain to Castile and the consumption of Chinese silk Chinese porcelain and Japanese furnishings in New Spain and Seville this book discloses how New Spanish cities and elites were main components of the spread of taste for Asian goods in the Spanish Empire This book reveals how New Spanish family and commercial networks channelled the market formation of Asian goods in the Atlantic World around 1600

From Trent to Vatican II Raymond F. Bulman, Frederick J. Parrella, 2006-05-25 The second Vatican Council was convened by Pope John XXIII between 1962 and 1965 It marked a fundamental shift toward the modern Church and its far-reaching innovations replaced or radically changed many of the practices rules and attitudes that had dominated Catholic life and culture since the Council of Trent in the sixteenth century In this book a distinguished team of historians and theologians offers an impartial investigation of the relationship between Vatican II and Trent by examining such issues as Eucharistic theology liturgical change clerical reform the laity the role of women marriage confession devotion to Mary and interfaith understanding As the first book to present such a comprehensive study of the connection between the two great Councils this is an invaluable resource for students theologians and church historians as well as for bishops clergy and religious educators

Missing Mary C. Spretnak, 2016-06-07 What ever happened to the Virgin Mary in the modern Catholic Church For the

past forty years her presence has been radically minimized In a groundbreaking work Charlene Spretnak cuts across the battle lines delineated by the left and the right within the Church to champion the recovery of the full spiritual presence of Mary Spretnak a liberal Catholic asserts that a deep loss ensues for women in particular when Mary's female embodiment of grace and mystical presence is denied and replaced with a strictly text bound version of her as a Nazarene housewife Complete with a striking insert of contemporary Marian art Missing Mary is a deeply insightful reflection on Mary in the modern age *Stalking the Holy* Michael W. Higgins, 2006 In *Stalking the Holy* writer and scholar Michael W Higgins explores the Roman Catholic pursuit of saint making the pre eminent Christian model he argues with its elaborate features and arcane cast of players such as the relator and the promotor of the faith He points out that if saints are not actually made so much as recognized by the Church nevertheless this official recognition is a form of manufacture involving motivation expertise and risk **The Histories of the Latin American Church** Joel Morales Cruz, 2014 Part one provides an overview of Christianity the Bible and theology in Latin America Part two provides information for each country including demographics timeline church and state autonomous churches major religious festivals popular devotions saints and blessed and biographies **The Virgin of Guadalupe and the Conversos** Marie-Theresa Hernández, 2014-07-15 Hidden lives hidden history and hidden manuscripts In *The Virgin of Guadalupe and the Conversos* Marie Theresa Hernández unmasks the secret lives of conversos and judaizantes and their likely influence on the Catholic Church in the New World The terms converso and judaizante are often used for descendants of Spanish Jews the Sephardi or Sefarditas as they are sometimes called who converted under duress to Christianity in the fourteenth and fifteenth centuries There are few if any archival documents that prove the existence of judaizantes after the Spanish expulsion of the Jews in 1492 and the Portuguese expulsion in 1497 as it is unlikely that a secret Jew in sixteenth century Spain would have documented his allegiance to the Law of Moses thereby providing evidence for the Inquisition On a Da Vinci Code style quest Hernández persisted in hunting for a trove of forgotten manuscripts at the New York Public Library These documents once unearthed describe the Jewish Christian religious beliefs of an early nineteenth century Catholic priest in Mexico City focusing on the relationship between the Virgin of Guadalupe and Judaism With this discovery in hand the author traces the cult of Guadalupe backwards to its fourteenth century Spanish origins The trail from that point forward can then be followed to its interface with early modern conversos and their descendants at the highest levels of the Church and the monarchy in Spain and Colonial Mexico She describes key players who were somehow immune to the dangers of the Inquisition and who were allowed the freedom to display albeit in a camouflaged manner vestiges of their family's Jewish identity By exploring the narratives produced by these individuals Hernández reveals the existence of those conversos and judaizantes who did not return to the covenantal bond of rabbinic law who did not publicly identify themselves as Jews and who continued to exhibit in their influential writings a covert allegiance and longing for a Jewish past This is a spellbinding and controversial story that offers a fresh

perspective on the origins and history of conversos Christian History, Volume 2 Thomas S. Kidd, 2024-09-01 Thomas S. Kidd presents a global history of the Christian church in the modern age Christian History Volume 2 From the Reformation to the Present provides a composite picture of important influential and representative Christian beliefs thinkers activists trends and practices from about 1500 to the present day In a highly readable style Kidd covers the events and figures from the Reformation the Great Awakenings higher criticism and the culture wars of the late twentieth and early twenty first centuries This volume also covers the global nature of God's church by examining historical global traditions as well as the recent the demographic shift of active Christian communities to the global South In addition to the major theologians movements and events of the period Kidd highlights the everyday Christian experience through the centuries including accounts of ordinary men and women who experienced conversion lived sacrificially for the gospel or endured persecution A lively engaging and readable text Christian History Volume 2 From the Reformation to the Present will become a staple text for students and professors alike **The Cambridge History of Religions in Latin America** Virginia Garrard-Burnett, Paul Freston, Stephen C. Dove, 2016-04-11 The Cambridge History of Religions in Latin America covers religious history in Latin America from pre Conquest times until the present This publication is important first because of the historical and contemporary centrality of religion in the life of Latin America second for the rapid process of religious change which the region is undergoing and third for the region's religious distinctiveness in global comparative terms which contributes to its importance for debates over religion globalization and modernity Reflecting recent currents of scholarship this volume addresses the breadth of Latin American religion including religions of the African diaspora indigenous spiritual expressions non Christian traditions new religious movements alternative spiritualities and secularizing tendencies
