Michael Jackson Master of Illusion Mari Hadley, 2009-10 Michael Jackson was the King of Pop and a noted entertainer humanitarian and philanthropist Michael Jackson was always under the scrutiny of the media when in public On June 25 2009 Michael Jackson was pronounced dead from cardiac arrest at approximately 2 26 pm MST at University of California Los Angeles UCLA Medical Center There is so much conflicting information concerning whether Michael was a drug addict or not Michael Jackson had many trials and tribulations over the past twenty years which have caused him much heartache and pain The media has ostracized and ridiculed the entertainer whenever possible He was an entertainer that loved to develop illusions for his stage presentations and videos which fooled his audiences Michael always wanted to have a normal life for him and his children in which they could enjoy the simple things in life without the scrutiny of the public and media Michael has proven to be worth more in death than in life With all the publicity for his death there is still no real physical evidence Michael Jackson is really deceased Therefore there is the possibility Michael inadvertently created the illusion of his own death Michael Jackson ,1991
