Mercy for Moms Michele Faehnle, Emily Jaminet, 2016-02-19 Originating in the early twentieth century the Divine Mercy
 devotion of St Faustina Kowalska is one of the most celebrated of all Catholic devotions In this their first book Catholic
 bloggers and speakers Michele Faehnle and Emily Jaminet break open the history practices and prayers associated with the
 devotion guiding busy moms to receive God's message of Divine Mercy and pass it on to others through their words deeds
 and prayers In her famous Diary Divine Mercy in My Soul St Faustina Kowalska recorded a series of visions of Jesus where
 he revealed the Chaplet of Divine Mercy and promised that anything can be obtained with the prayer if it is compatible with
 his will St John Paul II formally established the Divine Mercy devotion and canonized Faustina in 2000 The Marians of the
 Immaculate Conception are dedicated to spreading the Divine Mercy devotion the foreword for this book was written by Fr
 Michael E Gaitley MIC author of Divine Mercy Explained and 33 Days to Morning Glory In Divine Mercy for Moms Michele
 Faehnle and Emily Jaminet of the Columbus Catholic Women's Conference one of the largest annual Catholic women's
 conferences in the country draw upon their own experiences to introduce you to St Faustina and her five essential elements
 of the Divine Mercy message The image of the Merciful Jesus The Feast of Divine Mercy The Chaplet of Divine Mercy The

House of Mercy Spreading the honor of Divine Mercy With heartwarming stories and practical advice this book reveals that mercy is not just a gift to be received in the confessional but a spiritual resource that strengthens those who extend themselves in word deed and prayer Designed for personal or group study Divine Mercy for Moms celebrates the infinite mercy of God and the role of Mary the Mother of Mercy in the lives of all believers Divine Mercy for Moms was the winner of a 2017 Catholic Press Association Book Award Family Life Third Place Giulio Aleni, Kouduo richao, and Christian-Confucian Dialogism in Late Ming Fujian Song Gang,2018-10-03 Christian dialogic writings flourished in the Catholic missions in late Ming China This study focuses on the mission work of the Italian Jesuit Giulio Aleni Ai Rul e 1582 1649 in Fujian and the unique text Kouduo richao Diary of Oral Admonitions 1630 1640 that records the religious and intellectual conversations among the Jesuits and local converts By examining the mechanisms of dialogue in Kouduo richao and other Christian works distinguished by a certain dialogue form the author of the present work aims to reveal the formation of a hybrid Christian Confucian identity in late Ming Chinese religious experience By offering the new approach of dialogic hybridization the book not only treats dialogue as an important yet underestimated genre in late Ming Christian literature but it also uncovers a self other identity complex in the dialogic exchanges of the Jesuits and Chinese scholars Giulio Aleni Kouduo richao and Christian Confucian Dialogism in Late Ming Fujian is a multi faceted investigation of the religious philosophical ethical scientific and artistic topics discussed among the Jesuits and late Ming scholars This comprehensive research echoes what the distinguished Sinologist Erik Z rcher 1928 2008 said about the richness and diversity of Chinese Christian texts produced in the 17th and 18th centuries Following Z rcher s careful study and annotated full translation of Kouduo richao Monumenta Serica Monograph Series LVI 1 2 the present work features a set of new findings beyond the endeavours of Z rcher and other scholars With the key concept of Christian Confucian dialogism it tells the intriguing story of Aleni s mission work and the thriving Christian communities in late Ming Fujian Opening the Parables M. D. Hayden,2024-07-11 For centuries Jesus parables have been and still are extensively interpreted by those who impose Christian dogma and tradition on a parable told decades before Christianity per se even existed There was no Christian tradition when Jesus was teaching his followers and he was teaching regular people not theologians No wonder then that after two millennia Jesus parables coated with a confusing overlay of Christian dogma still puzzle readers of the New Testament Opening the Parables is based on the premise that Jesus taught a singular spiritual truth which once the clutter of others words and interpretations is cleared away appears consistently in all his teachings even in his parables In the best possible way Jesus was a one subject teacher one subject using various teaching techniques both deductive and inductive a one sermon preacher one message told in various ways Everything he taught or preached was about love in the infinite here and now Kingdom of God All his parables proverbs aphorisms and direct statements teach one lesson in the highest realm we can imagine compassionate love is all that matters *Stumbling into Grace* Mary Pezzulo,2021-06-04

Winner of a second place award in the Catholic social teaching category from the Catholic Media Association Mary Pezzulo intended to learn all about God through graduate studies in philosophy and Christian ethics but serious illness ruined those plans and landed her young family in desperate straits Despite chronic illness deep poverty blatant discrimination and the cruelty she encountered Pezzulo began tripping over God in the tiny works of mercy she offered to others and received herself With striking candor and gritty faith she shows us how we also can meet God in the smallest acts of love When Pezzulo began her blog Steel Magnificat in 2016 she never imagined she would be writing so much about poverty discrimination abuse or the loneliness of chronic illness Nor did she realize that the corporal and spiritual works of mercy would bring stark clarity and unflinching hope to her life She had moved to Steubenville Ohio to study philosophy and ethics so that she could teach people about Jesus and make the world a better place She expected to find God in beautiful churches inspiring books and the spoken words of brilliant scholars But when her life and professional ambitions crumbled around her she entered a terrible darkness and floundered in desperate poverty illness and the lingering trauma of abuse In that dark time Pezzulo began to know mercy finding God in countless tiny acts In Stumbling into Grace she shows how the works of mercy have become her anchor in turbulence and calm piercing sorrow and ridiculous joy overcoming despair and bringing enduring hope Now she shares with you how to live the works of mercy in your own life When Feeding the Hungry keep in mind that the more needy the person you re feeding is the more care you should take these are the people who are most in need of hope and visible acts of love Instructing the Ignorant begins with helping people and forming good relationships because people are worth it Giving Drink to the Thirsty can mean advocacy and charitable giving that support access to clean water for those throughout the world just as much as it means offering drinks to anyone who enters your home Counseling the Doubtful starts with acknowledging that faith is bigger than all of us and that it s not wrong to have questions doubts or to look at another faith to see if its beliefs and practices are closer to your spiritual longings Clothing the Naked means restoring a sense of dignity to every part of a person by providing appropriate comfortable and good looking clothing and by protecting people from gossip and prejudice
