As much as she despises humans, Sive knows across the Veil that separates the worlds, power can be found. So enlisting the help of her trickster cousin Puck, she tracks down a mortal bard who may just offer hope. As they watch the child become a man, the brutal and destructive power grows stronger in Sive's realm, threatening to spread across to the Veil between worlds. Yet as the young bard finds his own strength, he wrestles with his desires for Sive while struggling against her manipulations and her plans for him. The power of words and magic is at his command, but can Sive find a way to master her own nature and persuade William Shakespeare to risk his life to save her world?
