The Politics of Corruption in Dictatorships Vineeta Yadav, Bumba Mukherjee, 2016 This book analyzes why some dictators find it in their self interest to curb corruption *Corruption Control in Authoritarian Regimes* Christopher Carothers, 2022-04-07 Reveals how meaningful corruption control by authoritarian regimes is surprisingly common and follows a different playbook than democratic anti corruption reform **Introducing Comparative Politics** Stephen Orvis, Carol Ann Drogus, 2017-01-19 Organized thematically around important questions in comparative politics Introducing Comparative Politics Fourth Edition by Stephen Orvis and Carol Ann Drogus integrates a set of extended case studies of 11 core countries into the narrative Serving as touchstones the cases are set in chapters where they make the most sense topically not separated from theory or in a separate volume and vividly illustrate issues in cross national context The book s organization allows instructors flexibility and gives students a more accurate sense of comparative study In this edition a brand new chapter on Contentious Politics covers ethnic fragmentation social movements civil war revolutions and political violence New case studies on this topic include the Occupy and Tea Party movements in the US Zapatista rebellion in Mexico Boko Haram in Nigeria and and revolutions in China and Iran The chapter on States and Identity has been substantially revised to better introduce students to the concept of identity and how countries handle identity based demands Case studies include nationalism in Germany ethnicity in Nigeria religion in India race in the US gender in Iran and sexual orientation in Brazil Content on states and markets political economy globalization and development has all been consolidated into a new Part III of the book focusing in a sustained way on economic issues **Politics for Profit** David Szakonyi, 2020-07-09 Businesspeople run for and win elected office around the world with roughly one third of members of parliament and numerous heads of states coming directly from the private sector Yet we know little about why these politicians choose to leave the private sector and what they actually do while in government In Politics for Profit David Szakonyi brings to bear sweeping quantitative and qualitative evidence from Putin era Russia to shed light on why businesspeople contest elections and what the consequences are for their firms and for society when they win The book develops an original theory of businessperson candidacy as a type of corporate political activity undertaken in response to both economic competition and weak political parties Szakonyi s evidence then shows that businesspeople help their firms reap huge gains in revenue and profitability while prioritizing investments in public infrastructure over human capital The book finally evaluates policies for combatting political corruption **The Routledge Handbook of Anti-Corruption Research and Practice** Joseph Pozsgai-Alvarez, Roxana Bratu, 2025-06-30 The Routledge Handbook of Anti Corruption Research and Practice takes a multidisciplinary and multidimensional approach to provide a comprehensive exploration of the processes conditions and activities that hold the potential to control corruption Building on existing knowledge gathered from a variety of social science sources it strives to provide analytical emancipation of and coherence to anti corruption studies Anti corruption

transcends the traditional boundaries of state actors involving individual and organizational business actors civil society groups members of the media accounting and legal professions as well as sports associations and other non traditional actors This handbook adopts a holistic approach to reflect the rich nature of the manifestations of anti corruption past and present and the possible shapes it may still take in the future This handbook is a key reference for scholars students and practitioners engaged in the study and practice of anti corruption corruption democracy public administration comparative politics as well as more broadly to the wider social sciences Chapter 2 and Chapter 46 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
