**The Understanding of Adultery in the Hebrew Bible** Alexander Izuchukwu Abasili, 2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore

is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for today's couples

Prophetic Rhetoric Ernst R. Wendland, 2009-05-26 *The Messianic Matrix* Loren W Caudill, 2006-10 The Messianic Matrix is a thrilling journey of theological concepts that define the Pentecostal experience It is a ground breaking and sweeping endeavor that utilizes the best of modern scholarship Finally in this exciting redefinition of baptism in the Spirit Loren Caudill has produced a fascinating theology of Pentecost that is at once complex and compelling Reaching into modern scholarship and his Pentecostal experience the author lifts the veil on ultimate reality and its relationship to Spirit Baptism and to the heavenly places in Christ For the first time in modern history definitions of New Testament terms like born again new creation and yes even the term Christian are defined from within their original Pentecostal settings The reader will sense a fresh wind of excitement as the traditional concepts of eternal life the kingdom of God water baptism the mystery of Christ the church and of believers inheritance are scrutinized Just as believers in mass have become fatigued of church as usual The Messianic Matrix offers Pentecostals and Fundamentalists alike a new and biblical paradigm for life together in Christ

"Who is like Yahweh?" Juan Cruz, 2016-02-15 Recent theology has seen a renewed vigour in debates about the nature and character of God Juan Cruz turns to one of the prophetic books in the Hebrew Bible Old Testament Micah to consider the metaphors it uses to portray the God of Israel and what they reveal about the deity The book of Micah contains two dominant types of metaphor for Yahweh namely the legal metaphors in 1 2 16 and 6 1 16 and the pastoral metaphors in 2 12 13 4 6 7 5 1 4a and 7 14 20 The former type of metaphors presents Yahweh in a courtroom setting where he accuses his people of their sins brings a lawsuit against them and pronounces their judgement The pastoral metaphors on the other hand describe Yahweh as the shepherd of his people primarily concerned with the restoration and well being of Israel The two sets of metaphors therefore respectively present Yahweh in a positive and a negative light Drawing on insights from philosophy and literary studies and making particular use of the theories of Benjamin Harshav Juan Cruz explores the divine metaphors by analysing the arguments they make within their respective literary units and in the context of the whole book as well as the significant tensions that develop between the metaphors The volume provides helpful tools to analyse metaphors for God which may be also used for analysis of non divine metaphors and should contribute to our theological understanding of God in the Hebrew Bible most especially in the book of Micah a book whose title bears the meaning Who is like Yahweh

*Yahweh's Council* Ellen White, 2014-04-28 Ellen White explores the depiction of the divine council under the authority of Yahweh in the type scenes of the Hebrew Bible She proposes criteria for

determining a Council of Yahweh type scene and membership requirements Following these criteria the Council of Yahweh texts are Isaiah 6 1 Kings 22 Job 1 2 Zechariah 3 and Daniel 7 After determining a cast of characters the author explores the structure of the council and realizes that the structure contains three tiers with two divisions on tiers 2 and 3 The first tier belongs to the chief god the second tier is called the Councilors and the two divisions are Judicial Officials and Advisors The third tier is the Agents and the two divisions on this tier are the Court Officers and Commissioned Characters who play a role relating to the council but are not themselves members of the council are also analyzed Finally Ellen White evaluates the potential for conceptual evolution especially in relationship to monotheism and the participation of human beings within the Council of Yahweh

**Habakkuk: An Intermediate Reader and Commentary** J. Alexander Rutherford,2021-06-25 Habakkuk is a book of discipleship a book written to bring its reader to a deeper faith in Yahweh in the presence of His unthinkable deeds Amidst oppressive evil at the hands of their Judahite brothers the righteous of Judah cry out to God for salvation His response is the invasion of fearsome Chaldea What appears to be horrid judgment is actually his plan to save those who trust in Him All His people are called to extraordinary faith to believe Him even when His deeds are unbelievable In this way and only this way will they be delivered from their oppressors and enjoy God s blessings only by faith can they have life Habakkuk is a challenging yet beautiful book that has much to teach the people of God Its eloquent poetry and interpretive issues make it a suitable even necessary subject for Hebrew study The goal of this commentary and reader is to facilitate theological devotional and pastoral engagement with the Hebrew text of Habakkuk alongside development in one s understanding of Hebrew After an extensive introduction discussing the significant issues and laying the groundwork for interpreting Habakkuk this commentary presents the Hebrew text juxtaposed with an English translation and with contextual glosses for Hebrew Words occurring less than thirty times in the Hebrew Bible Each section has an introduction followed by the text and comments on textual theological and interpretative issues With a balance of theological reflection exegetical depth and assistance with the Hebrew text the Hebrew student will be equipped to wrestle with the text in its original language and develop their understanding of the language simultaneously

**Minor Prophets, Volume 2** James E. Smith, Ph.D.,2019-03-02 Introductions to the Old Testament books of Nahum Habakkuk

Zephaniah Haggai Zechariah and Malachi are followed by verse by verse comments on the text *Mark 15:39 as a Markan Theology of Revelation* Brian K. Gamel, 2017-10-19 In the Gospel of Mark Jesus arrest trial and execution ends with the Roman centurion who oversees the death process proclaiming Jesus as God's son Gamel explores two key questions in relation to this moment what does the centurion mean when he says that Jesus is God's son and why does he say it The confession is not made on the basis of any signs nor from any indication that he perceives Jesus death as honourable or exemplary This apparent lack of motivation itself highlights a key Markan theme that this insight is revealed by an apocalyptic act of God signalled by the tearing of the temple veil Thus the confession which we can understand to be made sincerely and knowledgeably is the result of an act of God's revelation alone Gamel explores the theory of Mark depicting a story in which all human characters exhibit varying levels of blindness to the spiritual realities that govern their lives By making a thorough examination of Mark's Gospel while placing primary focus on the centurion the study is unlimited and presents a serious examination of the whole Gospel Gamel concludes his argument with the point that at the foot of the cross this blindness is decisively confronted by God's apocalyptic act The offer of sight to the centurion demonstrates the reconciliation of God and humanity which are otherwise in Mark's Gospel repeatedly presented as antagonistic spheres Finally the fact that revelation is offered to a Gentile highlights the inclusion of the nations into the promises of Israel

**The Catholic Biblical Quarterly** Wendell Stephen Reilly, 1987 Includes various reports of the Association

*Metathesis in the Hebrew Bible* Isaac Kalimi, 2018-01-01 This book investigates the use of literary stylistic metathesis in the Hebrew Bible By way of introduction the book first discusses the related phenomena of linguistic metathesis in which letters or sounds are unintentionally inverted during the historical development of a language and textual metathesis in which the letters of a word are accidentally inverted during the transmission of a text The discussion then moves on to the widespread use of literary stylistic metathesis in the Hebrew Bible in which two or more words that use the same letters in opposite orders are deliberately juxtaposed within a sentence This device appears in various literary genres within the Bible and in diverse forms which demonstrates that a number of biblical authors and editors used it as a compositional device for a variety of purposes whether for literary aesthetic or rhetorical effect to make a theological or exegetical point to connect or contrast particular words with one another or to emphasize a specific viewpoint The book also demonstrates that literary metathesis is not limited to the Hebrew Bible but that it also appears in post biblical Jewish Hebrew compositions such as The Wisdom of Ben Sira and the rabbinic literature This leads to the conclusion that the use of this literary tool by the rabbis in the midrashic literature is not a late artificial approach to Scripture but rather one that has deep roots in the biblical texts themselves and that continued to develop in the writings of the Second Temple period and in later Jewish writings

**Interpreting Habakkuk as Scripture** G. Michael O'Neal, 2007 This book draws together two current issues in Old Testament study canonical analysis and the minor prophets G Michael O Neal applies the canonical approach of Brevard S

Childs to the book of Habakkuk resulting not only in an evaluation of Childs's method but also providing new insights into the canonical shape and theological message of Habakkuk. The findings of textual, historical, literary, formal, and redactional criticisms inform the study. However, O'Neal goes beyond these findings to ascertain the canonical shape of Habakkuk and to illustrate how this shape informs an understanding of the book's theological message. *Shining Like the Sun* David H. Wenkel, 2018-08-28 This is the first sustained whole Bible treatment on the theme of meeting God face to face. Starting with Genesis and ending with Revelation, the author systematically covers the major events in salvation history, all of which reveal the beauty of encountering God's grace in abundance.

**Playing with Dragons** Andy Angel, 2014-03-13 There be dragons all over the Bible. From the great sea monsters of Genesis to the great dragon of Revelation, dragons appear as the Bible opens and closes, and they pop their grisly heads up at various junctures in between. How did they get there, and what on earth or indeed in heaven are they doing there? This is a book for those who find standard discussions of faith and suffering frustrating. Andy Angel opens up the rich biblical tradition of living with God in the midst of suffering. He takes the reader on a journey of exploration through biblical texts that are often overlooked on account of their strangeness: texts about dragons. He shows how these peculiar passages open up a language of prayer through suffering in which people share their anger, weariness, disillusionment, and even joy in suffering with God. Angel explores how such weird Scriptures open up a whole new way of praying and reveal a God who approves of honest spirituality, a spirituality that the Bible holds open but too many of its interpreters do not.
